Article 2.

Definitions

§1351. Definitions

As used in this title, the following terms have the following meanings:

(a) "Association" means a nonprofit corporation or unincorporated association created for the purpose of managing a common interest development.

(b) "Common area" means the entire common interest development except the separate interests therein. The estate in the common area may be a fee, a life estate, an estate for years, or any combination of the foregoing. However, the common area for a planned development specified in paragraph (2) of subdivision (k) may consist of mutual or reciprocal easement rights appurtenant to the separate interests.

(c) "Common interest development" means any of the following:

(1) A community apartment project.

(2) A condominium project.

(3) A planned development.

(4) A stock cooperative.

(d) "Community apartment project" means a development in which an undivided interest in land is coupled with the right of exclusive occupancy of any apartment located thereon.

(e) "Condominium plan" means a plan consisting of (1) a description or survey map of a condominium project, which shall refer to or show monumentation on the ground, (2) a three-dimensional description of a condominium project, one or more dimensions of which may extend for an indefinite distance upwards or downwards, in sufficient detail to identify the common areas and each separate interest, and (3) a certificate consenting to the recordation of the condominium plan pursuant to this title signed and acknowledged by the following:

(A) The record owner of fee title to that property included in the condominium project.

(B) In the case of a condominium project which will terminate upon the termination of an estate for years, the certificate shall be signed and acknowledged by all lessors and lessees of the estate for years.

(C) In the case of a condominium project subject to a life estate, the certificate shall be signed and acknowledged by all life tenants and remainder interests.

(D) The certificate shall also be signed and acknowledged by either the trustee or the beneficiary of each recorded deed of trust, and the mortgagee of each recorded mortgage encumbering the property.

Owners of mineral rights, easements, rights-of-way, and other nonpossessory interests do not need to sign the condominium plan. Further, in the event a conversion to condominiums of a community apartment project or stock cooperative has been approved by the required number of owners, trustees, beneficiaries, and mortgagees pursuant to Section 66452.10 of the Government Code, the certificate need only be signed by those owners, trustees, beneficiaries, and mortgagees approving the conversion.

A condominium plan may be amended or revoked by a subsequently acknowledged recorded instrument executed by all the persons whose signatures would be required pursuant to this subdivision.

(f) A "condominium project" means a development consisting of condominiums. A condominium consists of an undivided interest in common in a portion of real property coupled with a separate interest in space called a unit, the boundaries of which are described on a recorded final map, parcel map, or condominium plan in sufficient detail to locate all boundaries thereof. The area within these boundaries may be filled with air, earth, or water, or any combination thereof, and need not be physically

attached to land except by easements for access and, if necessary, support. The description of the unit may refer to (1) boundaries described in the recorded final map, parcel map, or condominium plan, (2) physical boundaries, either in existence, or to be constructed, such as walls, floors, and ceilings of a structure or any portion thereof, (3) an entire structure containing one or more units, or (4) any combination thereof. The portion or portions of the real property held in undivided interest may be all of the real property, except for the separate interests, or may include a particular three-dimensional portion thereof, the boundaries of which are described on a recorded final map, parcel map, or condominium plan. The area within these boundaries may be filled with air, earth, or water, or any combination thereof, and need not be physically attached to land except by easements for access and, if necessary, support. An individual condominium within a condominium project may include, in addition, a separate interest in other portions of the real property.

(g) "Declarant" means the person or group of persons designated in the declaration as declarant, or if no declarant is designated, the person or group of persons who sign the original declaration or who succeed to special rights, preferences, or privileges designated in the declaration as belonging to the signator of the original declaration.

(h) "Declaration" means the document, however denominated, which contains the information required by Section 1353.

(i) "Exclusive use common area" means a portion of the common areas designated by the declaration for the exclusive use of one or more, but fewer than all, of the owners of the separate interests and which is or will be appurtenant to the separate interest or interests.

(1) Unless the declaration otherwise provides, any shutters, awnings, window boxes, doorsteps, stoops, porches, balconies, patios, exterior doors, doorframes, and hardware incident thereto, screens and windows or other fixtures designed to serve a single separate interest, but located outside the boundaries of the separate interest, are exclusive use common areas allocated exclusively to that separate interest.

(2) Notwithstanding the provisions of the declaration, internal and external telephone wiring designed to serve a single separate interest, but located outside the boundaries of the separate interest, are exclusive use common areas allocated exclusively to that separate interest.

(j) "Governing documents" means the declaration and any other documents, such as bylaws, operating rules of the association, articles of incorporation, or articles of association, which govern the operation of the common interest development or association.

(k) "Planned development" means a development (other than a community apartment project, a condominium project, or a stock cooperative) having either or both of the following features:

(1) The common area is owned either by an association or in common by the owners of the separate interests who possess appurtenant rights to the beneficial use and enjoyment of the common area.

(2) A power exists in the association to enforce an obligation of an owner of a separate interest with respect to the beneficial use and enjoyment of the common area by means of an assessment which may become a lien upon the separate interests in accordance with Section 1367 or 1367.1.

(l) "Separate interest" has the following meanings:

(1) In a community apartment project, "separate interest" means the exclusive right to occupy an apartment, as specified in subdivision (d).

(2) In a condominium project, "separate interest" means an individual unit, as specified in subdivision (f).

(3) In a planned development, "separate interest" means a separately owned lot, parcel, area, or space.

(4) In a stock cooperative, "separate interest" means the exclusive right to occupy a portion of the real property, as specified in subdivision (m).

Unless the declaration or condominium plan, if any exists, otherwise provides, if walls, floors, or ceilings are designated as boundaries of a separate interest, the interior surfaces of the perimeter walls, floors, ceilings, windows, doors, and outlets located within the separate interest are part of the separate interest and any other portions of the walls, floors, or ceilings are part of the common areas.

The estate in a separate interest may be a fee, a life estate, an estate for years, or any combination of the foregoing.

(m) "Stock cooperative" means a development in which a corporation is formed or availed of primarily for the purpose of holding title to, either in fee simple or for a term of years, improved real property, and all or substantially all of the shareholders of the

corporation receive a right of exclusive occupancy in a portion of the real property, title to which is held by the corporation. The owners' interest in the corporation, whether evidenced by a share of stock, a certificate of membership, or otherwise, shall be deemed to be an interest in a common interest development and a real estate development for purposes of subdivision (f) of Section 25100 of the Corporations Code.

A "stock cooperative" includes a limited equity housing cooperative which is a stock cooperative that meets the criteria of Section 33007.5 of the Health and Safety Code.

CHAPTER 2. GOVERNING DOCUMENTS

Article 1.

Creation

§1352. Application of Title; Creation of Common Interest Development

(a) A declaration.

(b) A condominium plan, if any exists.

(c) A final map or parcel map, if Division 2 (commencing with Section 66410) of Title 7 of the Government Code requires the recording of either a final map or parcel map for the common interest development.

§1352.5. Discriminatory Restrictive Covenants; Removal from Governing Documents

(a) No declaration or other governing document shall include a restrictive covenant in violation of Section 12955 of the Government Code.

(b) Notwithstanding any other provision of law or provision of the governing documents, the board of directors of an association, without approval of the owners, shall amend any declaration or other governing document that includes a restrictive covenant prohibited by this section to delete the restrictive covenant, and shall restate the declaration or other governing document without the restrictive covenant but with no other change to the declaration or governing document.

NOTICE OF SAN FRANCISCO BAY
CONSERVATION AND DEVELOPMENT
COMMISSION JURISDICTION

(c) If after providing written notice to an association requesting that the association delete a restrictive covenant that violates subdivision (a), and the association fails to delete the restrictive covenant within 30 days of receiving the notice, the Department of Fair Employment and Housing, a city or county in which a common interest development is located, or any person may bring an action against the association for injunctive relief to enforce subdivision (a). The court may award attorney's fees to the prevailing party.

This property is located within the jurisdiction of the San Francisco Bay Conservation and Development Commission. Use and development of the property within the commission's jurisdiction may be subject to special regulations, restrictions, and permit requirements. You may wish to investigate and determine whether they are acceptable to you and your intended use of the property before you complete your transaction.

§1353. Declaration; Contents

(a) (1) A declaration, recorded on or after January 1, 1986, shall contain a legal description of the common interest development, and a statement that the common interest development is a community apartment project, condominium project, planned development, stock cooperative, or combination thereof. The declaration shall additionally set forth the name of the association and the restrictions on the use or enjoyment of any portion of the common interest development that are intended to be enforceable equitable servitudes. If the property is located within an airport influence area, a declaration, recorded after January 1, 2004, shall contain the following statement:

NOTICE OF AIRPORT IN VICINITY

This property is presently located in the vicinity of an airport, within what is known as an airport influence area. For that reason, the property may be subject to some of the annoyances or inconveniences associated with proximity to airport operations (for example: noise, vibration, or odors). Individual sensitivities to those annoyances can vary from person to person. You may wish to consider what airport annoyances, if any, are associated with the property before you complete your purchase and determine whether they are acceptable to you.

(2) For purposes of this section, an "airport influence area," also known as an "airport referral area," is the area in which current or future airport-related noise, overflight, safety, or airspace protection factors may significantly affect land uses or necessitate restrictions on those uses as determined by an airport land use commission.

(3) If the property is within the San Francisco Bay Conservation and Development Commission jurisdiction, as described in Section 66610 of the Government Code, a declaration recorded on or after January 1, 2006, shall contain the following notice:

(4) The statement in a declaration acknowledging that a property is located in an airport influence area or within the jurisdiction of the San Francisco Bay Conservation and Development Commission does not constitute a title defect, lien, or encumbrance.

(b) The declaration may contain any other matters the original signator of the declaration or the owners consider appropriate.

§1353.5. Display of Flag of the United States

(a) Except as required for the protection of the public health or safety, no declaration or other governing document shall limit or prohibit, or be construed to limit or prohibit, the display of the flag of the United States by an owner on or in the owner's separate interest or within the owner's exclusive use common area, as defined in Section 1351.

(b) For purposes of this section, "display of the flag of the United States" means a flag of the United States made of fabric, cloth, or paper displayed from a staff or pole or in a window, and does not mean a depiction or emblem of the flag of the United States made of lights, paint, roofing, siding, paving materials, flora, or balloons, or any other similar building, landscaping, or decorative component.

(c) In any action to enforce this section, the prevailing party shall be awarded reasonable attorneys' fees and costs.

§1353.6. Sign Restrictions

(a) The governing documents, including the operating rules, may not prohibit posting or displaying of noncommercial signs, posters, flags, or banners on or in an owner's separate interest, except as required for the protection of public health or safety or if the posting or display would violate a local, state, or federal law.

(b) For purposes of this section, a noncommercial sign, poster, flag, or banner may be made of paper, cardboard, cloth, plastic, or fabric, and may be posted or displayed from the yard, window, door, balcony, or outside wall of the separate interest, but may not be made of lights, roofing, siding, paving materials, flora, or balloons, or any other similar building, landscaping, or decorative component, or include the painting of architectural surfaces.

(c) An association may prohibit noncommercial signs and posters that are more than 9 square feet in size and noncommercial flags or banners that are more than 15 square feet in size.

§1353.7. Roof Coverings; Fires and Fire Protection

(a) No common interest development may require a homeowner to install or repair a roof in a manner that is in violation of Section 13132.7 of the Health and Safety Code.

(b) Governing documents of a common interest development located within a very high fire severity zone, as designated by the Director of Forestry and Fire Protection pursuant to Article 9 (commencing with Section 4201) of Chapter 1 of Part 2 of Division 4 of the Public Resources Code or by a local agency pursuant to Chapter 6.8 (commencing with Section 51175) of Part 1 of Division 1 of Title 5 of the Government Code, shall allow for at least one type of fire retardant roof covering material that meets the requirements of Section 13132.7 of the Health and Safety Code.

Article 2. Enforcement

§1354. Covenants and Restrictions in Declaration as Equitable Servitudes; Enforcement; Attorneys' Fees

(a) The covenants and restrictions in the declaration shall be enforceable equitable servitudes, unless unreasonable, and shall inure to the benefit of and bind all owners of separate interests in the development. Unless the declaration states otherwise, these servitudes may be enforced by any owner of a separate interest or by the association, or by both.

(b) A governing document other than the declaration may be enforced by the association against an owner of a separate interest or by an owner of a separate interest against the association.

(c) In an action to enforce the governing documents, the prevailing party shall be awarded reasonable attorney's fees and costs.

Article 3. Amendment

§1355. Amendment of Declaration

(a) The declaration may be amended pursuant to the governing documents or this title. Except as provided in Section 1356, an amendment is effective after (1) the approval of the percentage of owners required by the governing documents has been given, (2) that fact has been certified in a writing executed and acknowledged by the officer designated in the declaration or by the association for that purpose, or if no one is designated, by the president of the association, and (3) that writing has been recorded in each county in which a portion of the common interest development is located.

(b) Except to the extent that a declaration provides by its express terms that it is not amendable, in whole or in part, a declaration which fails to include provisions permitting its amendment at all times during its existence may be amended at any time. For purposes of this subdivision, an amendment is only effective after (1) the proposed amendment has been distributed to all of the owners of separate interests in the common interest development by first-class mail postage prepaid or personal delivery not less than 15 days and not more than 60 days prior to any approval being solicited; (2) the approval of owners representing more than 50 percent, or any higher percentage required by the declaration for the approval of an amendment to the declaration, of the separate interests in the common interest development has been given, and that fact has been certified in a writing, executed and acknowledged by an officer of the association; and (3) the amendment has been recorded in each county in which a portion of the common interest development is located. A copy of any amendment adopted pursuant to this subdivision shall be distributed by first-class mail postage prepaid or personal delivery to all of the owners of separate interest immediately upon its recordation.

§1355.5. Amendment of Governing Documents for Certain Declarant Provisions

(a) Notwithstanding any provisions of the governing documents of a common interest

development to the contrary, the board of directors of the association may, after the developer of the common interest development has completed construction of the development, has terminated construction activities, and has terminated his or her marketing activities for the sale, lease, or other disposition of separate interests within the development, adopt an amendment deleting from any of the governing documents any provision which is unequivocally designed and intended, or which by its nature can only have been designed or intended, to facilitate the developer in completing the construction or marketing of the development. However, provisions of the governing documents relative to a particular construction or marketing phase of the development may not be deleted under the authorization of this subdivision until that construction or marketing phase has been completed.

(b) The provisions which may be deleted by action of the board shall be limited to those which provide for access by the developer over or across the common area for the purposes of (a) completion of construction of the development, and (b) the erection, construction, or maintenance of structures or other facilities designed to facilitate the completion of construction or marketing of separate interests.

(c) At least 30 days prior to taking action pursuant to subdivision (a), the board of directors of the association shall mail to all owners of the separate interests, by first-class mail, (1) a copy of all amendments to the governing documents proposed to be adopted under subdivision (a) and (2) a notice of the time, date, and place the board of directors will consider adoption of the amendments. The board of directors of an association may consider adoption of amendments to the governing documents pursuant to subdivision (a) only at a meeting which is open to all owners of the separate interests in the common interest development, who shall be given opportunity to make comments thereon. All deliberations of the board of directors on any action proposed under subdivision (a) shall only be conducted in such an open meeting.

(d) The board of directors of the association may not amend the governing documents pursuant to this section without the approval of the owners, casting a majority of the votes at a meeting or election of the association constituting a quorum and conducted in accordance with Chapter 5 (commencing with Section 7510) of Part 3 of Division 2, of Title 1 of, and Section 7613 of, the Corporations Code. For the purposes of this section, "quorum" means more than 50 percent of

the owners who own no more than two separate interests in the development.

§1356. Amendment of Declaration; Power of Court to Approve Amendment; Recording Amendment; Mailing

(a) If in order to amend a declaration, the declaration requires owners having more than 50 percent of the votes in the association, in a single class voting structure, or owners having more than 50 percent of the votes in more than one class in a voting structure with more than one class, to vote in favor of the amendment, the association, or any owner of a separate interest, may petition the superior court of the county in which the common interest development is located for an order reducing the percentage of the affirmative votes necessary for such an amendment. The petition shall describe the effort that has been made to solicit approval of the association members in the manner provided in the declaration, the number of affirmative and negative votes actually received, the number or percentage of affirmative votes required to effect the amendment in accordance with the existing declaration, and other matters the petitioner considers relevant to the court's determination. The petition shall also contain, as exhibits thereto, copies of all of the following:

- (1) The governing documents.
- (2) A complete text of the amendment.
- (3) Copies of any notice and solicitation materials utilized in the solicitation of owner approvals.
- (4) A short explanation of the reason for the amendment.
- (5) Any other documentation relevant to the court's determination.

(b) Upon filing the petition, the court shall set the matter for hearing and issue an ex parte order setting forth the manner in which notice shall be given.

(c) The court may, but shall not be required to, grant the petition if it finds all of the following:

- (1) The petitioner has given not less than 15 days written notice of the court hearing to all members of the association, to any mortgagee of a mortgage or beneficiary of a deed of trust who is entitled to notice under the terms of the declaration, and to the city, county, or city and county in which the common interest development is located that is entitled to notice under the terms of the declaration.

(2) Balloting on the proposed amendment was conducted in accordance with all applicable provisions of the governing documents.

(3) A reasonably diligent effort was made to permit all eligible members to vote on the proposed amendment.

(4) Owners having more than 50 percent of the votes, in a single class voting structure, voted in favor of the amendment. In a voting structure with more than one class, where the declaration requires a majority of more than one class to vote in favor of the amendment, owners having more than 50 percent of the votes of each class required by the declaration to vote in favor of the amendment voted in favor of the amendment.

(5) The amendment is reasonable.

(6) Granting the petition is not improper for any reason stated in subdivision (e).

(d) If the court makes the findings required by subdivision (c), any order issued pursuant to this section may confirm the amendment as being validly approved on the basis of the affirmative votes actually received during the balloting period or the order may dispense with any requirement relating to quorums or to the number or percentage of votes needed for approval of the amendment that would otherwise exist under the governing documents.

(e) Subdivisions (a) to (d), inclusive, notwithstanding, the court shall not be empowered by this section to approve any amendment to the declaration that:

(1) Would change provisions in the declaration requiring the approval of owners having more than 50 percent of the votes in more than one class to vote in favor of an amendment, unless owners having more than 50 percent of the votes in each affected class approved the amendment.

(2) Would eliminate any special rights, preferences, or privileges designated in the declaration as belonging to the declarant, without the consent of the declarant.

(3) Would impair the security interest of a mortgagee of a mortgage or the beneficiary of a deed of trust without the approval of the percentage of the mortgagees and beneficiaries specified in the declaration, if the declaration requires the approval of a specified percentage of the mortgagees and beneficiaries.

(f) An amendment is not effective pursuant to this section until the court order and amendment have been recorded in every county in which a portion of the common interest development is located. The amendment may be acknowledged by, and the court order and amendment may be recorded by, any person designated in the declaration or by the association for that purpose, or if no one is designated for that purpose, by the president of the association. Upon recordation of the amendment and court order, the declaration, as amended in accordance with this section, shall have the same force and effect as if the amendment were adopted in compliance with every requirement imposed by the governing documents.

(g) Within a reasonable time after the amendment is recorded the association shall mail a copy of the amendment to each member of the association, together with a statement that the amendment has been recorded.

§1357. Extension of Term of Declaration

(a) The Legislature finds that there are common interest developments that have been created with deed restrictions which do not provide a means for the property owners to extend the term of the declaration. The Legislature further finds that covenants and restrictions, contained in the declaration, are an appropriate method for protecting the common plan of developments and to provide for a mechanism for financial support for the upkeep of common areas including, but not limited to, roofs, roads, heating systems, and recreational facilities. If declarations terminate prematurely, common interest developments may deteriorate and the housing supply of affordable units could be impacted adversely.

The Legislature further finds and declares that it is in the public interest to provide a vehicle for extending the term of the declaration if owners having more than 50 percent of the votes in the association choose to do so.

(b) A declaration which specifies a termination date, but which contains no provision for extension of the termination date, may be extended by the approval of owners having more than 50 percent of the votes in the association or any greater percentage specified in the declaration for an amendment thereto. If the approval of owners having more than 50 percent of the votes in the association is required to amend the declaration, the term of the declaration may be extended in accordance with Section 1356.

(c) Any amendment to a declaration made in accordance with subdivision (b) shall become effective upon recordation in accordance with Section 1355.

(d) No single extension of the terms of the declaration made pursuant to this section shall exceed the initial term of the declaration or 20 years, whichever is less. However, more than one extension may occur pursuant to this section.

Article 4. Operating Rules

§1357.100. Operating Rules; Definitions

(a) "Operating rule" means a regulation adopted by the board of directors of the association that applies generally to the management and operation of the common interest development or the conduct of the business and affairs of the association.

(b) "Rule change" means the adoption, amendment, or repeal of an operating rule by the board of directors of the association.

§1357.110. Requirements to be Valid and Enforceable

An operating rule is valid and enforceable only if all of the following requirements are satisfied:

- (a) The rule is in writing.
- (b) The rule is within the authority of the board of directors of the association conferred by law or by the declaration, articles of incorporation or association, or bylaws of the association.
- (c) The rule is not inconsistent with governing law and the declaration, articles of incorporation or association, and bylaws of the association.
- (d) The rule is adopted, amended, or repealed in good faith and in substantial compliance with the requirements of this article.
- (e) The rule is reasonable.

§1357.120. Rule Changes for Certain Operating Rules; Applicability and Exceptions

(a) Sections 1357.130 and 1357.140 only apply to an operating rule that relates to one or more of the following subjects:

(1) Use of the common area or of an exclusive use common area.

(2) Use of a separate interest, including any aesthetic or architectural standards that govern alteration of a separate interest.

(3) Member discipline, including any schedule of monetary penalties for violation of the governing documents and any procedure for the imposition of penalties.

(4) Any standards for delinquent assessment payment plans.

(5) Any procedures adopted by the association for resolution of disputes.

(6) Any procedures for reviewing and approving or disapproving a proposed physical change to a member's separate interest or to the common area.

(7) *Procedures for elections.*

(b) Sections 1357.130 and 1357.140 do not apply to the following actions by the board of directors of an association:

(1) A decision regarding maintenance of the common area.

(2) A decision on a specific matter that is not intended to apply generally.

(3) A decision setting the amount of a regular or special assessment.

(4) A rule change that is required by law, if the board of directors has no discretion as to the substantive effect of the rule change.

(5) Issuance of a document that merely repeats existing law or the governing documents.

§1357.130. Rule Changes; Procedures for Notice, Adoption; Emergency Rule Changes

(a) The board of directors shall provide written notice of a proposed rule change to the members at least 30 days before making the rule change. The notice shall include the text of the proposed rule change and a description of the purpose and effect of the proposed rule change. Notice is not required under this subdivision if the board of directors determines that an immediate rule change is necessary to address an imminent threat to public health or safety or imminent risk of substantial economic loss to the association.

(b) A decision on a proposed rule change shall be made at a meeting of the board of directors, after consideration of any comments made by association members.

(c) As soon as possible after making a rule change, but not more than 15 days after making the rule change, the board of directors shall deliver notice of the rule change to every association member. If the rule change was an emergency rule change made under subdivision (d), the notice shall include the text of the rule change, a description of the purpose and effect of the rule change, and the date that the rule change expires.

(d) If the board of directors determines that an immediate rule change is required to address an imminent threat to public health or safety, or an imminent risk of substantial economic loss to the association, it may make an emergency rule change;¹ and no notice is required, as specified in subdivision (a). An emergency rule change is effective for 120 days, unless the rule change provides for a shorter effective period. A rule change made under this subdivision may not be readopted under this subdivision.

(e) A notice required by this section is subject to Section 1350.7.

§1357.140. Rule Changes; Reversal

(a) Members of an association owning 5 percent or more of the separate interests may call a special meeting of the members to reverse a rule change.

(b) A special meeting of the members may be called by delivering a written request to the president or secretary of the board of directors, after which the board shall deliver notice of the meeting to the association's members and hold the meeting in conformity with Section 7511 of the Corporations Code. The written request may not be delivered more than 30 days after the members of the association are notified of the rule change. Members are deemed to have been notified of a rule change on delivery of notice of the rule change, or on enforcement of the resulting rule, whichever is sooner. For the purposes of Section 8330 of the Corporations Code, collection of signatures to call a special meeting under this section is a purpose reasonably related to the interests of the members of the association. A member request to copy or inspect the membership list solely for that purpose may not be denied on the grounds that the purpose is not reasonably related to the member's interests as a member.

(c) The rule change may be reversed by the affirmative vote of a majority of the votes represented and voting at a duly held meeting at which a quorum is present (which affirmative votes also constitute a majority of the required quorum), or if the declaration or bylaws require a greater proportion, by the affirmative vote or written ballot of the proportion required. In lieu of calling the meeting described in this section, the board may distribute a written ballot to every member of the association in conformity with the requirements of Section 7513 of the Corporations Code.

(d) Unless otherwise provided in the declaration or bylaws, for the purposes of this section, a member may cast one vote per separate interest owned.

(e) A meeting called under this section is governed by Chapter 5 (commencing with Section 7510) of Part 3 of Division 2 of Title 1 of, and Sections 7612 and 7613 of, the Corporations Code.

(f) A rule change reversed under this section may not be readopted for one year after the date of the meeting reversing the rule change. Nothing in this section precludes the board of directors from adopting a different rule on the same subject as the rule change that has been reversed.

(g) As soon as possible after the close of voting, but not more than 15 days after the close of voting, the board of directors shall provide notice of the results of a member vote held pursuant to this section to every association member. Delivery of notice under this subdivision is subject to Section 1350.7.

(h) This section does not apply to an emergency rule change made under subdivision (d) of Section 1357.130.

§1357.150. Commencement of Rule Changes

(a) This article applies to a rule change commenced on or after January 1, 2004.

(b) Nothing in this article affects the validity of a rule change commenced before January 1, 2004.

(c) For the purposes of this section, a rule change is commenced when the board of directors of the association takes its first official action leading to adoption of the rule change.

¹ This semi-colon should probably be a comma.

CHAPTER 3. OWNERSHIP RIGHTS AND INTERESTS

§1358. **Interests Included in Conveyance, Judicial Sale or Transfer of Separate Interests; Transfers of Exclusive Use Areas; Restrictions Upon Severability of Component Interests**

(a) In a community apartment project, any conveyance, judicial sale, or other voluntary or involuntary transfer of the separate interest includes the undivided interest in the community apartment project. Any conveyance, judicial sale, or other voluntary or involuntary transfer of the owner's entire estate also includes the owner's membership interest in the association.

(b) In a condominium project the common areas are not subject to partition, except as provided in Section 1359. Any conveyance, judicial sale, or other voluntary or involuntary transfer of the separate interest includes the undivided interest in the common areas. Any conveyance, judicial sale, or other voluntary or involuntary transfer of the owner's entire estate also includes the owner's membership interest in the association.

(c) In a planned development, any conveyance, judicial sale, or other voluntary or involuntary transfer of the separate interest includes the undivided interest in the common areas, if any exist. Any conveyance, judicial sale, or other voluntary or involuntary transfer of the owner's entire estate also includes the owner's membership interest in the association.

(d) In a stock cooperative, any conveyance, judicial sale, or other voluntary or involuntary transfer of the separate interest includes the ownership interest in the corporation, however evidenced. Any conveyance, judicial sale, or other voluntary or involuntary transfer of the owner's entire estate also includes the owner's membership interest in the association.

Nothing in this section prohibits the transfer of exclusive use areas, independent of any other interest in a common interest subdivision, if authorization to separately transfer exclusive use areas is expressly stated in the declaration and the transfer occurs in accordance with the terms of the declaration.

Any restrictions upon the severability of the component interests in real property which are contained in the declaration shall not be deemed

conditions repugnant to the interest created within the meaning of Section 711 of the Civil Code. However, these restrictions shall not extend beyond the period in which the right to partition a project is suspended under Section 1359.

§1359. **Restrictions on Partition**

(a) Except as provided in this section, the common areas in a condominium project shall remain undivided, and there shall be no judicial partition thereof. Nothing in this section shall be deemed to prohibit partition of a cotenancy in a condominium.

(b) The owner of a separate interest in a condominium project may maintain a partition action as to the entire project as if the owners of all of the separate interests in the project were tenants in common in the entire project in the same proportion as their interests in the common areas. The court shall order partition under this subdivision only by sale of the entire condominium project and only upon a showing of one of the following:

(1) More than three years before the filing of the action, the condominium project was damaged or destroyed, so that a material part was rendered unfit for its prior use, and the condominium project has not been rebuilt or repaired substantially to its state prior to the damage or destruction.

(2) Three-fourths or more of the project is destroyed or substantially damaged and owners of separate interests holding in the aggregate more than a 50-percent interest in the common areas oppose repair or restoration of the project.

(3) The project has been in existence more than 50 years, is obsolete and uneconomic, and owners of separate interests holding in the aggregate more than a 50-percent interest in the common area oppose repair or restoration of the project.

(4) The conditions for such a sale, set forth in the declaration, have been met.

§1360. **Modification of Unit By Owner; Facilitation of Access for Handicapped; Approval by Project Association**

(a) Subject to the provisions of the governing documents and other applicable provisions of law, if the boundaries of the separate interest are contained within a building, the owner of the separate interest may do the following:

(1) Make any improvements or alterations within the boundaries of his or her separate interest that do not impair the structural integrity or mechanical systems or lessen the support of any portions of the common interest development.

(2) Modify a unit in a condominium project, at the owner's expense, to facilitate access for persons who are blind, visually handicapped, deaf, or physically disabled, or to alter conditions which could be hazardous to these persons. These modifications may also include modifications of the route from the public way to the door of the unit for the purposes of this paragraph if the unit is on the ground floor or already accessible by an existing ramp or elevator. The right granted by this paragraph is subject to the following conditions:

(A) The modifications shall be consistent with applicable building code requirements.

(B) The modifications shall be consistent with the intent of otherwise applicable provisions of the governing documents pertaining to safety or aesthetics.

(C) Modifications external to the dwelling shall not prevent reasonable passage by other residents, and shall be removed by the owner when the unit is no longer occupied by persons requiring those modifications who are blind, visually handicapped, deaf, or physically disabled.

(D) Any owner who intends to modify a unit pursuant to this paragraph shall submit his or her plans and specifications to the association of the condominium project for review to determine whether the modifications will comply with the provisions of this paragraph. The association shall not deny approval of the proposed modifications under this paragraph without good cause.

(b) Any change in the exterior appearance of a separate interest shall be in accordance with the governing documents and applicable provisions of law.

§1360.5. Restrictions on Pets.

(a) No governing documents shall prohibit the owner of a separate interest within a common interest development from keeping at least one pet within the common interest development, subject to reasonable rules and regulations of the association. This section may not be construed to affect any other rights provided by law to an owner of a separate interest to keep a pet within the development.

(b) For purposes of this section, "pet" means any domesticated bird, cat, dog, aquatic animal kept within an aquarium, or other animal as agreed to between the association and the homeowner.

(c) If the association implements a rule or regulation restricting the number of pets an owner may keep, the new rule or regulation shall not apply to prohibit an owner from continuing to keep any pet that the owner currently keeps in his or her separate interest if the pet otherwise conforms with the previous rules or regulations relating to pets.

(d) For the purposes of this section, "governing documents" shall include, but are not limited to, the conditions, covenants, and restrictions of the common interest development, and the bylaws, rules, and regulations of the association.

(e) This section shall become operative on January 1, 2001, and shall only apply to governing documents entered into, amended, or otherwise modified on or after that date.

§1361. Rights and Easements of Ingress, Egress, and Support

Unless the declaration otherwise provides:

(a) In a community apartment project and condominium project, and in those planned developments with common areas owned in common by the owners of the separate interests, there are appurtenant to each separate interest nonexclusive rights of ingress, egress, and support, if necessary, through the common areas. The common areas are subject to these rights.

(b) In a stock cooperative, and in a planned development with common areas owned by the association, there is an easement for ingress, egress, and support, if necessary, appurtenant to each separate interest. The common areas are subject to these easements.

§1361.5. Access to Owners' Separate Interests

Except as otherwise provided in law, an order of the court, or an order pursuant to a final and binding arbitration decision, an association may not deny an owner or occupant physical access to his or her separate interest, either by restricting access through the common areas to the owner's separate interest, or by restricting access solely to the owner's separate interest.

§1362. Ownership of Common Areas

Unless the declaration otherwise provides, in a condominium project, or in a planned development in which the common areas are owned by the owners of the separate interests, the common areas are owned as tenants in common, in equal shares, one for each unit or lot.

CHAPTER 4. GOVERNANCE

Article 1.

Association

§1363. Management; Powers of Association; Membership Rights

(a) A common interest development shall be managed by an association *that* may be incorporated or unincorporated. The association may be referred to as a community association.

(b) An association, whether incorporated or unincorporated, shall prepare a budget pursuant to Section 1365 and disclose information, if requested, in accordance with Section 1368.

(c) Unless the governing documents provide otherwise, and regardless of whether the association is incorporated or unincorporated, the association may exercise the powers granted to a nonprofit mutual benefit corporation, as enumerated in Section 7140 of the Corporations Code, except that an unincorporated association may not adopt or use a corporate seal or issue membership certificates in accordance with Section 7313 of the Corporations Code.

The association, whether incorporated or unincorporated, may exercise the powers granted to an association in this title.

(d) Meetings of the membership of the association shall be conducted in accordance with a recognized system of parliamentary procedure or any parliamentary procedures the association may adopt.

(e) Notwithstanding any other provision of law, notice of meetings of the members shall specify those matters the board intends to present for action by the members, but, except as otherwise provided by law, any proper matter may be presented at the meeting for action.

(f) Members of the association shall have access to association records, including accounting books and records and membership lists, in accordance with

Article 3 (commencing with Section 8330) of Chapter 13 of Part 3 of Division 2 of Title 1 of the Corporations Code. The members of the association shall have the same access to the operating rules of the association as they have to the accounting books and records of the association.

(g) If an association adopts or has adopted a policy imposing any monetary penalty, including any fee, on any association member for a violation of the governing documents or rules of the association, including any monetary penalty relating to the activities of a guest or invitee of a member, the board of directors shall adopt and distribute to each member, by personal delivery or first-class mail, a schedule of the monetary penalties that may be assessed for those violations, which shall be in accordance with authorization for member discipline contained in the governing documents. The board of directors shall not be required to distribute any additional schedules of monetary penalties unless there are changes from the schedule that was adopted and distributed to the members pursuant to this subdivision.

(h) When the board of directors is to meet to consider or impose discipline upon a member, the board shall notify the member in writing, by either personal delivery or first-class mail, at least 10 days prior to the meeting. The notification shall contain, at a minimum, the date, time, and place of the meeting, the nature of the alleged violation for which a member may be disciplined, and a statement that the member has a right to attend and may address the board at the meeting. The board of directors of the association shall meet in executive session if requested by the member being disciplined.

If the board imposes discipline on a member, the board shall provide the member a written notification of the disciplinary action, by either personal delivery or first-class mail, within 15 days following the action. A disciplinary action shall not be effective against a member unless the board fulfills the requirements of this subdivision.

(i) Whenever two or more associations have consolidated any of their functions under a joint neighborhood association or similar organization, members of each participating association shall be (1) entitled to attend all meetings of the joint association other than executive sessions, (2) given reasonable opportunity for participation in those meetings, and (3) entitled to the same access to the joint association's records as they are to the participating association's records.

(j) Nothing in this section shall be construed to create, expand, or reduce the authority of the board of directors of an association to impose monetary penalties on an association member for a violation of the governing documents or rules of the association.

§1363.001. On-Line Education for Directors

To the extent existing funds are available, the Department of Consumer Affairs and the Department of Real Estate shall develop an on-line education course for the board of directors of an association regarding the role, duties, laws, and responsibilities of board members and prospective board members, and the nonjudicial foreclosure process.

Article 2.

Elections and Meetings

§1363.03. Election Rules; Secret Ballots; Inspectors of Election; Balloting [Operative on July 1, 2006]

(a) *An association shall adopt rules, in accordance with the procedures prescribed by Article 4 (commencing with Section 1357.100) of Chapter 2, that do all of the following:*

(1) *Ensure that if any candidate or member advocating a point of view is provided access to association media, newsletters, or Internet Web sites during a campaign, for purposes that are reasonably related to that election, equal access shall be provided to all candidates and members advocating a point of view, including those not endorsed by the board, for purposes that are reasonably related to the election. The association shall not edit or redact any content from these communications, but may include a statement specifying that the candidate or member, and not the association, is responsible for that content.*

(2) *Ensure access to the common area meeting space, if any exists, during a campaign, at no cost, to all candidates, including those who are not incumbents, and to all members advocating a point of view, including those not endorsed by the board, for purposes reasonably related to the election.*

(3) *Specify the qualifications for candidates for the board of directors and any other elected position, and procedures for the nomination of candidates. A nomination or election procedure shall not be deemed reasonable if it disallows any member of the*

association from nominating himself or herself for election to the board of directors.

(4) *Specify the qualifications for voting, the voting power of each membership, the authenticity, validity, and effect of proxies, and the voting period for elections, including the times at which polls will open and close.*

(5) *Specify a method of selecting one or three independent third parties as inspector, or inspectors, of election utilizing one of the following methods:*

(A) *Appointment of the inspector or inspectors by the board.*

(B) *Election of the inspector or inspectors by the members of the association.*

(C) *Any other method for selecting the inspector or inspectors.*

(b) *Notwithstanding any other law or provision of the governing documents, an election within a common interest development regarding assessments, selection of members of the association board of directors, amendments to the governing documents, or the grant of exclusive use of common area property pursuant to Section 1363.07 shall be held by secret ballot in accordance with the procedures set forth in this section.*

(c) (1) *The association shall select an independent third party or parties as an inspector of election. The number of inspectors of election shall be one or three.*

(2) *For the purposes of this section, an independent third party includes, but is not limited to, a volunteer poll worker with the county registrar of voters, a licensee of the California Board of Accountancy, or a notary public. An independent third party may be a member of the association, but may not be a member of the board of directors or a candidate for the board of directors or related to a member of the board of directors or a candidate for the board of directors. An independent third party may not be a person who is currently employed or under contract to the association for any compensable services unless expressly authorized by rules of the association adopted pursuant to paragraph (5) of subdivision (a).*

(3) *The inspector or inspectors of election shall do all of the following:*

(A) *Determine the number of memberships entitled to vote and the voting power of each.*

(B) Determine the authenticity, validity, and effect of proxies, if any.

(C) Receive ballots.

(D) Hear and determine all challenges and questions in any way arising out of or in connection with the right to vote.

(E) Count and tabulate all votes.

(F) Determine when the polls shall close.

(G) Determine the result of the election.

(H) Perform any acts as may be proper to conduct the election with fairness to all members in accordance with this section and all applicable rules of the association regarding the conduct of the election that are not in conflict with this section.

(4) An inspector of election shall perform his or her duties impartially, in good faith, to the best of his or her ability, and as expeditiously as is practical. If there are three inspectors of election, the decision or act of a majority shall be effective in all respects as the decision or act of all. Any report made by the inspector or inspectors of election is prima facie evidence of the facts stated in the report.

(d) Any instruction given in a proxy issued for an election that directs the manner in which the proxy holder is to cast the vote shall be set forth on a separate page of the proxy that can be detached and given to the proxy holder to retain. The proxy holder shall cast the member's vote by secret ballot.

(e) Ballots and two preaddressed envelopes with instructions on how to return ballots shall be mailed by first-class mail or delivered by the association to every member not less than 30 days prior to the deadline for voting. In order to preserve confidentiality, a voter may not be identified by name, address, or lot, parcel, or unit number on the ballot. The association shall use as a model those procedures used by California counties for ensuring confidentiality of voter absentee ballots, including all of the following:

(1) The ballot itself is not signed by the voter, but is inserted into an envelope that is sealed. This envelope is inserted into a second envelope that is sealed. In the upper left hand corner of the second envelope, the voter prints and signs his or her name, address, and lot, or parcel, or unit number that entitles him or her to vote.

(2) The second envelope is addressed to the inspector or inspectors of election, who will be tallying the votes. The envelope may be mailed or delivered by hand to a location specified by the inspector or inspectors of election. The member may request a receipt for delivery.

(f) All votes shall be counted and tabulated by the inspector or inspectors of election in public at a properly noticed open meeting of the board of directors or members. Any candidate or other member of the association may witness the counting and tabulation of the votes. No person, including a member of the association or an employee of the management company, shall open or otherwise review any ballot prior to the time and place at which the ballots are counted and tabulated.

(g) The results of the election shall be promptly reported to the board of directors of the association and shall be recorded in the minutes of the next meeting of the board of directors and shall be available for review by members of the association. Within 15 days of the election, the board shall publicize the results of the election in a communication directed to all members.

(h) The sealed ballots at all times shall be in the custody of the inspector or inspectors of election or at a location designated by the inspector or inspectors until after the tabulation of the vote, at which time custody shall be transferred to the association.

(i) After tabulation, election ballots shall be stored by the association in a secure place for no less than one year after the date of the election. In the event of a recount or other challenge to the election process, the association shall, upon written request, make the ballots available for inspection and review by association members or their authorized representatives. Any recount shall be conducted in a manner that shall preserve the confidentiality of the vote.

(j) The provisions of this section apply to both incorporated and unincorporated associations, notwithstanding any contrary provision of the governing documents.

§1363.05. Common Interest Development Open Meeting Act

(a) This section shall be known and may be cited as the Common Interest Development Open Meeting Act.

(b) Any member of the association may attend meetings of the board of directors of the association, except when the board adjourns to executive session to consider litigation, matters relating to the formation of contracts with third parties, member discipline, personnel matters, or to meet with a member, upon the member's request, regarding the member's payment of assessments, as specified in Section 1367 or 1367.1. The board of directors of the association shall meet in executive session, if requested by a member who may be subject to a fine, penalty, or other form of discipline, and the member shall be entitled to attend the executive session.

(c) Any matter discussed in executive session shall be generally noted in the minutes of the immediately following meeting that is open to the entire membership.

(d) The minutes, minutes proposed for adoption that are marked to indicate draft status, or a summary of the minutes, of any meeting of the board of directors of an association, other than an executive session, shall be available to members within 30 days of the meeting. The minutes, proposed minutes, or summary minutes shall be distributed to any member of the association upon request and upon reimbursement of the association's costs for making that distribution.

(e) Members of the association shall be notified in writing at the time that the pro forma budget required in Section 1365 is distributed, or at the time of any general mailing to the entire membership of the association, of their right to have copies of the minutes of meetings of the board of directors, and how and where those minutes may be obtained.

(f) As used in this section, "meeting" includes any congregation of a majority of the members of the board at the same time and place to hear, discuss, or deliberate upon any item of business scheduled to be heard by the board, except those matters that may be discussed in executive session.

Notice shall be given by posting the notice in a prominent place or places within the common area and by mail to any owner who had requested notification of board meetings by mail, at the address requested by the owner. (h) An emergency meeting of the board may be called by the president of the association, or by any two members of the governing body other than the president, if there are circumstances that could not have been reasonably foreseen which require immediate attention and possible action by the board, and which of necessity make it impracticable to provide notice as required by this section.

(i) The board of directors of the association shall permit any member of the association to speak at any meeting of the association or the board of directors, except for meetings of the board held in executive session. A reasonable time limit for all members of the association to speak to the board of directors or before

a meeting of the association shall be established by the board of directors.

§1363.07. Grants of Exclusive Use of Common Area

(a) After an association acquires fee title to or any easement right over a common area, unless the association's governing documents specify a different percentage, the affirmative vote of members owning at least sixty seven percent of the separate interests in the common interest development shall be required before the board of directors may grant exclusive use of any portion of that common area to any member, except for any of the following:

grant within a subdivision of the type defined in Section 1373.

(b) Any measure placed before the members requesting that the board of directors grant exclusive use of any portion of the common area shall specify whether the association will receive any monetary consideration for the grant and whether the association or the transferee will be responsible for providing any insurance coverage for exclusive use of the common area.

§1363.09. Remedies for Violation of Election Procedures, Campaign Fund Restrictions, CID Open Meeting Act, Invalid Grants of Exclusive Use of Common Area [Operative on July 1, 2006]

(a) A member of an association may bring a civil action for declaratory or equitable relief for a violation of this article by an association of which he or she is a member, including, but not limited to, injunctive relief, restitution, or a combination thereof, within one year of the date the cause of action accrues. Upon a finding that the election procedures of this article, or the adoption of and adherence to rules provided by Article 4 (commencing with Section 1357.100) of Chapter 2, were not followed, a court may void any results of the election.

(b) A member who prevails in a civil action to enforce his or her rights pursuant to this article shall be entitled to reasonable attorney's fees and court costs, and the court may impose a civil penalty of up to five hundred dollars (\$500) for each violation, except that each identical violation shall be subject to only one penalty if the violation affects each member of the association equally. A prevailing association shall not recover any costs, unless the court finds the action to be frivolous, unreasonable, or without foundation.

(c) A cause of action under Section 1363.03 with respect to access to association resources by a candidate or member advocating a point of view, the receipt of a ballot by a member, or the counting, tabulation, or reporting of, or access to, ballots for inspection and review after tabulation may be brought in small claims court if the amount of the demand does not exceed the jurisdiction of that court.

(a) Unless otherwise provided in the declaration of a common interest development, the association is responsible for repairing, replacing, or maintaining the common areas, other than exclusive use common areas, and the owner of each separate interest is responsible for maintaining that separate interest and any exclusive use common area appurtenant to the separate interest.

(b) (1) In a community apartment project, condominium project, or stock cooperative, as defined in Section 1351, unless otherwise provided in the declaration, the association is responsible for the repair and maintenance of the common area occasioned by the presence of wood-destroying pests or organisms.

(2) In a planned development as defined in Section 1351, unless a different maintenance scheme is provided in the declaration, each owner of a separate interest is responsible for the repair and maintenance of that separate interest as may be occasioned by the presence of wood-destroying pests or organisms. Upon approval of the majority of all members of the association, the responsibility for such repair and maintenance may be delegated to the association, which shall be entitled to recover the cost thereof as a special assessment.

(c) The costs of temporary relocation during the repair and maintenance of the areas within the responsibility of the association shall be borne by the owner of the separate interest affected.

(d) (1) The association may cause the temporary, summary removal of any occupant of a common interest development for such periods and at such

times as may be necessary for prompt, effective treatment of wood-destroying pests or organisms.

(2) The association shall give notice of the need to temporarily vacate a separate interest to the occupants and to the owners, not less than 15 days nor more than 30 days prior to the date of the temporary relocation. (3) Notice by the association shall be deemed complete upon either:

(B) By sending a copy of the notice to the occupants at the separate interest address and a copy of the notice to the owners, if different than the occupants, by first-class mail, postage prepaid, at the most current address shown on the books of the association.

(e) For purposes of this section, "occupant" means an owner, resident, guest, invitee, tenant, lessee, sublessee, or other person in possession on the separate interest.

The access shall be subject to the consent of the association, whose approval shall not be unreasonably withheld, and which may include the association's approval of telephone wiring upon the exterior of the common areas, and other conditions as the association determines reasonable.

Article 2. Fiscal Matters

§1365. Documents Prepared and Distributed by the Association

Unless the governing documents impose more stringent standards, the association shall prepare and distribute to all of its members the following documents:

(1) The estimated revenue and expenses on an accrual basis.

(2) A summary of the association's reserves based upon the most recent review or study conducted pursuant to Section 1365.5, based only on assets held in cash or cash equivalents, which shall be printed in boldface type and include all of the following:

(ii) The current amount of accumulated cash reserves actually set aside to repair, replace, restore, or maintain major components.

These amounts shall be reported at the end of the fiscal year for which the study is prepared as separate line items under cash reserves pursuant to clause (ii). *Instead* of complying with the requirements set forth in this clause, an association that is obligated to issue a review of their financial statement pursuant to subdivision (b) may include in the review a statement containing all of the information required by this clause.

(C) The percentage that the amount determined for purposes of clause (ii) of subparagraph (B) equals

the amount determined for purposes of clause (i) of subparagraph (B).

(4) A general statement addressing the procedures used for the calculation and establishment of those reserves to defray the future repair, replacement, or additions to those major components that the association is obligated to maintain. The report shall include, but need not be limited to, reserve calculations made using the formula described in paragraph (4) of subdivision (b) of Section 1365.2.5, and may not assume a rate of return on cash reserves in excess of 2 percent above the *discount* rate published by the Federal Reserve Bank of San Francisco at the time the calculation was made.

The summary of the association's reserves disclosed pursuant to paragraph (2) shall not be admissible in evidence to show improper financial management of an association, provided that other relevant and competent evidence of the financial condition of the association is not made inadmissible by this provision.

Notwithstanding a contrary provision in the governing documents, a copy of the operating budget shall be annually distributed not less than 30 days nor more than 90 days prior to the beginning of the association's fiscal year.

(b) A review of the financial statement of the association shall be prepared in accordance with generally accepted accounting principles by a licensee of the California Board of Accountancy for any fiscal year in which the gross income to the association exceeds seventy-five thousand dollars (\$75,000). A copy of the review of the financial statement shall be distributed within 120 days after the close of each fiscal year.

(c) *Instead* of the distribution of the pro forma operating budget required by subdivision (a), the

board of directors may elect to distribute a summary of the pro forma operating budget to all its members with a written notice that the pro forma operating budget is available at the business office of the association or at another suitable location within the boundaries of the development and that copies will be provided upon request and at the expense of the association. If any member requests that a copy of the pro forma operating budget required by subdivision (a) be mailed to the member, the association shall provide the copy to the member by first-class United States mail at the expense of the association and delivered within five days. The written notice that is distributed to each of the association members shall be in at least 10-point boldface type on the front page of the summary of the budget.

(d) A statement describing the association's policies and practices in enforcing lien rights or other legal remedies for default in payment of its assessments against its members shall be annually delivered to the members not less than 30 days nor more than 90 days immediately preceding the beginning of the association's fiscal year.

(e) (1) A summary of the association's property, general liability, earthquake, flood, and fidelity insurance policies, which shall be distributed not less than 30 days nor more than 90 days preceding the beginning of the association's fiscal year, that includes all of the following information about each policy:

- (A) The name of the insurer.
- (B) The type of insurance.
- (C) The policy limits of the insurance.
- (D) The amount of deductibles, if any.

(2) The association shall, as soon as reasonably practical, notify its members by first-class mail if any of the policies described in paragraph (1) have lapsed, been canceled, and are not immediately renewed, restored, or replaced, or if there is a significant change, such as a reduction in coverage or limits or an increase in the deductible, for any of those policies. If the association receives any notice of nonrenewal of a policy described in paragraph (1), the association shall immediately notify its members if replacement coverage will not be in effect by the date the existing coverage will lapse.

(3) To the extent that any of the information required to be disclosed pursuant to paragraph (1) is specified in the insurance policy declaration page, the association may meet its obligation to disclose that

information by making copies of that page and distributing it to all of its members.

(4) The summary distributed pursuant to paragraph (1) shall contain, in at least 10-point boldface type, the following statement:

"This summary of the association's policies of insurance provides only certain information, as required by subdivision (e) of Section 1365 of the Civil Code, and should not be considered a substitute for the complete policy terms and conditions contained in the actual policies of insurance. Any association member may, upon request and provision of reasonable notice, review the association's insurance policies and, upon request and payment of reasonable duplication charges, obtain copies of those policies. Although the association maintains the policies of insurance specified in this summary, the association's policies of insurance may not cover your property, including personal property or,⁵ real property improvements to or around your dwelling, or personal injuries or other losses that occur within or around your dwelling. Even if a loss is covered, you may nevertheless be responsible for paying all or a portion of any deductible that applies. Association members should consult with their individual insurance broker or agent for appropriate additional coverage."

§1365.1. Statutory Notice; Assessment Collection and Foreclosure; Secondary Addresses for Purposes of Notices Required in This Article

(a) The association shall distribute the written notice described in subdivision (b) to each member of the association during the 60-day period immediately preceding the beginning of the association's fiscal year. The notice shall be printed in at least 12-point type. An association distributing the notice to an owner of an interest that is described in Section 11212 of the Business and Professions Code that is not otherwise exempt from this section pursuant to subdivision (a) of Section 11211.7, may delete from the notice described in subdivision (b) the portion regarding meetings and payment plans.

(b) The notice required by this section shall read as follows:

⁵ This comma should probably not appear.

“NOTICE

ASSESSMENTS AND FORECLOSURE

This notice outlines some of the rights and responsibilities of owners of property in common interest developments and the associations that manage them. Please refer to the sections of the Civil Code indicated for further information. A portion of the information in this notice applies only to liens recorded on or after January 1, 2003. You may wish to consult a lawyer if you dispute an assessment.

ASSESSMENTS AND FORECLOSURE⁶

Assessments become delinquent 15 days after they are due, unless the governing documents provide for a longer time. The failure to pay association assessments may result in the loss of an owner's property *through foreclosure. Foreclosure may occur either as a result of a court action, known as judicial foreclosure or without court action, often referred to as nonjudicial foreclosure. For liens recorded on or after January 1, 2006, an association may not use judicial or nonjudicial foreclosure to enforce that lien if the amount of the delinquent assessments or dues, exclusive of any accelerated assessments, late charges, fees, attorney's fees, interest, and costs of collection, is less than one thousand eight hundred dollars (\$1,800). For delinquent assessments or dues in excess of one thousand eight hundred dollars (\$1,800) or more than 12 months delinquent, an association may use judicial or nonjudicial foreclosure subject to the conditions set forth in Section 1367.4 of the Civil Code.* When using *judicial or nonjudicial foreclosure*, the association records a lien on the owner's property. The owner's property may be sold to satisfy the lien if the *amounts secured by the lien are not paid.* (Sections 1366, 1367.1, and 1367.4 of the Civil Code)

In a *judicial or nonjudicial foreclosure*, the association may recover assessments, reasonable costs of collection, reasonable attorney's fees, late charges, and interest. The association may not use nonjudicial foreclosure to collect fines or penalties, except for costs to repair common areas damaged by a member or a member's guests, if the governing documents provide for this. (Sections 1366 and 1367.1 of the Civil Code)

The association must comply with the requirements of Section 1367.1 of the Civil Code when collecting delinquent assessments. If the association fails to follow these requirements, it may not record a lien on the owner's property until it has satisfied those requirements. Any additional costs that result from

satisfying the requirements are the responsibility of the association. (Section 1367.1 of the Civil Code)

At least 30 days prior to recording a lien on an owner's separate interest, the association must provide the owner of record with certain documents by certified mail, *including* a description of its collection and lien enforcement procedures and the method of calculating the amount. It must also provide an itemized statement of the charges owed by the owner. An owner has a right to review the association's records to verify the debt. (Section 1367.1 of the Civil Code)

If a lien is recorded against an owner's property in error, the person who recorded the lien is required to record a lien release within 21 days, and to provide an owner certain documents in this regard. (Section 1367.1 of the Civil Code)

The collection practices of the association may be governed by state and federal laws regarding fair debt collection. Penalties can be imposed for debt collection practices that violate these laws.

PAYMENTS

When an owner makes a payment, he or she may request a receipt, and the association is required to provide it. On the receipt, the association must indicate the date of payment and the person who received it. The association must inform owners of a mailing address for overnight payments. (Section 1367.1 of the Civil Code)

An owner may dispute an assessment debt by *submitting* a written *request for dispute resolution to the association as set forth in Article 5 (commencing with Section 1368.810) of Chapter 4 of Title 6 of Division 2 of the Civil Code. In addition, an association may not initiate a foreclosure without participating in alternative dispute resolution with a neutral third party as set forth in Article 2 (commencing with Section 1369.510) of Chapter 7 of Title 6 of Division 2 of the Civil Code, if so requested by the owner. Binding arbitration shall not be available if the association intends to initiate a judicial foreclosure.*

An owner is not liable for charges, interest, and costs of collection, if it is established that the assessment was paid properly on time. (Section 1367.1 of the Civil Code)

⁶ The word "NONJUDICIAL" was deleted effective January 1, 2006, resulting in a duplicate heading.

MEETINGS AND PAYMENT PLANS

An owner of a separate interest that is not a *timeshare* may request the association to consider a payment plan to satisfy a delinquent assessment. The association must inform owners of the standards for payment plans, if any exist. (Section 1367.1 of the Civil Code)

The board of directors must meet with an owner who makes a proper written request for a meeting to discuss a payment plan when the owner has received a notice of a delinquent assessment. These payment plans must conform with the payment plan standards of the association, if they exist. (Section 1367.1 of the Civil Code)"

(c) *A member of an association may provide written notice by facsimile transmission or United States mail to the association of a secondary address. If a secondary address is provided, the association shall send any and all correspondence and legal notices required pursuant to this article to both the primary and the secondary address.*

(iii) *A member of the association may opt out of the sharing of his or her name, property address, and mailing address by notifying the association in writing that he or she prefers to be contacted via the alternative process described in subdivision (c) of Section 8330 of the Corporations Code. The association may bill the requesting member for the direct and actual cost of copying requested documents. The association shall inform the member of the amount of the copying costs before copying the requested documents.

(2) A member of the association may designate another person to inspect and copy the specified association records on the member's behalf. The member shall make this designation in writing.

(c) (1) The association shall make the specified association records available for inspection and copying in the association's business office within the common interest development.

(3) If the association and the requesting member cannot agree upon a place for inspection and copying pursuant to paragraph (2), or if the requesting member submits a written request directly to the association for copies of specifically identified records, the association may satisfy the requirement to make the association records available for inspection and copying by mailing copies of the specifically identified records to the member by first-class mail within the timeframes set forth in subdivision (j).

(4) The association may bill the requesting member for the direct and actual cost of copying and mailing requested documents. enhanced association records as provided in paragraph (2) of subdivision (a). The association shall inform the member of the estimated costs, and the member shall agree to pay those costs, before retrieving the requested documents.

(d) (1) Except as provided in paragraph (2), the association may withhold or redact information from the association records for any of the following reasons:

(A) The release of the information is reasonably likely to lead to identity theft. For the purposes of this section, "identity theft" means the unauthorized use of another person's personal identifying information to obtain credit, goods, services, money, or property. Examples of information that may be withheld or redacted pursuant to this paragraph include bank account numbers of members or vendors, social security or tax identification numbers, and check, stock,⁷ and credit card numbers.

(B) The release of the information is reasonably likely to lead to fraud in connection with the association.

(C) The information is privileged under law. Examples include documents subject to attorney-client privilege or relating to litigation in which the association is or may become involved, and confidential settlement agreements.

(D) The release of the information is reasonably likely to compromise the privacy of an individual member of the association.

(E) The information contains any of the following:

(i) Records of a-la-carte goods or services provided to individual members of the association for which the association received monetary consideration other than assessments.

(ii) Records of disciplinary actions, collection activities, or payment plans of homeowners other than the homeowner requesting the records.

(3) No association, officer, director, employee, agent or volunteer of an association shall be liable for damages to a member of the association as the result of identity theft or other breach of privacy because of the failure to withhold or redact that member's information under this subdivision unless the failure to withhold or redact the information was intentional, willful, or negligent.

(4) If requested by the requesting homeowner, an association that denies or redacts records shall provide a written explanation specifying the legal basis for withholding or redacting the requested records.

(e) (1) The association records, and any information from them, may not be sold, used for commercial purpose, or used for any other purpose not reasonably related to a member's interest as a member. An association may bring an action against any person who violates this section for injunctive relief and for actual damages to the association caused by the violation.

(2) This section may not be construed to limit the right of an association to damages for misuse of information obtained from the association records pursuant to this section or to limit the right of an association to injunctive relief to stop the misuse of this information.

(3) An association shall be entitled to recover reasonable costs and expenses, including reasonable attorney's fees, in a successful action to enforce its rights under this section.

(f) A member of an association may bring an action to enforce the member's right to inspect and copy the association records. If a court finds that the association unreasonably withheld access to the

association records, the court shall award the member reasonable costs and expenses, including reasonable attorney's fees, and may assess a civil penalty of up to five hundred dollars (\$500) for the denial of each separate written request. A cause of action under this section may be brought in small claims court if the amount of the demand does not exceed the jurisdiction of that court. A prevailing association may recover any costs if the court finds the action to be frivolous, unreasonable, or without foundation.

(g) The provisions of this section apply to any community service organization or similar entity, as defined in paragraph (3) of subdivision (c) of Section 1368, that is related to the association, and this section shall operate to give a member of the community service organization or similar entity a right to inspect and copy the records of that organization or entity equivalent to that granted to association members by this section.

(h) Requesting parties shall have the option of receiving specifically identified records by electronic transmission or machine-readable storage media as long as those records can be transmitted in a redacted format that does not allow the records to be altered. (m) As applied to an association and its members, the provisions of this section are intended to supersede the provisions of Sections 8330 and 8333 of the Corporations Code to the extent those sections are inconsistent.

(n) The provisions of this section shall not apply to any common interest development in which separate interests are being offered for sale by a subdivider under the authority of a public report issued by the Department of Real Estate so long as the subdivider or all subdividers offering those separate interests for sale, or any employees of those subdividers or any other person who receives direct or indirect compensation from any of those subdividers, comprise a majority of the members of the board of directors of the association. Notwithstanding the foregoing this section shall apply to that common interest development no later than 10 years after the close of escrow for the first sale of a separate interest to a member of the general public pursuant to the public report issued for the first phase of the development.

(o) The¹¹ section shall become operative on July 1, 2006.

§1365.2.5. Form; Assessment and Reserve Funding Disclosure Summary

(a) The disclosures required by this article in regard to an association or a property shall be summarized on the following form:

Assessment and Reserve Funding Disclosure Summary

(1) The current assessment per unit is \$_____ per _____.

Note: If assessments vary by the size or type of unit, the assessment applicable to this unit may be found on page _____ of the attached report.

(2) Additional assessments that have already been scheduled to be imposed or charged, regardless of the purpose, if they have been approved by the board and/or members:

Note: If assessments vary by the size or type of unit, the assessment applicable to this unit may be found on page _____ of the attached report.

<i>Date assessment is due:</i>	<i>Amount per unit per month (If assessments are variable, see note immediately below):</i>	<i>Purpose of the assessment:</i>
	<i>Total:</i>	

(3) Based upon the most recent reserve study and other information available to the board of directors, will currently projected reserve account balances be sufficient at the end of each year to meet the association's obligation for repair and/or replacement of major components during the next 30 years?

Yes _____ No _____

(4) If the answer to (3) is no, what additional assessments or other contributions to reserves would be necessary to ensure that sufficient reserve funds will be available each year during the next 30 years?

<i>Approximate date assessment will be due:</i>	<i>Amount per unit per month:</i>
	<i>Total:</i>

(5) The following major components, which are included in the reserve study, are NOT included in the existing reserve funding:

<i>Major component:</i>	<i>Useful remaining life in years:</i>	<i>Reason this major component was not included:</i>

¹⁰ No subdivision (k) was included.

¹¹ Should probably be "This."

(6) As of the last reserve study or update, the current balance in the reserve fund is \$_____. Based on the method of calculation in paragraph (4) of subdivision (b) of Section 1365.2.5, the required amount in the reserve fund is \$_____, and if an alternate, but generally accepted, method of calculation is also used, the required amount is \$_____. (See attached explanation)

NOTE: The financial representations set forth in this summary are based on the best estimates of the preparer at that time. The estimates are subject to change.

(b) For the purposes of preparing a summary pursuant to this section:

(1) "Estimated remaining useful life" means the time reasonably calculated to remain before a major component will require replacement.

(2) "Major component" has the meaning used in Section 1365.5. Components with an estimated remaining useful life of more than 30 years may be included in a study as a capital asset or disregarded from the reserve calculation, so long as the decision is revealed in the reserve study report and reported in the Assessment and Reserve Funding Disclosure Summary.

(3) The form set out in subdivision (a) shall accompany each pro forma operating budget or summary thereof that is delivered pursuant to this article. The form may be supplemented or modified to clarify the information delivered, so long as the minimum information set out in subdivision (a) is provided.

(4) For the purpose of the report and summary, the amount of reserves needed to be accumulated for a component at a given time shall be computed as the current cost of replacement or repair multiplied by the number of years the component has been in service divided by the useful life of the component. This shall not be construed to require the board to fund reserves in accordance with this calculation.

§1365.3. Community Service Organizations; Financial Disclosures

Unless the governing documents impose more stringent standards, any community service organization as defined in paragraph (3) of subdivision (c) of Section 1368 whose funding from the association or its members exceeds 10 percent of the organization's annual budget shall prepare and distribute to the

association a report that meets the requirements of Section 5012 of the Corporations Code, and that describes in detail administrative costs and identifies the payees of those costs in a manner consistent with the provisions of Section 1365.2. If the community service organization does not comply with the standards, the report shall disclose the noncompliance in detail. If a community service organization is responsible for the maintenance of major components for which an association would otherwise be responsible, the community service organization shall supply to the association the information regarding those components that the association would use to complete disclosures and reserve reports required under this article. An association may rely upon information received from a community service organization, and shall provide access to the information pursuant to the provisions of Section 1365.2.

§1365.5. Board of Directors; Duties; Operating and Reserve Accounts; Borrowing From Reserve Accounts; Notice to Members; Visual Inspection of Components; Study of Reserve Accounts

(a) Unless the governing documents impose more stringent standards, the board of directors of the association shall do all of the following:

(1) Review a current reconciliation of the association's operating accounts on at least a quarterly basis.

(2) Review a current reconciliation of the association's reserve accounts on at least a quarterly basis.

(3) Review, on at least a quarterly basis, the current year's actual reserve revenues and expenses compared to the current year's budget.

(4) Review the latest account statements prepared by the financial institutions where the association has its operating and reserve accounts.

(5) Review an income and expense statement for the association's operating and reserve accounts on at least a quarterly basis.

(b) The signatures of at least two persons, who shall be members of the association's board of directors, or one officer who is not a member of the board of directors and a member of the board of directors, shall be required for the withdrawal of moneys from the association's reserve accounts.

(c) (1) The board of directors shall not expend funds designated as reserve funds for any purpose other than the repair, restoration, replacement, or maintenance of, or litigation involving the repair, restoration, replacement, or maintenance of, major components which the association is obligated to repair, restore, replace, or maintain and for which the reserve fund was established.

(2) However, the board may authorize the temporary transfer of moneys from a reserve fund to the association's general operating fund to meet short-term cashflow requirements or other expenses, if the board has provided notice of the intent to consider the transfer in a notice of meeting, which shall be provided as specified in Section 1363.05. The notice shall include the reasons the transfer is needed, some of the options for repayment, and whether a special assessment may be considered. If the board authorizes the transfer, the board shall issue a written finding, recorded in the board's minutes, explaining the reasons that the transfer is needed, and describing when and how the moneys will be repaid to the reserve fund. The transferred funds shall be restored to the reserve fund within one year of the date of the initial transfer, except that the board may, after giving the same notice required for considering a transfer, and, upon making a finding supported by documentation that a temporary delay would be in the best interests of the common interest development, temporarily delay the restoration. The board shall exercise prudent fiscal management in maintaining the integrity of the reserve account, and shall, if necessary, levy a special assessment to recover the full amount of the expended funds within the time limits required by this section. This special assessment is subject to the limitation imposed by Section 1366. The board may, at its discretion, extend the date the payment on the special assessment is due. Any extension shall not prevent the board from pursuing any legal remedy to enforce the collection of an unpaid special assessment.

(d) When the decision is made to use reserve funds or to temporarily transfer moneys from the reserve fund to pay for litigation, the association shall notify the members of the association of that decision in the next available mailing to all members pursuant to Section 5016 of the Corporations Code, and of the availability of an accounting of those expenses. Unless the governing documents impose more stringent standards, the association shall make an accounting of expenses related to the litigation on at least a quarterly basis. The accounting shall be made available for

inspection by members of the association at the association's office.

(e) At least once every three years, the board of directors shall cause to be conducted a reasonably competent and diligent visual inspection of the accessible areas of the major components which the association is obligated to repair, replace, restore, or maintain as part of a study of the reserve account requirements of the common interest development, if the current replacement value of the major components is equal to or greater than one-half of the gross budget of the association which excludes the association's reserve account for that period. The board shall review this study, or cause it to be reviewed, annually and shall consider and implement necessary adjustments to the board's analysis of the reserve account requirements as a result of that review.

The study required by this subdivision shall at a minimum include:

(1) Identification of the major components which the association is obligated to repair, replace, restore, or maintain which, as of the date of the study, have a remaining useful life of less than 30 years.

(2) Identification of the probable remaining useful life of the components identified in paragraph (1) as of the date of the study.

(3) An estimate of the cost of repair, replacement, restoration, or maintenance of the components identified in paragraph (1).

(4) An estimate of the total annual contribution necessary to defray the cost to repair, replace, restore, or maintain the components identified in paragraph (1) during and at the end of their useful life, after subtracting total reserve funds as of the date of the study.

(f) As used in this section, "reserve accounts" means both of the following:

(1) Moneys that the association's board of directors has identified for use to defray the future repair or replacement of, or additions to, those major components which the association is obligated to maintain.

(2) The funds received and not yet expended or disposed from either a compensatory damage award or settlement to an association from any person or entity for injuries to property, real or personal, arising from any construction or design defects. These funds shall

be separately itemized from funds described in paragraph (1).

(g) As used in this section, "reserve account requirements" means the estimated funds which the association's board of directors has determined are required to be available at a specified point in time to repair, replace, or restore those major components which the association is obligated to maintain.

(h) This section does not apply to an association that does not have a "common area" as defined in Section 1351.

Article 3.

Insurance

§1365.7. Tortious Act or Omission of Volunteer Officer or Director of Association Managing Residential Development; Liability; Criteria; Limitations

(a) A volunteer officer or volunteer director of an association, as defined in subdivision (a) of Section 1351, which manages a common interest development that is exclusively residential, shall not be personally liable in excess of the coverage of insurance specified in paragraph (4) to any person who suffers injury, including, but not limited to, bodily injury, emotional distress, wrongful death, or property damage or loss as a result of the tortious act or omission of the volunteer officer or volunteer director if all of the following criteria are met:

(1) The act or omission was performed within the scope of the officer's or director's association duties.

(2) The act or omission was performed in good faith.

(3) The act or omission was not willful, wanton, or grossly negligent.

(4) The association maintained and had in effect at the time the act or omission occurred and at the time a claim is made one or more policies of insurance which shall include coverage for (A) general liability of the association and (B) individual liability of officers and directors of the association for negligent acts or omissions in that capacity; provided, that both types of coverage are in the following minimum amount:

(A) At least five hundred thousand dollars (\$500,000) if the common interest development consists of 100 or fewer separate interests.

(B) At least one million dollars (\$1,000,000) if the common interest development consists of more than 100 separate interests.

(b) The payment of actual expenses incurred by a director or officer in the execution of the duties of that position does not affect the director's or officer's status as a volunteer within the meaning of this section.

(c) An officer or director who at the time of the act or omission was a declarant, as defined in subdivision (g) of Section 1351, or who received either direct or indirect compensation as an employee from the declarant, or from a financial institution that purchased a separate interest, as defined in subdivision (l) of Section 1351, at a judicial or nonjudicial foreclosure of a mortgage or deed of trust on real property, is not a volunteer for the purposes of this section.

(d) Nothing in this section shall be construed to limit the liability of the association for its negligent act or omission or for any negligent act or omission of an officer or director of the association.

(e) This section shall only apply to a volunteer officer or director who is a tenant of a separate interest in the common interest development or is an owner of no more than two separate interests in the common interest development.

(f) (1) For purposes of paragraph (1) of subdivision (a), the scope of the officer's or director's association duties shall include, but shall not be limited to, both of the following decisions:

(A) Whether to conduct an investigation of the common interest development for latent deficiencies prior to the expiration of the applicable statute of limitations.

(B) Whether to commence a civil action against the builder for defects in design or construction.

(2) It is the intent of the Legislature that this section clarify the scope of association duties to which the protections against personal liability in this section apply. It is not the intent of the Legislature that these clarifications be construed to expand, or limit, the fiduciary duties owed by the directors or officers.

§1365.9 Member Limited Immunity; General Liability Insurance

(a) It is the intent of the Legislature to offer civil liability protection to owners of the separate interests in a common interest development that have common areas owned in tenancy-in-common if the association

carries a certain level of prescribed insurance that covers a cause of action in tort.

(b) Any cause of action in tort against any owner of a separate interest arising solely by reason of an ownership interest as a tenant in common in the common area of a common interest development shall be brought only against the association and not against the individual owners of the separate interests, as defined in subdivision (l) of Section 1351, if both of the insurance requirements in paragraphs (1) and (2) are met:

(1) The association maintained and has in effect for this cause of action, one or more policies of insurance which include coverage for general liability of the association.

(2) The coverage described in paragraph (1) is in the following minimum amounts:

(A) At least two million dollars (\$2,000,000) if the common interest development consists of 100 or fewer separate interests.

(B) At least three million dollars (\$3,000,000) if the common interest development consists of more than 100 separate interests.

Article 4.

Assessments

§1366. Levy of Assessments; Limitation on Increases; Delinquent Assessments; Interest

(a) Except as provided in this section, the association shall levy regular and special assessments sufficient to perform its obligations under the governing documents and this title. However, annual increases in regular assessments for any fiscal year, as authorized by subdivision (b), shall not be imposed unless the board has complied with subdivision (a) of Section 1365 with respect to that fiscal year, or has obtained the approval of owners, constituting a quorum, casting a majority of the votes at a meeting or election of the association conducted in accordance with Chapter 5 (commencing with Section 7510) of Part 3 of Division 2 of Title 1 of the Corporations Code and Section 7613 of the Corporations Code. For the purposes of this section, "quorum" means more than 50 percent of the owners of an association.

(b) Notwithstanding more restrictive limitations placed on the board by the governing documents, the

board of directors may not impose a regular assessment that is more than 20 percent greater than the regular assessment for the association's preceding fiscal year or impose special assessments which in the aggregate exceed 5 percent of the budgeted gross expenses of the association for that fiscal year without the approval of owners, constituting a quorum, casting a majority of the votes at a meeting or election of the association conducted in accordance with Chapter 5 (commencing with Section 7510) of Part 3 of Division 2 of Title 1 of the Corporations Code and Section 7613 of the Corporations Code. For the purposes of this section, quorum means more than 50 percent of the owners of an association. This section does not limit assessment increases necessary for emergency situations. For purposes of this section, an emergency situation is any one of the following:

(1) An extraordinary expense required by an order of a court.

(2) An extraordinary expense necessary to repair or maintain the common interest development or any part of it for which the association is responsible where a threat to personal safety on the property is discovered.

(3) An extraordinary expense necessary to repair or maintain the common interest development or any part of it for which the association is responsible that could not have been reasonably foreseen by the board in preparing and distributing the pro forma operating budget under Section 1365. However, prior to the imposition or collection of an assessment under this subdivision, the board shall pass a resolution containing written findings as to the necessity of the extraordinary expense involved and why the expense was not or could not have been reasonably foreseen in the budgeting process, and the resolution shall be distributed to the members with the notice of assessment.

(4) An extraordinary expense in making the first payment of the earthquake insurance surcharge pursuant to Section 5003 of the Insurance Code.¹²

(c) Regular assessments imposed or collected to perform the obligations of an association under the governing documents or this title shall be exempt from execution by a judgment creditor of the association only to the extent necessary for the association to perform essential services, such as paying for utilities and insurance. In determining the appropriateness of an exemption, a court shall ensure that only essential services are protected under this subdivision.

¹² Section 5003 of the Insurance Code has been repealed.

This exemption shall not apply to any consensual pledges, liens, or encumbrances that have been approved by the owners of an association, constituting a quorum, casting a majority of the votes at a meeting or election of the association, or to any state tax lien, or to any lien for labor or materials supplied to the common area.

(d) The association shall provide notice by first-class mail to the owners of the separate interests of any increase in the regular or special assessments of the association, not less than 30 nor more than 60 days prior to the increased assessment becoming due.

(e) Regular and special assessments levied pursuant to the governing documents are delinquent 15 days after they become due, unless the declaration provides a longer time period, in which case the longer time period shall apply. If an assessment is delinquent the association may recover all of the following:

(1) Reasonable costs incurred in collecting the delinquent assessment, including reasonable attorney's fees.

(2) A late charge not exceeding 10 percent of the delinquent assessment or ten dollars (\$10), whichever is greater, unless the declaration specifies a late charge in a smaller amount, in which case any late charge imposed shall not exceed the amount specified in the declaration.

(3) Interest on all sums imposed in accordance with this section, including the delinquent assessments, reasonable fees and costs of collection, and reasonable attorney's fees, at an annual interest rate not to exceed 12 percent, commencing 30 days after the assessment becomes due, unless the declaration specifies the recovery of interest at a rate of a lesser amount, in which case the lesser rate of interest shall apply.

(f) Associations are hereby exempted from interest-rate limitations imposed by Article XV of the California Constitution, subject to the limitations of this section.

§1366.1. Limitation on Imposition or Collection of Assessments or Fees

An association shall not impose or collect an assessment or fee that exceeds the amount necessary to defray the costs for which it is levied.

§1366.2. Statement Identifying Party Authorized to Receive Assessments

(a) In order to facilitate the collection of regular assessments, special assessments, transfer fees, and similar charges, the board of directors of any association is authorized to record a statement or amended statement identifying relevant information for the association. This statement may include any or all of the following information:

(1) The name of the association as shown in the conditions, covenants, and restrictions or the current name of the association, if different.

(2) The name and address of a managing agent or treasurer of the association or other individual or entity authorized to receive assessments and fees imposed by the association.

(3) A daytime telephone number of the authorized party identified in paragraph (2) if a telephone number is available.

(4) A list of separate interests subject to assessment by the association, showing the assessor's parcel number or legal description, or both, of the separate interests.

(5) The recording information identifying the declaration or declarations of covenants, conditions, and restrictions governing the association.

(6) If an amended statement is being recorded, the recording information identifying the prior statement or statements which the amendment is superseding.

(b) The county recorder is authorized to charge a fee for recording the document described in subdivision (a), which fee shall be based upon the number of pages in the document and the recorder's per-page recording fee.

§1366.3. Disputed Assessments; Payment Under Protest; Notice

[Former Section 1366.3 was repealed effective January 1, 2006.]

§1367. Assessments; Debt of Owner; Notice; Lien; Monetary Penalties; Enforcement of Liens; Application to Liens Recorded Prior to January 1, 2003

(a) A regular or special assessment and any late charges, reasonable costs of collection, and interest, as assessed in accordance with Section 1366, shall be a

debt of the owner of the separate interest at the time the assessment or other sums are levied. Before an association may place a lien upon the separate interest of an owner to collect a debt which is past due under this subdivision, the association shall notify the owner in writing by certified mail of the fee and penalty procedures of the association, provide an itemized statement of the charges owed by the owner, including items on the statement which indicate the assessments owed, any late charges and the method of calculation, any attorney's fees, and the collection practices used by the association, including the right of the association to the reasonable costs of collection. In addition, any payments toward that debt shall first be applied to the assessments owed, and only after the principal owed is paid in full shall the payments be applied to interest or collection expenses.

(b) The amount of the assessment, plus any costs of collection, late charges, and interest assessed in accordance with Section 1366, shall be a lien on the owner's interest in the common interest development from and after the time the association causes to be recorded with the county recorder of the county in which the separate interest is located, a notice of delinquent assessment, which shall state the amount of the assessment and other sums imposed in accordance with Section 1366, a legal description of the owner's interest in the common interest development against which the assessment and other sums are levied, the name of the record owner of the owner's interest in the common interest development against which the lien is imposed, and, in order for the lien to be enforced by nonjudicial foreclosure as provided in subdivision (e) the name and address of the trustee authorized by the association to enforce the lien by sale. The notice of delinquent assessment shall be signed by the person designated in the declaration or by the association for that purpose, or if no one is designated, by the president of the association, and mailed in the manner set forth in Section 2924b, to all record owners of the owner's interest in the common interest development no later than 10 calendar days after recordation. Upon payment of the sums specified in the notice of delinquent assessment, the association shall cause to be recorded a further notice stating the satisfaction and release of the lien thereof. A monetary penalty imposed by the association as a means of reimbursing the association for costs incurred by the association in the repair of damage to common areas and facilities for which the member or the member's guests or tenants were responsible may become a lien against the member's separate interest enforceable by the sale of the interest under Sections 2924, 2924b, and 2924c,

provided the authority to impose a lien is set forth in the governing documents. It is the intent of the Legislature not to contravene Section 2792.26 of Title 10 of the California Code of Regulations, as that section appeared on January 1, 1996, for associations of subdivisions that are being sold under authority of a subdivision public report, pursuant to Part 2 (commencing with Section 11000) of Division 4 of the Business and Professions Code.

(c) Except as indicated in subdivision (b), a monetary penalty imposed by the association as a disciplinary measure for failure of a member to comply with the governing instruments, except for the late payments, may not be characterized nor treated in the governing instruments as an assessment which may become a lien against the member's subdivision interest enforceable by the sale of the interest under Sections 2924, 2924b, and 2924c.

(d) A lien created pursuant to subdivision (b) shall be prior to all other liens recorded subsequent to the notice of assessment, except that the declaration may provide for the subordination thereof to any other liens and encumbrances.

(e) After the expiration of 30 days following the recording of a lien created pursuant to subdivision (b), the lien may be enforced in any manner permitted by law, including sale by the court, sale by the trustee designated in the notice of delinquent assessment, or sale by a trustee substituted pursuant to Section 2934a. Any sale by the trustee shall be conducted in accordance with the provisions of Sections 2924, 2924b, and 2924c applicable to the exercise of powers of sale in mortgages and deeds of trusts.

(f) Nothing in this section or in subdivision (a) of Section 726 of the Code of Civil Procedure prohibits actions against the owner of a separate interest to recover sums for which a lien is created pursuant to this section or prohibits an association from taking a deed in lieu of foreclosure.

(g) This section only applies to liens recorded on or after January 1, 1986 and prior to January 1, 2003.

§1367.1. Assessments; Debt of Owner; Notice; Lien; Monetary Penalties; Enforcement of Liens; Application Liens Recorded On or After January 1, 2003

(a) A regular or special assessment and any late charges, reasonable fees and costs of collection, reasonable attorney's fees, if any, and interest, if any, as determined in accordance with Section 1366, shall be a

debt of the owner of the separate interest at the time the assessment or other sums are levied. At least 30 days prior to recording a lien upon the separate interest of the owner of record to collect a debt that is past due under this subdivision, the association shall notify the owner of record in writing by certified mail of the following:

(1) A general description of the collection and lien enforcement procedures of the association and the method of calculation of the amount, a statement that the owner of the separate interest has the right to inspect the association records, pursuant to Section 8333 of the Corporations Code, and the following statement in 14-point boldface type, if printed, or in capital letters, if typed: "IMPORTANT NOTICE: IF YOUR SEPARATE INTEREST IS PLACED IN FORECLOSURE BECAUSE YOU ARE BEHIND IN YOUR ASSESSMENTS, IT MAY BE SOLD WITHOUT COURT ACTION."

(2) An itemized statement of the charges owed by the owner, including items on the statement which indicate the amount of any delinquent assessments, the fees and reasonable costs of collection, reasonable attorney's fees, any late charges, and interest, if any.

(3) A statement that the owner shall not be liable to pay the charges, interest, and costs of collection, if it is determined the assessment was paid on time to the association.

(4) The right to request a meeting with the board as provided by *paragraph (3) of subdivision (c)*.

(5) *The right to dispute the assessment debt by submitting a written request for dispute resolution to the association pursuant to the association's "meet and confer" program required in Article 5 (commencing with Section 1363.810) of Chapter 4.*

(6) *The right to request alternative dispute resolution with a neutral third party pursuant to Article 2 (commencing with Section 1369.510) of Chapter 7 before the association may initiate foreclosure against the owner's separate interest, except that binding arbitration shall not be available if the association intends to initiate a judicial foreclosure.*

(b) Any payments made by the owner of a separate interest toward the debt set forth, as required in subdivision (a), shall first be applied to the assessments owed, and, only after the assessments owed are paid in full shall the payments be applied to the fees and costs of collection, attorney's fees, late

charges, or interest. When an owner makes a payment, the owner may request a receipt and the association shall provide it. The receipt shall indicate the date of payment and the person who received it. The association shall provide a mailing address for overnight payment of assessments.

(c) (1) (A) *Prior to recording a lien for delinquent assessments, an association shall offer the owner and, if so requested by the owner, participate in dispute resolution pursuant to the association's "meet and confer" program required in Article 5 (commencing with Section 1363.810) of Chapter 4.*

(B) *Prior to initiating a foreclosure for delinquent assessments, an association shall offer the owner and, if so requested by the owner, shall participate in dispute resolution pursuant to the association's "meet and confer" program required in Article 5 (commencing with Section 1363.810) of Chapter 4 or alternative dispute resolution with a neutral third party pursuant to Article 2 (commencing with Section 1369.510) of Chapter 7. The decision to pursue dispute resolution or a particular type of alternative dispute resolution shall be the choice of the owner, except that binding arbitration shall not be available if the association intends to initiate a judicial foreclosure.*

(2) *For liens recorded on or after January 1, 2006, the decision to record a lien for delinquent assessments shall be made only by the board of directors of the association and may not be delegated to an agent of the association. The board shall approve the decision by a majority vote of the board members in an open meeting. The board shall record the vote in the minutes of that meeting.*

(3) An owner, other than an owner of any interest that is described in Section 11212 of the Business and Professions Code that is not otherwise exempt from this section pursuant to subdivision (a) of Section 11211.7, may submit a written request to meet with the board to discuss a payment plan for the debt noticed pursuant to subdivision (a). The association shall provide the owners the standards for payment plans, if any exist. The board shall meet with the owner in executive session within 45 days of the postmark of the request, if the request is mailed within 15 days of the date of the postmark of the notice, unless there is no regularly scheduled board meeting within that period, in which case the board may designate a committee of one or more members to meet with the owner. *Payment plans may incorporate any assessments that accrue during the payment plan period. Payment plans shall not impede an association's ability to record a*

lien on the owner's separate interest to secure payment of delinquent assessments. Additional late fees shall not accrue during the payment plan period if the owner is in compliance with the terms of the payment plan. In the event of a default on any payment plan, the association may resume its efforts to collect the delinquent assessments from the time prior to entering into the payment plan.

(d) The amount of the assessment, plus any costs of collection, late charges, and interest assessed in accordance with Section 1366, shall be a lien on the owner's *separate* interest in the common interest development from and after the time the association causes to be recorded with the county recorder of the county in which the separate interest is located, a notice of delinquent assessment, which shall state the amount of the assessment and other sums imposed in accordance with Section 1366, a legal description of the owner's *separate* interest in the common interest development against which the assessment and other sums are levied, the name of the record owner of the owner's *separate* interest in the common interest development against which the lien is imposed. *The itemized statement of the charges owed by the owner described in paragraph (2) of subdivision (a) shall be recorded together with the notice of delinquent assessment.* In order for the lien to be enforced by nonjudicial foreclosure as provided in subdivision (g), the notice of delinquent assessment shall state the name and address of the trustee authorized by the association to enforce the lien by sale. The notice of delinquent assessment shall be signed by the person designated in the declaration or by the association for that purpose, or if no one is designated, by the president of the association. *A copy of the notice of delinquent assessment shall be mailed by certified mail to every person whose name is shown as an owner of the separate interest in the association's records, and the notice shall be mailed no later than 10 calendar days after recordation.* Within 21 days of payment of the sums specified in the notice of delinquent assessment, the association shall record or cause to be recorded in the office of the county recorder in which the notice of delinquent assessment is recorded a lien release or notice of rescission and provide the owner of the separate interest a copy of the lien release or notice that the delinquent assessment has been satisfied. A monetary charge imposed by the association as a means of reimbursing the association for costs incurred by the association in the repair of damage to common areas and facilities for which the member or the member's guests or tenants were responsible may become a lien against the member's separate interest

enforceable by the sale of the interest under Sections 2924, 2924b, and 2924c, provided the authority to impose a lien is set forth in the governing documents. It is the intent of the Legislature not to contravene Section 2792.26 of Title 10 of the California Code of Regulations, as that section appeared on January 1, 1996, for associations of subdivisions that are being sold under authority of a subdivision public report, pursuant to Part 2 (commencing with Section 11000) of Division 4 of the Business and Professions Code.

(e) Except as indicated in subdivision (d), a monetary penalty imposed by the association as a disciplinary measure for failure of a member to comply with the governing instruments, except for the late payments, may not be characterized or treated in the governing instruments as an assessment that may become a lien against the member's subdivision separate interest enforceable by the sale of the interest under Sections 2924, 2924b, and 2924c.

(f) A lien created pursuant to subdivision (d) shall be prior to all other liens recorded subsequent to the notice of assessment, except that the declaration may provide for the subordination thereof to any other liens and encumbrances.

(g) An association may not voluntarily assign or pledge the association's right to collect payments or assessments, or to enforce or foreclose a lien to a third party, except when the assignment or pledge is made to a financial institution or lender chartered or licensed under federal or state law, when acting within the scope of that charter or license, as security for a loan obtained by the association; however, the foregoing provision may not restrict the right or ability of an association to assign any unpaid obligations of a former member to a third party for purposes of collection. Subject to the limitations of this subdivision, after the expiration of 30 days following the recording of a lien created pursuant to subdivision (d), the lien may be enforced in any manner permitted by law, including sale by the court, sale by the trustee designated in the notice of delinquent assessment, or sale by a trustee substituted pursuant to Section 2934a. Any sale by the trustee shall be conducted in accordance with Sections 2924, 2924b, and 2924c applicable to the exercise of powers of sale in mortgages and deeds of trust. The fees of a trustee may not exceed the amounts prescribed in Sections 2924c and 2924d.

(h) Nothing in this section or in subdivision (a) of Section 726 of the Code of Civil Procedure prohibits actions against the owner of a separate interest to

recover sums for which a lien is created pursuant to this section or prohibits an association from taking a deed in lieu of foreclosure.

(i) If it is determined that a lien previously recorded against the separate interest was recorded in error, the party who recorded the lien shall, within 21 calendar days, record or cause to be recorded in the office of the county recorder in which the notice of delinquent assessment is recorded a lien release or notice of rescission and provide the owner of the separate interest with a declaration that the lien filing or recording was in error and a copy of the lien release or notice of rescission.

(j) *In addition to the requirements of Section 2924, a notice of default shall be served by the association on the owner's legal representative in accordance with the manner of service of summons in Article 3 (commencing with Section 415.10) of Chapter 4 of Title 5 of Part 2 of the Code of Civil Procedure.*

(k) *Upon receipt of a written request by an owner identifying a secondary address for purposes of collection notices, the association shall send additional copies of any notices required by this section to the secondary address provided. The association shall notify owners of their right to submit secondary addresses to the association, at the time the association issues the pro forma operating budget pursuant to Section 1365. The owner's request shall be in writing and shall be mailed to the association in a manner that shall indicate the association has received it. The owner may identify or change a secondary address at any time, provided that, if a secondary address is identified or changed during the collection process, the association shall only be required to send notices to the indicated secondary address from the point the association receives the request.*

(l) (1) An association that fails to comply with the procedures set forth in this section shall, prior to recording a lien, recommence the required notice process.

(2) Any costs associated with recommencing the notice process shall be borne by the association and not by the owner of a separate interest.

(m) This section only applies to liens recorded on or after January 1, 2003.

(n) *This section is subordinate to, and shall be interpreted in conformity with, Section 1367.4.*

§1367.4. Foreclosure of Liens for Assessment Debt Arising On or After January 1, 2006; Amount and Time Thresholds; Small Claims Court Judgments

(a) *Notwithstanding any law or any provisions of the governing documents to the contrary, this section shall apply to debts for assessments that arise on and after January 1, 2006.*

(b) *An association that seeks to collect delinquent regular or special assessments of an amount less than one thousand eight hundred dollars (\$1,800), not including any accelerated assessments, late charges, fees and costs of collection, attorney's fees, or interest, may not collect that debt through judicial or nonjudicial foreclosure, but may attempt to collect or secure that debt in any of the following ways:*

(1) *By a civil action in small claims court, pursuant to Chapter 5.5 (commencing with Section 116.110) of Title 1 of the Code of Civil Procedure. An association that chooses to proceed by an action in small claims court, and prevails, may enforce the judgment as permitted under Article 8 (commencing with Section 116.810) of Title 1 of the Code of Civil Procedure. The amount that may be recovered in small claims court to collect upon a debt for delinquent assessments may not exceed the jurisdictional limits of the small claims court and shall be the sum of the following:*

(A) *The amount owed as of the date of filing the complaint in the small claims court proceeding.*

(B) *In the discretion of the court, an additional amount to that described in subparagraph (A) equal to the amount owed for the period from the date the complaint is filed until satisfaction of the judgment, which total amount may include accruing unpaid assessments and any reasonable late charges, fees and costs of collection, attorney's fees, and interest, up to the jurisdiction limits of the small claims court.*

(2) *By recording a lien on the owner's separate interest upon which the association may not foreclose until the amount of the delinquent assessments secured by the lien, exclusive of any accelerated assessments, late charges, fees and costs of collection, attorney's fees, or interest, equals or exceeds one thousand eight hundred dollars (\$1,800) or the assessments are more than 12 months delinquent. An association that chooses to record a lien under these provisions, prior to recording the lien, shall offer the owner and, if so requested by the owner, participate in dispute*

resolution as set forth in Article 5 (commencing with Section 1368.810¹³) of Chapter 4.

(3) Any other manner provided by law, except for judicial or nonjudicial foreclosure.

(c) An association that seeks to collect delinquent regular or special assessments of an amount of one thousand eight hundred dollars (\$1,800) or more, not including any accelerated assessments, late charges, fees and costs of collection, attorney's fees, or interest, or any assessments that are more than 12 months delinquent, may use judicial or nonjudicial foreclosure subject to the following conditions:

(1) Prior to initiating a foreclosure on an owner's separate interest, the association shall offer the owner and, if so requested by the owner, participate in dispute resolution pursuant to the association's "meet and confer" program required in Article 5 (commencing with Section 1363.510 of Chapter 4 or alternative dispute resolution as set forth in Article 2 (commencing with Section 1369.510) of Chapter 7. The decision to pursue dispute resolution or a particular type of alternative dispute resolution shall be the choice of the owner, except that binding arbitration shall not be available if the association intends to initiate a judicial foreclosure.

(2) The decision to initiate foreclosure of a lien for delinquent assessments that has been validly recorded shall be made only by the board of directors of the association and may not be delegated to an agent of the association. The board shall approve the decision by a majority vote of the board members in an executive session. The board shall record the vote in the minutes of the next meeting of the board open to all members. The board shall maintain the confidentiality of the owner or owners of the separate interest by identifying the matter in the minutes by the parcel number of the property, rather than the name of the owner or owners. A board vote to approve foreclosure of a lien shall take place at least 30 days prior to any public sale.

(3) The board shall provide notice by personal service to an owner of a separate interest who occupies the separate interest or to the owner's legal representative, if the board votes to foreclose upon the separate interest. The board shall provide written notice to an owner of a separate interest who does not occupy the separate interest by first-class mail, postage prepaid, at the most current address shown on the books of the association. In the absence of written notification by the owner to the association, the

address of the owner's separate interest may be treated as the owner's mailing address.

(4) A nonjudicial foreclosure by an association to collect upon a debt for delinquent assessments shall be subject to a right of redemption. The redemption period within which the separate interest may be redeemed from a foreclosure sale under this paragraph ends 90 days after the sale.

(d) The limitation on foreclosure of assessment liens for amounts under the stated minimum in this section does not apply to assessments owed by owners of separate interests in timeshare estates, as defined in subdivision (x) of Section 11112 of the Business and Professions Code, or to assessments owed by developers.

§1367.5. Liens Recorded in Error

If it is determined through dispute resolution pursuant to the association's "meet and confer" program required in Article 5 (commencing with Section 1363.810) of Chapter 4 or alternative dispute resolution with a neutral third party pursuant to Article 2 (commencing with Section 1369.510) of Chapter 7 that an association has recorded a lien for a delinquent assessment in error, the association shall promptly reverse all late charges, fees, interest, attorney's fees, costs of collection, costs imposed for the notice prescribed in subdivision (a) of Section 1367.1, and costs of recordation and release of the lien authorized under subdivision (b) of Section 1367.4, and pay all costs related to the dispute resolution or alternative dispute resolution.

CHAPTER 6. TRANSFER OF OWNERSHIP INTERESTS

§1368. Sale or Title Transfer; Provision of Specified Items to Prospective Purchasers; Copies; Fees; Violations; Penalty and Attorney Fees; Validity of Title Transferred in Violation; Additional Requirements

(a) The owner of a separate interest, other than an owner subject to the requirements of Section 11018.6 of the Business and Professions Code, shall, as soon as practicable before transfer of title to the separate interest or execution of a real property sales contract therefor, as defined in Section 2985, provide the following to the prospective purchaser:

¹³ Should instead read "Section 1363.810," referring to the association's "meet and confer" program.

(1) A copy of the governing documents of the common interest development, including any operating rules, and including a copy of the association's articles of incorporation, or, if not incorporated, a statement in writing from an authorized representative of the association that the association is not incorporated.

(2) If there is a restriction in the governing documents limiting the occupancy, residency, or use of a separate interest on the basis of age in a manner different from that provided in Section 51.3, a statement that the restriction is only enforceable to the extent permitted by Section 51.3 and a statement specifying the applicable provisions of Section 51.3.

(3) A copy of the most recent documents distributed pursuant to Section 1365.

(4) A true statement in writing obtained from an authorized representative of the association as to the amount of the association's current regular and special assessments and fees, any assessments levied upon the owner's interest in the common interest development that are unpaid on the date of the statement, and any monetary fines or penalties levied upon the owner's interest and unpaid on the date of the statement. The statement obtained from an authorized representative shall also include true information on late charges, interest, and costs of collection which, as of the date of the statement, are or may be made a lien upon the owner's interest in a common interest development pursuant to Section 1367 or 1367.1.

(5) A copy or a summary of any notice previously sent to the owner pursuant to subdivision (h) of Section 1363 that sets forth any alleged violation of the governing documents that remains unresolved at the time of the request. The notice shall not be deemed a waiver of the association's right to enforce the governing documents against the owner or the prospective purchaser of the separate interest with respect to any violation. This paragraph shall not be construed to require an association to inspect an owner's separate interest.

(6) A copy of the preliminary list of defects provided to each member of the association pursuant to Section 1375, unless the association and the builder subsequently enter into a settlement agreement or otherwise resolve the matter and the association complies with Section 1375.1. Disclosure of the preliminary list of defects pursuant to this paragraph does not waive any privilege attached to the document. The preliminary list of defects shall also include a

statement that a final determination as to whether the list of defects is accurate and complete has not been made.

(7) A copy of the latest information provided for in Section 1375.1.

(8) Any change in the association's current regular and special assessments and fees which have been approved by the association's board of directors, but have not become due and payable as of the date disclosure is provided pursuant to this subdivision.

(b) Upon written request, an association shall, within 10 days of the mailing or delivery of the request, provide the owner of a separate interest with a copy of the requested items specified in paragraphs (1) to (8), inclusive, of subdivision (a). The items required to be made available pursuant to this section may be maintained in electronic form and requesting parties shall have the option of receiving them by electronic transmission or machine readable storage media if the association maintains these items in electronic form. The association may charge a reasonable fee for this service based upon the association's actual cost to procure, prepare, and reproduce the requested items.

(c) (1) Subject to the provisions of paragraph (2), neither an association nor a community service organization or similar entity may impose or collect any assessment, penalty, or fee in connection with a transfer of title or any other interest except for the following:

(A) An amount not to exceed the association's actual costs to change its records.

(B) An amount authorized by subdivision (b).

(2) The amendments made to this subdivision by the act adding this paragraph¹⁴ do not apply to a community service organization or similar entity that is described in subparagraph (A) or (B):

(A) The community service organization or similar entity satisfies both of the following requirements:

(i) The community service organization or similar entity was established prior to February 20, 2003.

(ii) The community service organization or similar entity exists and operates, in whole or in part, to fund or perform environmental mitigation or to restore or maintain wetlands or native habitat, as required by the state or local government as an express written condition of development.

¹⁴ AB 1086 (Laird) or AB 512 (Bates), chaptered during the 2003 Legislative Session as Ch. 393 and Ch. 557, respectively.

(B) The community service organization or similar entity satisfies all of the following requirements:

(i) The community service organization or similar entity is not an organization or entity described in subparagraph (A).

(ii) The community service organization or similar entity was established and received a transfer fee prior to January 1, 2004.

(iii) On and after January 1, 2006, the community service organization or similar entity offers a purchaser the following payment options for the fee or charge it collects at time of transfer:

(I) Paying the fee or charge at the time of transfer.

(II) Paying the fee or charge pursuant to an installment payment plan for a period of not less than seven years. If the purchaser elects to pay the fee or charge in installment payments, the community service organization or similar entity may also collect additional amounts that do not exceed the actual costs for billing and financing on the amount owed. If the purchaser sells the separate interest before the end of the installment payment plan period, he or she shall pay the remaining balance prior to transfer.

(3) For the purposes of this subdivision, a "community service organization or similar entity" means a nonprofit entity, other than an association, that is organized to provide services to residents of the common interest development or to the public in addition to the residents, to the extent community common areas or facilities are available to the public. A "community service organization or similar entity" does not include an entity that has been organized solely to raise moneys and contribute to other nonprofit organizations that are qualified as tax exempt under Section 501(c)(3) of the Internal Revenue Code and that provide housing or housing assistance.

(d) Any person or entity who willfully violates this section is liable to the purchaser of a separate interest that is subject to this section for actual damages occasioned thereby and, in addition, shall pay a civil penalty in an amount not to exceed five hundred dollars (\$500). In an action to enforce this liability, the prevailing party shall be awarded reasonable attorneys' fees.

(e) Nothing in this section affects the validity of title to real property transferred in violation of this section.

(f) In addition to the requirements of this section, an owner transferring title to a separate interest shall comply with applicable requirements of Sections 1133 and 1134.

(g) For the purposes of this section, a person who acts as a community association manager is an agent, as defined in Section 2297, of the association.

§1368.1. Marketing of Separate Interests

(a) Any rule or regulation of an association that arbitrarily or unreasonably restricts an owner's ability to market his or her interest in a common interest development is void.

(b) No association may adopt, enforce, or otherwise impose any rule or regulation that does either of the following:

(1) Imposes an assessment or fee in connection with the marketing of an owner's interest in an amount that exceeds the association's actual or direct costs. That assessment or fee shall be deemed to violate the limitation set forth in Section 1366.1.

(2) Establishes an exclusive relationship with a real estate broker through which the sale or marketing of interests in the development is required to occur. The limitation set forth in this paragraph does not apply to the sale or marketing of separate interests owned by the association or to the sale or marketing of common areas by the association.

(c) For purposes of this section, "market" and "marketing" mean listing, advertising, or obtaining or providing access to show the owner's interest in the development.

(d) This section does not apply to rules or regulations made pursuant to Section 712 or 713 regarding real estate signs.

CHAPTER 7. CIVIL ACTIONS AND LIENS

Article 1.

Miscellaneous Provisions

§1368.3. Standing

An association established to manage a common interest development has standing to institute, defend, settle, or intervene in litigation, arbitration, mediation, or administrative proceedings in its own name as the

real party in interest and without joining with it the individual owners of the common interest development, in matters pertaining to the following:

- (a) Enforcement of the governing documents.
- (b) Damage to common area.
- (c) Damage to a separate interest that the association is obligated to maintain or repair.
- (d) Damage to a separate interest that arises out of, or is integrally related to, damage to the common area or a separate interest that the association is obligated to maintain or repair.

§1368.4. Allocation of Damages

(a) In an action maintained by an association pursuant to subdivision (b), (c), or (d) of Section 1368.3, the amount of damages recovered by the association shall be reduced by the amount of damages allocated to the association or its managing agents in direct proportion to their percentage of fault based upon principles of comparative fault. The comparative fault of the association or its managing agents may be raised by way of defense, but shall not be the basis for a cross-action or separate action against the association or its managing agents for contribution or implied indemnity, where the only damage was sustained by the association or its members. It is the intent of the Legislature in enacting this subdivision to require that comparative fault be pleaded as an affirmative defense, rather than a separate cause of action, where the only damage was sustained by the association or its members.

(b) In an action involving damages described in subdivision (b), (c), or (d) of Section 1368.3, the defendant or cross-defendant may allege and prove the comparative fault of the association or its managing agents as a setoff to the liability of the defendant or cross-defendant even if the association is not a party to the litigation or is no longer a party whether by reason of settlement, dismissal, or otherwise.

(c) Subdivisions (a) and (b) apply to actions commenced on or after January 1, 1993.

(d) Nothing in this section affects a person's liability under Section 1431, or the liability of the association or its managing agent for an act or omission which causes damage to another.

§1368.5. Civil Action; Damage to Common Interest Development; Notice to Members

(a) Not later than 30 days prior to the filing of any civil action by the association against the declarant or other developer of a common interest development for alleged damage to the common areas, alleged damage to the separate interests that the association is obligated to maintain or repair, or alleged damage to the separate interests that arises out of, or is integrally related to, damage to the common areas or separate interests that the association is obligated to maintain or repair, the board of directors of the association shall provide a written notice to each member of the association who appears on the records of the association when the notice is provided. This notice shall specify all of the following:

(1) That a meeting will take place to discuss problems that may lead to the filing of a civil action.

(2) The options, including civil actions, that are available to address the problems.

(3) The time and place of this meeting.

(b) Notwithstanding subdivision (a), if the association has reason to believe that the applicable statute of limitations will expire before the association files the civil action, the association may give the notice, as described above, within 30 days after the filing of the action.

§1369. Liens for Labor and Materials

In a condominium project, no labor performed or services or materials furnished with the consent of, or at the request of, an owner in the condominium project or his or her agent or his or her contractor shall be the basis for the filing of a lien against any other property of any other owner in the condominium project unless that other owner has expressly consented to or requested the performance of the labor or furnishing of the materials or services. However, express consent shall be deemed to have been given by the owner of any condominium in the case of emergency repairs thereto. Labor performed or services or materials furnished for the common areas, if duly authorized by the association, shall be deemed to be performed or furnished with the express consent of each condominium owner. The owner of any condominium may remove his or her condominium from lien against two or more condominiums or any part thereof by payment to the holder of the lien of the fraction of the

total sum secured by the lien which is attributable to his or her condominium.

Article 2.

Alternative Dispute Resolution

§1369.510. Definitions

As used in this article:

(a) "Alternative dispute resolution" means mediation, arbitration, conciliation, or other nonjudicial procedure that involves a neutral third party in the decisionmaking process. The form of alternative dispute resolution chosen pursuant to this article may be binding or nonbinding, with the voluntary consent of the parties.

(b) "Enforcement action" means a civil action or proceeding, other than a cross-complaint, for any of the following purposes:

- (1) Enforcement of this title.
- (2) Enforcement of the Nonprofit Mutual Benefit Corporation Law (Part 3 (commencing with Section 7110) of Division 2 of Title 1 of the Corporations Code).
- (3) Enforcement of the governing documents of a common interest development.

§1369.520. Litigation Pre-Filing Requirements

(a) An association or an owner or a member of a common interest development may not file an enforcement action in the superior court unless the parties have endeavored to submit their dispute to alternative dispute resolution pursuant to this article.

(b) This section applies only to an enforcement action that is solely for declaratory, injunctive, or writ relief, or for that relief in conjunction with a claim for monetary damages not in excess of five thousand dollars (\$5,000).

(c) This section does not apply to a small claims action.

(d) Except as otherwise provided by law, this section does not apply to an assessment dispute.

§1369.530. Initiating the Process; Request for Resolution

(a) Any party to a dispute may initiate the process required by Section 1369.520 by serving on all other

parties to the dispute a Request for Resolution. The Request for Resolution shall include all of the following:

- (1) A brief description of the dispute between the parties.
- (2) A request for alternative dispute resolution.
- (3) A notice that the party receiving the Request for Resolution is required to respond within 30 days of receipt or the request will be deemed rejected.
- (4) If the party on whom the request is served is the owner of a separate interest, a copy of this article.
 - (b) Service of the Request for Resolution shall be by personal delivery, first-class mail, express mail, facsimile transmission, or other means reasonably calculated to provide the party on whom the request is served actual notice of the request.
 - (c) A party on whom a Request for Resolution is served has 30 days following service to accept or reject the request. If a party does not accept the request within that period, the request is deemed rejected by the party.

§1369.540. Completing the Process; Costs

(a) If the party on whom a Request for Resolution is served accepts the request, the parties shall complete the alternative dispute resolution within 90 days after the party initiating the request receives the acceptance, unless this period is extended by written stipulation signed by both parties.

(b) Chapter 2 (commencing with Section 1115) of Division 9 of the Evidence Code applies to any form of alternative dispute resolution initiated by a Request for Resolution under this article, other than arbitration.

(c) The costs of the alternative dispute resolution shall be borne by the parties.

§1369.550. Statutes of Limitation

If a Request for Resolution is served before the end of the applicable time limitation for commencing an enforcement action, the time limitation is tolled during the following periods:

(a) The period provided in Section 1369.530 for response to a Request for Resolution.

(b) If the Request for Resolution is accepted, the period provided by Section 1369.540 for completion of alternative dispute resolution, including any extension

of time stipulated to by the parties pursuant to Section 1369.540.

§1369.560. Certificate; Commencement of Action

(a) At the time of commencement of an enforcement action, the party commencing the action shall file with the initial pleading a certificate stating that one or more of the following conditions is satisfied:

(1) Alternative dispute resolution has been completed in compliance with this article.

(2) One of the other parties to the dispute did not accept the terms offered for alternative dispute resolution.

(3) Preliminary or temporary injunctive relief is necessary.

(b) Failure to file a certificate pursuant to subdivision (a) is grounds for a demurrer or a motion to strike unless the court finds that dismissal of the action for failure to comply with this article would result in substantial prejudice to one of the parties.

§1369.570. Post-Filing Reference

(a) After an enforcement action is commenced, on written stipulation of the parties, the matter may be referred to alternative dispute resolution. The referred action is stayed. During the stay, the action is not subject to the rules implementing subdivision (c) of Section 68603 of the Government Code.

(b) The costs of the alternative dispute resolution shall be borne by the parties.

§1369.580. Refusal to Participate in Pre-Filing Alternative Dispute Resolution

In an enforcement action in which fees and costs may be awarded pursuant to subdivision (c) of Section 1354, the court, in determining the amount of the award, may consider whether a party's refusal to participate in alternative dispute resolution before commencement of the action was reasonable.

§1369.590. Annual Disclosure

(a) An association shall annually provide its members a summary of the provisions of this article that specifically references this article. The summary shall include the following language:

"Failure of a member of the association to comply with the alternative dispute resolution requirements of

Section 1369.520 of the Civil Code may result in the loss of your right to sue the association or another member of the association regarding enforcement of the governing documents or the applicable law."

(b) The summary shall be provided either at the time the pro forma budget required by Section 1365 is distributed or in the manner prescribed in Section 5016 of the Corporations Code. The summary shall include a description of the association's internal dispute resolution process, as required by Section 1363.850.

CHAPTER 8. CONSTRUCTION OF INSTRUMENTS AND ZONING

§1370. Liberal Construction of Instruments

Any deed, declaration, or condominium plan for a common interest development shall be liberally construed to facilitate the operation of the common interest development, and its provisions shall be presumed to be independent and severable. Nothing in Article 3 (commencing with Section 715) of Chapter 2 of Title 2 of Part 1 of this division shall operate to invalidate any provisions of the governing documents of a common interest development.

§1371. Boundaries of Units; Presumption

In interpreting deeds and condominium plans, the existing physical boundaries of a unit in a condominium project, when the boundaries of the unit are contained within a building, or of a unit reconstructed in substantial accordance with the original plans thereof, shall be conclusively presumed to be its boundaries rather than the metes and bounds expressed in the deed or condominium plan, if any exists, regardless of settling or lateral movement of the building and regardless of minor variance between boundaries shown on the plan or in the deed and those of the building.

§1372. Construction of Zoning Ordinances

Unless a contrary intent is clearly expressed, local zoning ordinances shall be construed to treat like structures, lots, parcels, areas, or spaces in like manner regardless of whether the common interest development is a community apartment project, condominium project, planned development, or stock cooperative.

§1373. Developments Expressly Zoned as Industrial or Commercial and Limited to Such Purposes; Exclusions

(a) The following provisions do not apply to a common interest development that is limited to industrial or commercial uses by zoning or by a declaration of covenants, conditions and restrictions that has been recorded in the official records of each county in which the common interest development is located:

- (1) Section 1356.
- (2) Article 4 (commencing with Section 1357.100) of Chapter 2 of Title 6 of Part 4 of Division 2.
- (3) Subdivision (b) of Section 1363.
- (4) Section 1365.
- (5) Section 1365.5.
- (6) Subdivision (b) of Section 1366.
- (7) Section 1366.1.
- (8) Section 1368.
- (9) Section 1378.

(b) The Legislature finds that the provisions listed in subdivision (a) are appropriate to protect purchasers in residential common interest developments, however, the provisions may not be necessary to protect purchasers in commercial or industrial developments since the application of those provisions could result in unnecessary burdens and costs for these types of developments.

§1374. Application of Act; Common Area Requirement

Nothing in this title may be construed to apply to a development wherein there does not exist a common area as defined in subdivision (b) of Section 1351.

This section is declaratory of existing law.

CHAPTER 9. CONSTRUCTION DEFECT LITIGATION

§1375. Design or Construction Defects; Prefiling Procedure [Operative Until July 1, 2010]

(a) Before an association files a complaint for damages against a builder, developer, or general

contractor ("respondent") of a common interest development based upon a claim for defects in the design or construction of the common interest development, all of the requirements of this section shall be satisfied with respect to the builder, developer, or general contractor.

(b) The association shall serve upon the respondent a "Notice of Commencement of Legal Proceedings." The notice shall be served by certified mail to the registered agent of the respondent, or if there is no registered agent, then to any officer of the respondent. If there are no current officers of the respondent, service shall be upon the person or entity otherwise authorized by law to receive service of process. Service upon the general contractor shall be sufficient to initiate the process set forth in this section with regard to any builder or developer, if the builder or developer is not amenable to service of process by the foregoing methods. This notice shall toll all applicable statutes of limitation and repose, whether contractual or statutory, by and against all potentially responsible parties, regardless of whether they were named in the notice, including claims for indemnity applicable to the claim for the period set forth in subdivision (c). The notice shall include all of the following:

- (1) The name and location of the project.
- (2) An initial list of defects sufficient to apprise the respondent of the general nature of the defects at issue.
- (3) A description of the results of the defects, if known.
- (4) A summary of the results of a survey or questionnaire distributed to homeowners to determine the nature and extent of defects, if a survey has been conducted or a questionnaire has been distributed.
- (5) Either a summary of the results of testing conducted to determine the nature and extent of defects or the actual test results, if that testing has been conducted.

(c) Service of the notice shall commence a period, not to exceed 180 days, during which the association, the respondent, and all other participating parties shall try to resolve the dispute through the processes set forth in this section. This 180-day period may be extended for one additional period, not to exceed 180 days, only upon the mutual agreement of the association, the respondent, and any parties not deemed peripheral pursuant to paragraph (3) of subdivision (e). Any extensions beyond the first

extension shall require the agreement of all participating parties. Unless extended, the dispute resolution process prescribed by this section shall be deemed completed. All extensions shall continue the tolling period described in subdivision (b).

(d) Within 25 days of the date the association serves the Notice of Commencement of Legal Proceedings, the respondent may request in writing to meet and confer with the board of directors of the association. Unless the respondent and the association otherwise agree, there shall be not more than one meeting, which shall take place no later than 10 days from the date of the respondent's written request, at a mutually agreeable time and place. The meeting shall be subject to subdivision (b) of Section 1363.05. The discussions at the meeting are privileged communications and are not admissible in evidence in any civil action, unless the association and the respondent consent in writing to their admission.

(e) Upon receipt of the notice, the respondent shall, within 60 days, comply with the following:

(1) The respondent shall provide the association with access to, for inspection and copying of, all plans and specifications, subcontracts, and other construction files for the project that are reasonably calculated to lead to the discovery of admissible evidence regarding the defects claimed. The association shall provide the respondent with access to, for inspection and copying of, all files reasonably calculated to lead to the discovery of admissible evidence regarding the defects claimed, including all reserve studies, maintenance records and any survey questionnaires, or results of testing to determine the nature and extent of defects. To the extent any of the above documents are withheld based on privilege, a privilege log shall be prepared and submitted to all other parties. All other potentially responsible parties shall have the same rights as the respondent regarding the production of documents upon receipt of written notice of the claim, and shall produce all relevant documents within 60 days of receipt of the notice of the claim.

(2) The respondent shall provide written notice by certified mail to all subcontractors, design professionals, their insurers, and the insurers of any additional insured whose identities are known to the respondent or readily ascertainable by review of the project files or other similar sources and whose potential responsibility appears on the face of the notice. This notice to subcontractors, design professionals, and insurers shall include a copy of the

Notice of Commencement of Legal Proceedings, and shall specify the date and manner by which the parties shall meet and confer to select a dispute resolution facilitator pursuant to paragraph (1) of subdivision (f), advise the recipient of its obligation to participate in the meet and confer or serve a written acknowledgment of receipt regarding this notice, advise the recipient that it will waive any challenge to selection of the dispute resolution facilitator if it elects not to participate in the meet and confer, advise the recipient that it may be bound by any settlement reached pursuant to subdivision (d) of Section 1375.05, advise the recipient that it may be deemed to have waived rights to conduct inspection and testing pursuant to subdivision (c) of Section 1375.05, advise the recipient that it may seek the assistance of an attorney, and advise the recipient that it should contact its insurer, if any. Any subcontractor or design professional, or insurer for that subcontractor, design professional, or additional insured, who receives written notice from the respondent regarding the meet and confer shall, prior to the meet and confer, serve on the respondent a written acknowledgment of receipt. That subcontractor or design professional shall, within 10 days of service of the written acknowledgment of receipt, provide to the association and the respondent a Statement of Insurance that includes both of the following:

(A) The names, addresses, and contact persons, if known, of all insurance carriers, whether primary or excess and regardless of whether a deductible or self-insured retention applies, whose policies were in effect from the commencement of construction of the subject project to the present and which potentially cover the subject claims.

(B) The applicable policy numbers for each policy of insurance provided.

(3) Any subcontractor or design professional, or insurer for that subcontractor, design professional, or additional insured, who so chooses, may, at any time, make a written request to the dispute resolution facilitator for designation as a peripheral party. That request shall be served contemporaneously on the association and the respondent. If no objection to that designation is received within 15 days, or upon rejection of that objection, the dispute resolution facilitator shall designate that subcontractor or design professional as a peripheral party, and shall thereafter seek to limit the attendance of that subcontractor or design professional only to those dispute resolution sessions deemed peripheral party sessions or to those sessions during which the dispute resolution facilitator

believes settlement as to peripheral parties may be finalized. Nothing in this subdivision shall preclude a party who has been designated a peripheral party from being reclassified as a nonperipheral party, nor shall this subdivision preclude a party designated as a nonperipheral party from being reclassified as a peripheral party after notice to all parties and an opportunity to object. For purposes of this subdivision, a peripheral party is a party having total claimed exposure of less than twenty-five thousand dollars (\$25,000).

(f) (1) Within 20 days of sending the notice set forth in paragraph (2) of subdivision (e), the association, respondent, subcontractors, design professionals, and their insurers who have been sent a notice as described in paragraph (2) of subdivision (e) shall meet and confer in an effort to select a dispute resolution facilitator to preside over the mandatory dispute resolution process prescribed by this section. Any subcontractor or design professional who has been given timely notice of this meeting but who does not participate, waives any challenge he or she may have as to the selection of the dispute resolution facilitator. The role of the dispute resolution facilitator is to attempt to resolve the conflict in a fair manner. The dispute resolution facilitator shall be sufficiently knowledgeable in the subject matter and be able to devote sufficient time to the case. The dispute resolution facilitator shall not be required to reside in or have an office in the county in which the project is located. The dispute resolution facilitator and the participating parties shall agree to a date, time, and location to hold a case management meeting of all parties and the dispute resolution facilitator, to discuss the claims being asserted and the scheduling of events under this section. The case management meeting with the dispute resolution facilitator shall be held within 100 days of service of the Notice of Commencement of Legal Proceedings at a location in the county where the project is located. Written notice of the case management meeting with the dispute resolution facilitator shall be sent by the respondent to the association, subcontractors and design professionals, and their insurers who are known to the respondent to be on notice of the claim, no later than 10 days prior to the case management meeting, and shall specify its date, time, and location. The dispute resolution facilitator in consultation with the respondent, shall maintain a contact list of the participating parties.

(2) No later than 10 days prior to the case management meeting, the dispute resolution facilitator shall disclose to the parties all matters that could cause

a person aware of the facts to reasonably entertain a doubt that the proposed dispute resolution facilitator would be able to resolve the conflict in a fair manner. The facilitator's disclosure shall include the existence of any ground specified in Section 170.1 of the Code of Civil Procedure for disqualification of a judge, any attorney-client relationship the facilitator has or had with any party or lawyer for a party to the dispute resolution process, and any professional or significant personal relationship the facilitator or his or her spouse or minor child living in the household has or had with any party to the dispute resolution process. The disclosure shall also be provided to any subsequently noticed subcontractor or design professional within 10 days of the notice.

(3) A dispute resolution facilitator shall be disqualified by the court if he or she fails to comply with this paragraph and any party to the dispute resolution process serves a notice of disqualification prior to the case management meeting. If the dispute resolution facilitator complies with this paragraph, he or she shall be disqualified by the court on the basis of the disclosure if any party to the dispute resolution process serves a notice of disqualification prior to the case management meeting.

(4) If the parties cannot mutually agree to a dispute resolution facilitator, then each party shall submit a list of three dispute resolution facilitators. Each party may then strike one nominee from the other parties' list, and petition the court, pursuant to the procedure described in subdivisions (n) and (o), for final selection of the dispute resolution facilitator. The court may issue an order for final selection of the dispute resolution facilitator pursuant to this paragraph.

(5) Any subcontractor or design professional who receives notice of the association's claim without having previously received timely notice of the meet and confer to select the dispute resolution facilitator shall be notified by the respondent regarding the name, address, and telephone number of the dispute resolution facilitator. Any such subcontractor or design professional may serve upon the parties and the dispute resolution facilitator a written objection to the dispute resolution facilitator within 15 days of receiving notice of the claim. Within seven days after service of this objection, the subcontractor or design professional may petition the superior court to replace the dispute resolution facilitator. The court may replace the dispute resolution facilitator only upon a showing of good cause, liberally construed. Failure to satisfy the deadlines set forth in this subdivision shall constitute a

waiver of the right to challenge the dispute resolution facilitator.

(6) The costs of the dispute resolution facilitator shall be apportioned in the following manner: one-third to be paid by the association; one-third to be paid by the respondent; and one-third to be paid by the subcontractors and design professionals, as allocated among them by the dispute resolution facilitator. The costs of the dispute resolution facilitator shall be recoverable by the prevailing party in any subsequent litigation pursuant to Section 1032 of the Code of Civil Procedure, provided however that any nonsettling party may, prior to the filing of the complaint, petition the facilitator to reallocate the costs of the dispute resolution facilitator as they apply to any nonsettling party. The determination of the dispute resolution facilitator with respect to the allocation of these costs shall be binding in any subsequent litigation. The dispute resolution facilitator shall take into account all relevant factors and equities between all parties in the dispute resolution process when reallocating costs.

(7) In the event the dispute resolution facilitator is replaced at any time, the case management statement created pursuant to subdivision (h) shall remain in full force and effect.

(8) The dispute resolution facilitator shall be empowered to enforce all provisions of this section.

(g) (1) No later than the case management meeting, the parties shall begin to generate a data compilation showing the following information regarding the alleged defects at issue:

(A) The scope of the work performed by each potentially responsible subcontractor.

(B) The tract or phase number in which each subcontractor provided goods or services, or both.

(C) The units, either by address, unit number, or lot number, at which each subcontractor provided goods or services, or both.

(2) This data compilation shall be updated as needed to reflect additional information. Each party attending the case management meeting, and any subsequent meeting pursuant to this section, shall provide all information available to that party relevant to this data compilation.

(h) At the case management meeting, the parties shall, with the assistance of the dispute resolution facilitator, reach agreement on a case management statement, which shall set forth all of the elements set

forth in paragraphs (1) to (8), inclusive, except that the parties may dispense with one or more of these elements if they agree that it is appropriate to do so. The case management statement shall provide that the following elements shall take place in the following order:

(1) Establishment of a document depository, located in the county where the project is located, for deposit of documents, defect lists, demands, and other information provided for under this section. All documents exchanged by the parties and all documents created pursuant to this subdivision shall be deposited in the document depository, which shall be available to all parties throughout the pre-filing dispute resolution process and in any subsequent litigation. When any document is deposited in the document depository, the party depositing the document shall provide written notice identifying the document to all other parties. The costs of maintaining the document depository shall be apportioned among the parties in the same manner as the costs of the dispute resolution facilitator.

(2) Provision of a more detailed list of defects by the association to the respondent after the association completes a visual inspection of the project. This list of defects shall provide sufficient detail for the respondent to ensure that all potentially responsible subcontractors and design professionals are provided with notice of the dispute resolution process. If not already completed prior to the case management meeting, the Notice of Commencement of Legal Proceedings shall be served by the respondent on all additional subcontractors and design professionals whose potential responsibility appears on the face of the more detailed list of defects within seven days of receipt of the more detailed list. The respondent shall serve a copy of the case management statement, including the name, address, and telephone number of the dispute resolution facilitator, to all the potentially responsible subcontractors and design professionals at the same time.

(3) Nonintrusive visual inspection of the project by the respondent, subcontractors, and design professionals.

(4) Invasive testing conducted by the association, if the association deems appropriate. All parties may observe and photograph any testing conducted by the association pursuant to this paragraph, but may not take samples or direct testing unless, by mutual agreement, costs of testing are shared by the parties.

- (5) Provision by the association of a comprehensive demand which provides sufficient detail for the parties to engage in meaningful dispute resolution as contemplated under this section.
- (6) Invasive testing conducted by the respondent, subcontractors, and design professionals, if they deem appropriate.
- (7) Allowance for modification of the demand by the association if new issues arise during the testing conducted by the respondent, subcontractor, or design professionals.
- (8) Facilitated dispute resolution of the claim, with all parties, including peripheral parties, as appropriate, and insurers, if any, present and having settlement authority. The dispute resolution facilitators shall endeavor to set specific times for the attendance of specific parties at dispute resolution sessions. If the dispute resolution facilitator does not set specific times for the attendance of parties at dispute resolution sessions, the dispute resolution facilitator shall permit those parties to participate in dispute resolution sessions by telephone.
- (i) In addition to the foregoing elements of the case management statement described in subdivision (h), upon mutual agreement of the parties, the dispute resolution facilitator may include any or all of the following elements in a case management statement: the exchange of consultant or expert photographs; expert presentations; expert meetings; or any other mechanism deemed appropriate by the parties in the interest of resolving the dispute.
- (j) The dispute resolution facilitator, with the guidance of the parties, shall at the time the case management statement is established, set deadlines for the occurrence of each event set forth in the case management statement, taking into account such factors as the size and complexity of the case, and the requirement of this section that this dispute resolution process not exceed 180 days absent agreement of the parties to an extension of time.
- (k) (1)(A) At a time to be determined by the dispute resolution facilitator, the respondent may submit to the association all of the following:
- (i) A request to meet with the board to discuss a written settlement offer.
- (ii) A written settlement offer, and a concise explanation of the reasons for the terms of the offer.
- (iii) A statement that the respondent has access to sufficient funds to satisfy the conditions of the settlement offer.
- (iv) A summary of the results of testing conducted for the purposes of determining the nature and extent of defects, if this testing has been conducted, unless the association provided the respondent with actual test results.
- (B) If the respondent does not timely submit the items required by this subdivision, the association shall be relieved of any further obligation to satisfy the requirements of this subdivision only.
- (C) No less than 10 days after the respondent submits the items required by this paragraph, the respondent and the board of directors of the association shall meet and confer about the respondent's settlement offer.
- (D) If the association's board of directors rejects a settlement offer presented at the meeting held pursuant to this subdivision, the board shall hold a meeting open to each member of the association. The meeting shall be held no less than 15 days before the association commences an action for damages against the respondent.
- (E) No less than 15 days before this meeting is held, a written notice shall be sent to each member of the association specifying all of the following:
- (i) That a meeting will take place to discuss problems that may lead to the filing of a civil action, and the time and place of this meeting.
- (ii) The options that are available to address the problems, including the filing of a civil action and a statement of the various alternatives that are reasonably foreseeable by the association to pay for those options and whether these payments are expected to be made from the use of reserve account funds or the imposition of regular or special assessments, or emergency assessment increases.
- (iii) The complete text of any written settlement offer, and a concise explanation of the specific reasons for the terms of the offer submitted to the board at the meeting held pursuant to subdivision (d) that was received from the respondent.
- (F) The respondent shall pay all expenses attributable to sending the settlement offer to all members of the association. The respondent shall also pay the expense of holding the meeting, not to exceed three dollars (\$3) per association member.

(G) The discussions at the meeting and the contents of the notice and the items required to be specified in the notice pursuant to paragraph (E) are privileged communications and are not admissible in evidence in any civil action, unless the association consents to their admission.

(H) No more than one request to meet and discuss a written settlement offer may be made by the respondent pursuant to this subdivision.

(I) Except for the purpose of in camera review as provided in subdivision (c) of Section 1375.05, all defect lists and demands, communications, negotiations, and settlement offers made in the course of the prelitigation dispute resolution process provided by this section shall be inadmissible pursuant to Sections 1119 to 1124, inclusive, of the Evidence Code and all applicable decisional law. This inadmissibility shall not be extended to any other documents or communications which would not otherwise be deemed inadmissible.

(m) Any subcontractor or design professional may, at any time, petition the dispute resolution facilitator to release that party from the dispute resolution process upon a showing that the subcontractor or design professional is not potentially responsible for the defect claims at issue. The petition shall be served contemporaneously on all other parties, who shall have 15 days from the date of service to object. If a subcontractor or design professional is released, and it later appears to the dispute resolution facilitator that it may be a responsible party in light of the current defect list or demand, the respondent shall renote the party as provided by paragraph (2) of subdivision (e), provide a copy of the current defect list or demand, and direct the party to attend a dispute resolution session at a stated time and location. A party who subsequently appears after having been released by the dispute resolution facilitator shall not be prejudiced by its absence from the dispute resolution process as the result of having been previously released by the dispute resolution facilitator.

(n) Any party may, at any time, petition the superior court in the county where the project is located, upon a showing of good cause, and the court may issue an order, for any of the following, or for appointment of a referee to resolve a dispute regarding any of the following:

(1) To take a deposition of any party to the process, or subpoena a third party for deposition or production of documents, which is necessary to further prelitigation resolution of the dispute.

(2) To resolve any disputes concerning inspection, testing, production of documents, or exchange of information provided for under this section.

(3) To resolve any disagreements relative to the timing or contents of the case management statement.

(4) To authorize internal extensions of timeframes set forth in the case management statement.

(5) To seek a determination that a settlement is a good faith settlement pursuant to Section 877.6 of the Code of Civil Procedure and all related authorities. The page limitations and meet and confer requirements specified in this section shall not apply to these motions, which may be made on shortened notice. Instead, these motions shall be subject to other applicable state law, rules of court, and local rules. A determination made by the court pursuant to this motion shall have the same force and effect as the determination of a postfiling application or motion for good faith settlement.

(6) To ensure compliance, on shortened notice, with the obligation to provide a Statement of Insurance pursuant to paragraph (2) of subdivision (e).

(7) For any other relief appropriate to the enforcement of the provisions of this section, including the ordering of parties, and insurers, if any, to the dispute resolution process with settlement authority.

(o) (1) A petition filed pursuant to subdivision (n) shall be filed in the superior court in the county in which the project is located. The court shall hear and decide the petition within 10 days after filing. The petitioning party shall serve the petition on all parties, including the date, time, and location of the hearing no later than five business days prior to the hearing. Any responsive papers shall be filed and served no later than three business days prior to the hearing. Any petition or response filed under this section shall be no more than three pages in length.

(2) All parties shall meet with the dispute resolution facilitator, if one has been appointed and confer in person or by the telephone prior to the filing of that petition to attempt to resolve the matter without requiring court intervention.

(p) As used in this section:

(1) "Association" shall have the same meaning as defined in subdivision (a) of Section 1351.

(2) "Builder" means the declarant, as defined in subdivision (g) of Section 1351.

(3) "Common interest development" shall have the same meaning as in subdivision (c) of Section 1351, except that it shall not include developments or projects with less than 20 units.

(q) The alternative dispute resolution process and procedures described in this section shall have no application or legal effect other than as described in this section.

(r) This section shall become operative on July 1, 2002, however it shall not apply to any pending suit or claim for which notice has previously been given.

(s) This section shall become inoperative on July 1, 2010, and as of January 1, 2011, is repealed, unless a later enacted statute, that is enacted before January 1, 2011, deletes or extends the dates on which it becomes inoperative and is repealed.

**§1375.05. Design and Construction Defects;
Procedures in Litigation [Operative Until
July 1, 2010]**

(a) Upon the completion of the mandatory prefiling dispute resolution process described in Section 1375, if the parties have not settled the matter, the association or its assignee may file a complaint in the superior court in the county in which the project is located. Those matters shall be given trial priority.

(b) In assigning trial priority, the court shall assign the earliest possible trial date, taking into consideration the pretrial preparation completed pursuant to Section 1375, and shall deem the complaint to have been filed on the date of service of the Notice of Commencement of Legal Proceedings described under Section 1375.

(c) Any respondent, subcontractor, or design professional who received timely prior notice of the inspections and testing conducted under Section 1375 shall be prohibited from engaging in additional inspection or testing, except if all of the following specific conditions are met, upon motion to the court:

(1) There is an insurer for a subcontractor or design professional, that did not have timely notice that legal proceedings were commenced under Section 1375 at least 30 days prior to the commencement of inspections or testing pursuant to paragraph (6) of subdivision (h) of Section 1375.

(2) The insurer's insured did not participate in any inspections or testing conducted under the provisions of paragraph (6) of subdivision (h) of Section 1375.

(3) The insurer has, after receiving notice of a complaint filed in superior court under subdivision (a), retained separate counsel, who did not participate in the Section 1375 dispute resolution process, to defend its insured as to the allegations in the complaint.

(4) It is reasonably likely that the insured would suffer prejudice if additional inspections or testing are not permitted.

(5) The information obtainable through the proposed additional inspections or testing is not available through any reasonable alternative sources.

If the court permits additional inspections or testing upon finding that these requirements are met, any additional inspections or testing shall be limited to the extent reasonably necessary to avoid the likelihood of prejudice and shall be coordinated among all similarly situated parties to ensure that they occur without unnecessary duplication. For purposes of providing notice to an insurer prior to inspections or testing under paragraph (6) of subdivision (h) of Section 1375, if notice of the proceedings was not provided by the insurer's insured, notice may be made via certified mail either by the subcontractor, design professional, association, or respondent to the address specified in the Statement of Insurance provided under paragraph (2) of subdivision (e) of Section 1375. Nothing herein shall affect the rights of an intervenor who files a complaint in intervention. If the association alleges defects that were not specified in the prefiling dispute resolution process under Section 1375, the respondent, subcontractor, and design professionals shall be permitted to engage in testing or inspection necessary to respond to the additional claims. A party who seeks additional inspections or testing based upon the amendment of claims shall apply to the court for leave to conduct those inspections or that testing. If the court determines that it must review the defect claims alleged by the association in the prefiling dispute resolution process in order to determine whether the association alleges new or additional defects, this review shall be conducted in camera. Upon objection of any party, the court shall refer the matter to a judge other than the assigned trial judge to determine if the claim has been amended in such a way that requires additional testing or inspection.

(d) Any subcontractor or design professional who had notice of the facilitated dispute resolution conducted under Section 1375 but failed to attend, or attended without settlement authority, shall be bound by the amount of any settlement reached in the facilitated dispute resolution in any subsequent trial,

although the affected party may introduce evidence as to the allocation of the settlement. Any party who failed to participate in the facilitated dispute resolution because the party did not receive timely notice of the mediation shall be relieved of any obligation to participate in the settlement. Notwithstanding any privilege applicable to the pre-filing dispute resolution process provided by Section 1375, evidence may be introduced by any party to show whether a subcontractor or design professional failed to attend or attended without settlement authority. The binding effect of this subdivision shall in no way diminish or reduce a nonsettling subcontractor or design professional's right to defend itself or assert all available defenses relevant to its liability in any subsequent trial. For purposes of this subdivision, a subcontractor or design professional shall not be deemed to have attended without settlement authority because it asserted defenses to its potential liability.

(e) Notice of the facilitated dispute resolution conducted under Section 1375 must be mailed by the respondent no later than 20 days prior to the date of the first facilitated dispute resolution session to all parties. Notice shall also be mailed to each of these parties' known insurance carriers. Mailing of this notice shall be by certified mail. Any subsequent facilitated dispute resolution notices shall be served by any means reasonably calculated to provide those parties actual notice.

(f) As to the complaint, the order of discovery shall, at the request of any defendant, except upon a showing of good cause, permit the association's expert witnesses to be deposed prior to any percipient party depositions. The depositions shall, at the request of the association be followed immediately by the defendant's experts and then by the subcontractors' and design professionals' experts, except on a showing of good cause. For purposes of this section, in determining what constitutes "good cause," the court shall consider, among other things, the goal of early disclosure of defects and whether the expert is prepared to render a final opinion, except that the court may modify the scope of any expert's deposition to address those concerns.

(g) (1) The only method of seeking judicial relief for the failure of the association or the respondent to complete the dispute resolution process under Section 1375 shall be the assertion, as provided for in this subdivision, of a procedural deficiency to an action for damages by the association against the respondent after that action has been filed. A verified application asserting a procedural deficiency shall be filed with the

court no later than 90 days after the answer to the plaintiff's complaint has been served, unless the court finds that extraordinary conditions exist.

(2) Upon the verified application of the association or the respondent alleging substantial noncompliance with Section 1375, the court shall schedule a hearing within 21 days of the application to determine whether the association or respondent has substantially complied with this section. The issue may be determined upon affidavits or upon oral testimony, in the discretion of the court.

(3) (A) If the court finds that the association or the respondent did not substantially comply with this paragraph, the court shall stay the action for up to 90 days to allow the noncomplying party to establish substantial compliance. The court shall set a hearing within 90 days to determine substantial compliance. At any time, the court may, for good cause shown, extend the period of the stay upon application of the noncomplying party.

(B) If, within the time set by the court pursuant to this paragraph, the association or the respondent has not established that it has substantially complied with this section, the court shall determine if, in the interest of justice, the action should be dismissed without prejudice, or if another remedy should be fashioned. Under no circumstances shall the court dismiss the action with prejudice as a result of the association's failure to substantially comply with this section. In determining the appropriate remedy, the court shall consider the extent to which the respondent has complied with this section.

(h) This section is operative on July 1, 2002, but does not apply to any action or proceeding pending on that date.

(i) This section shall become inoperative on July 1, 2010, and, as of January 1, 2011, is repealed, unless a later enacted statute that is enacted before January 1, 2011, deletes or extends the dates on which it becomes inoperative and is repealed.

§1375.1. Disclosure to Members; Resolution of Design or Construction Defect Dispute

(a) As soon as is reasonably practicable after the association and the builder have entered into a settlement agreement or the matter has otherwise been resolved regarding alleged defects in the common areas, alleged defects in the separate interests that the association is obligated to maintain or repair, or alleged defects in the separate interests that arise out of, or are

integrally related to, defects in the common areas or separate interests that the association is obligated to maintain or repair, where the defects giving rise to the dispute have not been corrected, the association shall, in writing, inform only the members of the association whose names appear on the records of the association that the matter has been resolved, by settlement agreement or other means, and disclose all of the following:

(1) A general description of the defects that the association reasonably believes, as of the date of the disclosure, will be corrected or replaced.

(2) A good faith estimate, as of the date of the disclosure, of when the association believes that the defects identified in paragraph (1) will be corrected or replaced. The association may state that the estimate may be modified.

(3) The status of the claims for defects in the design or construction of the common interest development that were not identified in paragraph (1) whether expressed in a preliminary list of defects sent to each member of the association or otherwise claimed and disclosed to the members of the association.

(b) Nothing in this section shall preclude an association from amending the disclosures required pursuant to subdivision (a), and any amendments shall supersede any prior conflicting information disclosed to the members of the association and shall retain any privilege attached to the original disclosures.

(c) Disclosure of the information required pursuant to subdivision (a) or authorized by subdivision (b) shall not waive any privilege attached to the information.

(d) For the purposes of the disclosures required pursuant to this section, the term "defects" shall be defined to include any damage resulting from defects.

CHAPTER 10. IMPROVEMENTS

§1376. **Video or Television Antennas; Satellite Dish Systems; Restrictions on Installation; Application for Approval**

(a) Any covenant, condition, or restriction contained in any deed, contract, security instrument, or other instrument affecting the transfer or sale of, or any interest in, a common interest development that effectively prohibits or restricts the installation or use of a video or television antenna, including a satellite dish, or that effectively prohibits or restricts the

attachment of that antenna to a structure within that development where the antenna is not visible from any street or common area, except as otherwise prohibited or restricted by law, is void and unenforceable as to its application to the installation or use of a video or television antenna that has a diameter or diagonal measurement of 36 inches or less.

(b) This section shall not apply to any covenant, condition, or restriction, as described in subdivision (a), that imposes reasonable restrictions on the installation or use of a video or television antenna, including a satellite dish, that has a diameter or diagonal measurement of 36 inches or less. For purposes of this section, "reasonable restrictions" means those restrictions that do not significantly increase the cost of the video or television antenna system, including all related equipment, or significantly decrease its efficiency or performance and include all of the following:

(1) Requirements for application and notice to the association prior to the installation.

(2) Requirement of the owner of a separate interest, as defined in Section 1351, to obtain the approval of the association for the installation of a video or television antenna that has a diameter or diagonal measurement of 36 inches or less on a separate interest owned by another.

(3) Provision for the maintenance, repair, or replacement of roofs or other building components.

(4) Requirements for installers of a video or television antenna to indemnify or reimburse the association or its members for loss or damage caused by the installation, maintenance, or use of a video or television antenna that has a diameter or diagonal measurement of 36 inches or less.

(c) Whenever approval is required for the installation or use of a video or television antenna, including a satellite dish, the application for approval shall be processed by the appropriate approving entity for the common interest development in the same manner as an application for approval of an architectural modification to the property, and the issuance of a decision on the application shall not be willfully delayed.

(d) In any action to enforce compliance with this section, the prevailing party shall be awarded reasonable attorney's fees.

**§1378.¹⁵ Architectural or Design Review;
Procedures for Approval**

(a) This section applies if an association's governing documents require association approval before an owner of a separate interest may make a physical change to the owner's separate interest or to the common area. In reviewing and approving or disapproving a proposed change, the association shall satisfy the following requirements:

(1) The association shall provide a fair, reasonable, and expeditious procedure for making its decision. The procedure shall be included in the association's governing documents. The procedure shall provide for prompt deadlines. The procedure shall state the maximum time for response to an application or a request for reconsideration by the board of directors.

(2) A decision on a proposed change shall be made in good faith and may not be unreasonable, arbitrary, or capricious.

(3) *Notwithstanding a contrary provision of the governing documents, a decision on a proposed change may not violate any governing provision of law, including, but not limited to, the Fair Employment and Housing Act (Part 2.8 (commencing with Section 12900) of Division 3 of Title 2 of the Government Code), or a building code or other applicable law governing land use or public safety.*

(4) A decision on a proposed change shall be in writing. If a proposed change is disapproved, the written decision shall include both an explanation of why the proposed change is disapproved and a description of the procedure for reconsideration of the decision by the board of directors.

(5) If a proposed change is disapproved, the applicant is entitled to reconsideration by the board of directors of the association that made the decision, at an open meeting of the board. This paragraph does not require reconsideration of a decision that is made by the board of directors or a body that has the same membership as the board of directors, at a meeting that satisfies the requirements of Section 1363.05. Reconsideration by the board does not constitute dispute resolution within the meaning of Section 1363.820.

(b) Nothing in this section authorizes a physical change to the common area in a manner that is inconsistent with an association's governing documents, *unless the change is required by law.*

(c) An association shall annually provide its members with notice of any requirements for association approval of physical changes to property. The notice shall describe the types of changes that require association approval and shall include a copy of the procedure used to review and approve or disapprove a proposed change.

This section may not preclude a common interest development manager from disclosing information as required in Section 1363.1 of the Civil Code.

(b) This section does not apply to provisions which impose reasonable restrictions on solar energy

systems. However, it is the policy of the state to promote and encourage the use of solar energy systems and to remove obstacles thereto. Accordingly, reasonable restrictions on a solar energy system are those restrictions that do not significantly increase the cost of the system or significantly decrease its efficiency or specified performance, or that allow for an alternative system of comparable cost, efficiency, and energy conservation benefits.

(c) (1) A solar energy system shall meet applicable health and safety standards and requirements imposed by state and local permitting authorities.

(2) A solar energy system for heating water shall be certified by the Solar Rating Certification Corporation (SRCC) or other nationally recognized certification agencies. SRCC is a nonprofit third party supported by the United States Department of Energy. The certification shall be for the entire solar energy system and installation.

(3) A solar energy system for producing electricity shall also meet all applicable safety and performance standards established by the National Electrical Code, the Institute of Electrical and Electronics Engineers, and accredited testing laboratories such as Underwriters Laboratories and, where applicable, rules of the Public Utilities Commission regarding safety and reliability.

(d) For the purposes of this section:

(1) (A) For solar domestic water heating systems or solar swimming pool heating systems that comply with state and federal law, "significantly" means an amount exceeding 20 percent of the cost of the system or decreasing the efficiency of the solar energy system by an amount exceeding 20 percent, as originally specified and proposed.

(B) For photovoltaic systems that comply with state and federal law, "significantly" means an amount not to exceed two thousand dollars (\$2,000) over the system cost as originally specified and proposed, or a decrease in system efficiency of an amount exceeding 20 percent as originally specified and proposed.

(2) "Solar energy system" has the same meaning as defined in paragraphs (1) and (2) of subdivision (a) of Section 801.5.

(e) Whenever approval is required for the installation or use of a solar energy system, the application for approval shall be processed and approved by the appropriate approving entity in the same manner as an application for approval of an

architectural modification to the property, and shall not be willfully avoided or delayed.

(f) Any entity, other than a public entity, that willfully violates this section shall be liable to the applicant or other party for actual damages occasioned thereby, and shall pay a civil penalty to the applicant or other party in an amount not to exceed one thousand dollars (\$1,000).

(g) In any action to enforce compliance with this section, the prevailing party shall be awarded reasonable attorney's fees.

(h) (1) A public entity that fails to comply with this section may not receive funds from a state-sponsored grant or loan program for solar energy. A public entity shall certify its compliance with the requirements of this section when applying for funds from a state-sponsored grant or loan program.

(2) A local public entity may not exempt residents in its jurisdiction from the requirements of this section.

§714.1. Solar Energy System; Reasonable Restrictions in Community Associations

Notwithstanding Section 714, any association, as defined in Section 1351, may impose reasonable provisions which:

(a) Restrict the installation of solar energy systems installed in common areas, as defined in Section 1351, to those systems approved by the association.

(b) Require the owner of a separate interest, as defined in Section 1351, to obtain the approval of the association for the installation of a solar energy system in a separate interest owned by another.

(c) Provide for the maintenance, repair, or replacement of roofs or other building components.

(d) Require installers of solar energy systems to indemnify or reimburse the association or its members for loss or damage caused by the installation, maintenance, or use of the solar energy system.

(j) At the hearing of a small claims action, the court shall require any individual who is appearing as a representative of a party under subdivisions (b) to (i), inclusive, to file a declaration stating (1) that the individual is authorized to appear for the party, and (2) the basis for that authorization. If the representative is appearing under subdivision (b), (c), (d), (h), *or* (i), the declaration shall also state that the individual is not employed solely to represent the party in small claims court.

[Remainder of section omitted.]

SMALL CLAIMS COURT

§116.540. Small Claims Court; Representatives Appearing for Corporate Parties

(a) Except as permitted by this section, no individual other than the plaintiff and the defendant may take part in the conduct or defense of a small claims action.

(b) *Except as additionally provided in subdivision (i), a corporation may appear and participate in a small claims court action only through a regular employee, or a duly appointed or elected officer or director, who is employed, appointed, or elected for purposes other than solely representing the corporation in small claims court.*

. . .

(i) *A party that is an association created to manage a common interest development, as defined in Section 1351 of the Civil Code, may appear and participate in a small claims action through an agent, a management company representative, or bookkeeper who appears on behalf of that association.*

POST-FORECLOSURE RIGHT OF REDEMPTION

§729.035. Right of Redemption; Foreclosure of Delinquent Assessment Liens

Notwithstanding any provision of law to the contrary, the sale of a separate interest in a common interest development is subject to the right of redemption within 90 days after the sale if the sale arises from a foreclosure by the association of a common interest development pursuant to subdivision (g) of Section 1367.1 of the Civil Code, subject to the conditions of Section 1367.4 of the Civil Code.

V. SELECTED CORPORATIONS CODE PROVISIONS AFFECTING COMMON INTEREST DEVELOPMENTS

DEFINITIONS

§8. "Writing"

Writing includes any form of recorded message capable of comprehension by ordinary visual means; and when used to describe communications between a corporation, partnership, or limited liability company and its shareholders, members, partners, directors, or managers, writing shall include electronic transmissions by and to a corporation (Sections 20 and 21), electronic transmissions by and to a partnership (subdivisions (4) and (5) of Section 16101), and electronic transmissions by and to a limited liability company (paragraphs (1) and (2) of subdivision (o) of Section 17001). Whenever any notice, report, statement, or record is required or authorized by this code, it shall be made in writing in the English language.

Whenever any notice or other communication is required by this code to be mailed by registered mail by or to any person or corporation, the mailing of such notice or other communication by certified mail shall be deemed to be a sufficient compliance with the requirements of law.

§20. "Electronic transmission by the corporation"

"Electronic transmission by the corporation" means a communication (a) delivered by (1) facsimile telecommunication or electronic mail when directed to the facsimile number or electronic mail address, respectively, for that recipient on record with the corporation, (2) posting on an electronic message board or network which the corporation has designated for those communications, together with a separate notice to the recipient of the posting, which transmission shall be validly delivered upon the later of the posting or delivery of the separate notice thereof, or (3) other means of electronic communication, (b) to a recipient who has provided an unrevoked consent to the use of those means of transmission for communications under or pursuant to this code, and (c) that creates a record that is capable of retention, retrieval, and review, and that may thereafter be rendered into clearly legible tangible form. However, an electronic transmission by a corporation to an individual shareholder or member under this code is not authorized unless, in addition to satisfying the requirements of this section, the transmission satisfies the requirements applicable to

consumer consent to electronic records as set forth in the Electronic Signatures in Global and National Commerce Act (15 U.S.C. Sec. 7001(c)(1)).

§21. "Electronic transmission to the corporation"

"Electronic transmission to the corporation" means a communication (a) delivered by (1) facsimile telecommunication or electronic mail when directed to the facsimile number or electronic mail address, respectively, which the corporation has provided from time to time to shareholders or members and directors for sending communications to the corporation, (2) posting on an electronic message board or network which the corporation has designated for those communications, and which transmission shall be validly delivered upon the posting, or (3) other means of electronic communication, (b) as to which the corporation has placed in effect reasonable measures to verify that the sender is the shareholder or member (in person or by proxy) or director purporting to send the transmission, and (c) that creates a record that is capable of retention, retrieval, and review, and that may thereafter be rendered into clearly legible tangible form.

MAILING

§5009. Mailing

Except as otherwise required, any reference in this part, Part 2, Part 3, Part 4 or Part 5 to mailing means first-, second-, or third-class mail, postage prepaid, unless registered mail is specified. Registered mail includes certified mail.

NOTICES IN NEWSLETTERS

§5016. Notices or Reports Mailed or Delivered as Part of Newsletter or Magazine

A notice or report mailed or delivered as part of a newsletter, magazine or other organ regularly sent to members shall constitute written notice or report pursuant to this division when addressed and mailed or delivered to the member, or in the case of members who are residents of the same household and who have the same address on the books of the corporation,

when addressed and mailed or delivered to one of such members, at the address appearing on the books of the corporation.

GENERAL

§5033. Approval By or Approval of a Majority of All Members

“Approval by (or approval of) a majority of all members” means approval by an affirmative vote (or written ballot in conformity with Section 5513, Section 7513, or Section 9413) of a majority of the votes entitled to be cast. Such approval shall include the affirmative vote of a majority of the outstanding memberships of each class, unit, or grouping of members entitled, by any provision of the articles or bylaws or of Part 2, Part 3, Part 4 or Part 5 to vote as a class, unit, or grouping of members on the subject matter being voted upon and shall also include the affirmative vote of such greater proportion, including all, of the votes of the memberships of any class, unit, or grouping of members if such greater proportion is required by the bylaws (subdivision (e) of Section 5151, subdivision (e) of Section 7151, or subdivision (e) of Section 9151) or Part 2, Part 3, Part 4 or Part 5.

§5034. Approval By or Approval of the Members

“Approval by (or approval of) the members” means approved or ratified by the affirmative vote of a majority of the votes represented and voting at a duly held meeting at which a quorum is present (which affirmative votes also constitute a majority of the required quorum) or written ballot in conformity with Section 5513, 7513, or 9413 or by the affirmative vote or written ballot of such greater proportion, including all of the votes of the memberships of any class, unit, or grouping of members as may be provided in the bylaws (subdivision (e) of Section 5151, subdivision (e) of Section 7151, or subdivision (e) of Section 9151) or in Part 2, Part 3, Part 4 or Part 5 for all or any specified member action.

§5069. Proxy

“Proxy” means a written authorization signed by a member or the member’s attorney in fact giving another person or persons power to vote on behalf of such member. “Signed” for the purpose of this section means the placing of the member’s name on the proxy (whether by manual signature, typewriting,

telegraphic transmission or otherwise) by the member or such member’s attorney in fact.

§5079. “Written” or “In writing”

“Written” or “in writing” includes facsimile, telegraphic, and other electronic communication as authorized by this code, including an electronic transmission by a corporation that satisfies the requirements of Section 20.

§7210. Board of Directors; Exercise of Powers; Delegation of Management

Each corporation shall have a board of directors. Subject to the provisions of this part and any limitations in the articles or bylaws relating to action required to be approved by the members (Section 5034), or by a majority of all members (Section 5033), the activities and affairs of a corporation shall be conducted and all corporate powers shall be exercised by or under the direction of the board. The board may delegate the management of the activities of the corporation to any person or persons, management company, or committee however composed, provided that the activities and affairs of the corporation shall be managed and all corporate powers shall be exercised under the ultimate direction of the board.

§7211. Meetings

(a) Unless otherwise provided in the articles or in the bylaws, all of the following apply:

(1) Meetings of the board may be called by the chair of the board or the president or any vice president or the secretary or any two directors.

(2) Regular meetings of the board may be held without notice if the time and place of the meetings are fixed by the bylaws or the board. Special meetings of the board shall be held upon four days’ notice by first-class mail or 48 hours’ notice delivered personally or by telephone, including a voice messaging system or by electronic transmission by the corporation (Section 20). The articles or bylaws may not dispense with notice of a special meeting. A notice, or waiver of notice, need not specify the purpose of any regular or special meeting of the board.

(3) Notice of a meeting need not be given to a director who provided a waiver of notice or consent to holding the meeting or an approval of the minutes thereof in writing, whether before or after the meeting, or who attends the meeting without protesting, prior

thereto or at its commencement, the lack of notice to that director. These waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meetings.

(4) A majority of the directors present, whether or not a quorum is present, may adjourn any meeting to another time and place. If the meeting is adjourned for more than 24 hours, notice of an adjournment to another time or place shall be given prior to the time of the adjourned meeting to the directors who were not present at the time of the adjournment.

(5) Meetings of the board may be held at a place within or without the state that has been designated in the notice of the meeting or, if not stated in the notice or if there is no notice, designated in the bylaws or by resolution of the board.

(6) Members of the board may participate in a meeting through use of conference telephone, electronic video screen communication, or electronic transmission by and to the corporation (Sections 20 and 21). Participation in a meeting through use of conference telephone or electronic video screen communication pursuant to this subdivision constitutes presence in person at that meeting as long as all members participating in the meeting are able to hear one another. Participation in a meeting through use of electronic transmission by and to the corporation, other than conference telephone and electronic video screen communication, pursuant to this subdivision constitutes presence in person at that meeting if both of the following apply:

(A) Each member participating in the meeting can communicate with all of the other members concurrently.

(B) Each member is provided the means of participating in all matters before the board, including, without limitation, the capacity to propose, or to interpose an objection to, a specific action to be taken by the corporation.

(7) A majority of the number of directors authorized in the articles or bylaws constitutes a quorum of the board for the transaction of business. The articles or bylaws may not provide that a quorum shall be less than one-fifth the number of directors authorized in the articles or bylaws, or less than two, whichever is larger, unless the number of directors authorized in the articles or bylaws is one, in which case one director constitutes a quorum.

(8) Subject to the provisions of Sections 7212, 7233, 7234, and subdivision (e) of Section 7237 and Section 5233, insofar as it is made applicable pursuant to Section 7238, an act or decision done or made by a majority of the directors present at a meeting duly held at which a quorum is present is the act of the board. The articles or bylaws may not provide that a lesser vote than a majority of the directors present at a meeting is the act of the board. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for that meeting, or a greater number required by this division, the articles or bylaws.

(b) An action required or permitted to be taken by the board may be taken without a meeting, if all members of the board shall individually or collectively consent in writing to that action. The written consent or consents shall be filed with the minutes of the proceedings of the board. The action by written consent shall have the same force and effect as a unanimous vote of the directors. For purposes of this *subdivision* only, "all members of the board" does not include an "interested director" as defined in Section 5233, insofar as it is made applicable pursuant to Section 7238.

(c) This section applies also to incorporators, to committees of the board, and to action by those incorporators or committees *mutatis mutandis*.

§7212. Committees

(a) The board may, by resolution adopted by a majority of the number of directors then in office, provided that a quorum is present, create one or more committees, each consisting of two or more directors, to serve at the pleasure of the board. Appointments to such committees shall be by a majority vote of the directors then in office, unless the articles or bylaws require a majority vote of the number of directors authorized in the articles or bylaws. The bylaws may authorize one or more committees, each consisting of two or more directors, and may provide that a specified officer or officers who are also directors of the corporation shall be a member or members of such committee or committees. The board may appoint one or more directors as alternate members of any committee, who may replace any absent member at any meeting of the committee. Any such committee, to the extent provided in the resolution of the board or in the bylaws, shall have all the authority of the board, except with respect to:

(1) The approval of any action for which this part also requires approval of the members (Section 5034) or approval of a majority of all members (Section 5033).

(2) The filling of vacancies on the board or in any committee which has the authority of the board.

(3) The fixing of compensation of the directors for serving on the board or on any committee.

(4) The amendment or repeal of bylaws or the adoption of new bylaws.

(5) The amendment or repeal of any resolution of the board which by its express terms is not so amendable or repealable.

(6) The appointment of committees of the board or the members thereof.

(7) The expenditure of corporate funds to support a nominee for director after there are more people nominated for director than can be elected.

(8) With respect to any assets held in charitable trust, the approval of any self-dealing transaction except as provided in paragraph (3) of subdivision (d) of Section 5233.

(b) Subdivision (a) shall not apply to any committee which does not exercise the authority of the board.

(c) Unless the bylaws otherwise provide, the board may delegate to any committee, appointed pursuant to paragraph (4) of subdivision (c) of Section 7151 or otherwise, powers as authorized by Section 7210, but may not delegate the powers set forth in paragraphs (1) through (8) of subdivision (a) of this section.

§7213. Officers

(a) A corporation shall have a chairman of the board or a president or both, a secretary, a chief financial officer and such other officers with such titles and duties as shall be stated in the bylaws or determined by the board and as may be necessary to enable it to sign instruments. The president, or if there is no president the chairman of the board, is the general manager and chief executive officer of the corporation, unless otherwise provided in the articles or bylaws. Any number of offices may be held by the same person unless the articles or bylaws provide otherwise.

(b) Except as otherwise provided by the articles or bylaws, officers shall be chosen by the board and serve at the pleasure of the board, subject to the rights, if any,

of an officer under any contract of employment. Any officer may resign at any time upon written notice to the corporation without prejudice to the rights, if any, of the corporation under any contract to which the officer is a party.

DIRECTORS AND OFFICERS

§7221. Declaration of Vacancy; Grounds; Director Qualifications

(a) The board may declare vacant the office of a director who has been declared of unsound mind by a final order of court, or convicted of a felony, or, in the case of a corporation holding assets in charitable trust, has been found by a final order or judgment of any court to have breached any duty arising as a result of Section 7238, or, if at the time a director is elected, the bylaws provide that a director may be removed for missing a specified number of board meetings, fails to attend the specified number of meetings.

(b) As provided in paragraph (3) of subdivision (c) of Section 7151, the articles or bylaws may prescribe the qualifications of the directors. The board, by a majority vote of the directors who meet all of the required qualifications to be a director, may declare vacant the office of any director who fails or ceases to meet any required qualification that was in effect at the beginning of that director's current term of office.

§7222. Removal; Reduction in Number

(a) Subject to subdivisions (b) and (f) of this section, any or all directors may be removed without cause if:

(1) In a corporation with fewer than 50 members, the removal is approved by a majority of all members (Section 5033).

(2) In a corporation with 50 or more members, the removal is approved by the members (Section 5034).

(3) In a corporation with no members, the removal is approved by a majority of the directors then in office.

(b) Except for a corporation having no members, pursuant to Section 7310:

(1) In a corporation in which the articles or bylaws authorize members to cumulate their votes pursuant to subdivision (a) of Section 7615, no director may be removed (unless the entire board is removed) when the votes cast against removal, or not consenting in writing to the removal, would be sufficient to elect the director

if voted cumulatively at an election at which the same total number of votes were cast (or, if the action is taken by written ballot, all memberships entitled to vote were voted) and the entire number of directors authorized at the time of the director's most recent election were then being elected.

(2) When by the provisions of the articles or bylaws the members of any class, voting as a class, are entitled to elect one or more directors, any director so elected may be removed only by the applicable vote of the members of that class.

(3) When by the provisions of the articles or bylaws the members within a chapter or other organizational unit, or region or other geographic grouping, voting as such, are entitled to elect one or more directors, any director so elected may be removed only by the applicable vote of the members within the organizational unit or geographic grouping.

(c) Any reduction of the authorized number of directors or any amendment reducing the number of classes of directors does not remove any director prior to the expiration of the director's term of office.

(d) Except as provided in this section and Sections 7221 and 7223, a director may not be removed prior to the expiration of the director's term of office.

(e) Where a director removed under this section or Section 7221 or 7223 was chosen by designation pursuant to subdivision (d) of Section 7220, then:

(1) Where a different person may be designated pursuant to the governing article or bylaw provision, the new designation shall be made.

(2) Where the governing article or bylaw provision contains no provision under which a different person may be designated, the governing article or bylaw provision shall be deemed repealed.

(f) When by the provisions of the articles or bylaws a person or persons are entitled to designate one or more directors, then:

(1) Unless otherwise provided in the articles or bylaws at the time of designation, any director so designated may be removed without cause by the designating person or persons.

(2) Any director so designated may only be removed under subdivision (a) with the written consent of the designating person or persons.

§7224. Filling Vacancies; Resignation; Successor to Take Office At Effective Date of Resignation

(a) Unless otherwise provided in the articles or bylaws and except for a vacancy created by the removal of a director, vacancies on the board may be filled by approval of the board (Section 5032) or, if the number of directors then in office is less than a quorum, by (1) the unanimous written consent of the directors then in office, (2) the affirmative vote of a majority of the directors then in office at a meeting held pursuant to notice or waivers of notice complying with Section 7211, or (3) a sole remaining director. Unless the articles or a bylaw approved by the members (Section 5034) provide that the board may fill vacancies occurring in the board by reason of the removal of directors, or unless the corporation has no members pursuant to Section 7310, such vacancies may be filled only by the approval of the members (Section 5034).

(b) The members may elect a director at any time to fill any vacancy not filled by the directors.

(c) Any director may resign effective upon giving written notice to the chairman of the board, the president, the secretary or the board of directors of the corporation, unless the notice specifies a later time for the effectiveness of such resignation. If the resignation is effective at a future time, a successor may be elected to take office when the resignation becomes effective.

§7231. Performance of Duties; Degree of Care; Reliance on Reports, Etc.; Good Faith; Exemption From Liability

(a) A director shall perform the duties of a director, including duties as a member of any committee of the board upon which the director may serve, in good faith, in a manner such director believes to be in the best interests of the corporation and with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use under similar circumstances.

(b) In performing the duties of a director, a director shall be entitled to rely on information, opinions, reports or statements, including financial statements and other financial data, in each case prepared or presented by:

(1) One or more officers or employees of the corporation whom the director believes to be reliable and competent in the matters presented;

(2) Counsel, independent accountants or other persons as to matters which the director believes to be within such person's professional or expert competence; or

(3) A committee of the board upon which the director does not serve, as to matters within its designated authority, which committee the director believes to merit confidence, so long as, in any such case, the director acts in good faith, after reasonable inquiry when the need therefor is indicated by the circumstances and without knowledge that would cause such reliance to be unwarranted.

(c) A person who performs the duties of a director in accordance with subdivisions (a) and (b) shall have no liability based upon any alleged failure to discharge the person's obligations as a director, including, without limiting the generality of the foregoing, any actions or omissions which exceed or defeat a public or charitable purpose to which assets held by a corporation are dedicated.

§7233. Conflicts of Interest; Disclosure; Common Directorships; Just and Reasonable Contracts

(a) No contract or other transaction between a corporation and one or more of its directors, or between a corporation and any domestic or foreign corporation, firm or association in which one or more of its directors has a material financial interest, is either void or voidable because such director or directors or such other corporation business corporation, firm or association are parties or because such director or directors are present at the meeting of the board or a committee thereof which authorizes, approves or ratifies the contract or transaction, if:

(1) The material facts as to the transaction and as to such director's interest are fully disclosed or known to the members and such contract or transaction is approved by the members (Section 5034) in good faith, with any membership owned by any interested director not being entitled to vote thereon;

(2) The material facts as to the transaction and as to such director's interest are fully disclosed or known to the board or committee, and the board or committee authorizes, approves or ratifies the contract or transaction in good faith by a vote sufficient without counting the vote of the interested director or directors and the contract or transaction is just and reasonable as to the corporation at the time it is authorized, approved or ratified; or

(3) As to contracts or transactions not approved as provided in paragraph (1) or (2) of this subdivision, the person asserting the validity of the contract or transaction sustains the burden of proving that the contract or transaction was just and reasonable as to the corporation at the time it was authorized, approved or ratified.

A mere common directorship does not constitute a material financial interest within the meaning of this subdivision. A director is not interested within the meaning of this subdivision in a resolution fixing the compensation of another director as a director, officer or employee of the corporation, notwithstanding the fact that the first director is also receiving compensation from the corporation.

(b) No contract or other transaction between a corporation and any corporation, business corporation or association of which one or more of its directors are directors is either void or voidable because such director or directors are present at the meeting of the board or a committee thereof which authorizes, approves or ratifies the contract or transaction, if:

(1) The material facts as to the transaction and as to such director's other directorship are fully disclosed or known to the board or committee, and the board or committee authorizes, approves or ratifies the contract or transaction in good faith by a vote sufficient without counting the vote of the common director or directors or the contract or transaction is approved by the members (Section 5034) in good faith; or

(2) As to contracts or transactions not approved as provided in paragraph (1) of this subdivision, the contract or transaction is just and reasonable as to the corporation at the time it is authorized, approved or ratified.

This subdivision does not apply to contracts or transactions covered by subdivision (a).

MEMBER DISCIPLINE/RIGHTS

§7341. Expulsion, Suspension or Termination; Fairness and Reasonableness; Procedure

(a) No member may be expelled or suspended, and no membership or memberships may be terminated or suspended, except according to procedures satisfying the requirements of this section. An expulsion, termination or suspension not in accord with this section shall be void and without effect.

(b) Any expulsion, suspension, or termination must be done in good faith and in a fair and reasonable manner. Any procedure which conforms to the requirements of subdivision (c) is fair and reasonable, but a court may also find other procedures to be fair and reasonable when the full circumstances of the suspension, termination, or expulsion are considered.

(c) A procedure is fair and reasonable when:

(1) The provisions of the procedure have been set forth in the articles or bylaws, or copies of such provisions are sent annually to all the members as required by the articles or bylaws;

(2) It provides the giving of 15 days' prior notice of the expulsion, suspension or termination and the reasons therefor; and

(3) It provides an opportunity for the member to be heard, orally or in writing, not less than five days before the effective date of the expulsion, suspension or termination by a person or body authorized to decide that the proposed expulsion, termination or suspension not take place.

(d) Any notice required under this section may be given by any method reasonably calculated to provide actual notice. Any notice given by mail must be given by first-class or registered mail sent to the last address of the members shown on the corporation's records.

(e) Any action challenging an expulsion, suspension or termination of membership, including any claim alleging defective notice, must be commenced within one year after the date of the expulsion, suspension or termination. In the event such an action is successful the court may order any relief, including reinstatement, if it finds equitable under the circumstances, but no vote of the members or of the board may be set aside solely because a person was at the time of the vote wrongfully excluded by virtue of the challenged expulsion, suspension or termination, unless the court finds further that the wrongful expulsion, suspension or termination was in bad faith and for the purpose, and with the effect, of wrongfully excluding the member from the vote or from the meeting at which the vote took place, so as to affect the outcome of the vote.

(f) This section governs only the procedures for expulsion, suspension or termination and not the substantive grounds therefor. An expulsion, suspension or termination based upon substantive grounds which violate contractual or other rights of the

member or are otherwise unlawful is not made valid by compliance with this section.

(g) A member who is expelled or suspended or whose membership is terminated shall be liable for any charges incurred, services or benefits actually rendered, dues, assessments or fees incurred before the expulsion, suspension or termination or arising from contract or otherwise.

MEETINGS OF MEMBERS/VOTING

§7510. Annual Meetings; Place; Written Ballot; Court Order for Meeting; Special Meetings

(a) Meetings of members may be held at a place within or without this state as may be stated in or fixed in accordance with the bylaws. If no other place is so stated or fixed, meetings of members shall be held at the principal office of the corporation. Unless prohibited by the bylaws of the corporation, if authorized by the board of directors in its sole discretion, and subject to the requirement of consent in clause (b) of Section 20 and those guidelines and procedures as the board of directors may adopt, members not physically present in person (or, if proxies are allowed, by proxy) at a meeting of members may, by electronic transmission by and to the corporation (Section 20 and 21) or by electronic video screen communication, participate in a meeting of members, be deemed present in person (or, if proxies are allowed, by proxy), and vote at a meeting of members whether that meeting is to be held at a designated place or in whole or in part by means of electronic transmission by and to the corporation or by electronic video screen communication, in accordance with subdivision (f).

(b) A regular meeting of members shall be held on a date and time, and with the frequency stated in or fixed in accordance with the bylaws, but in any event in each year in which directors are to be elected at that meeting for the purpose of conducting such election, and to transact any other proper business which may be brought before the meeting.

(c) If a corporation with members is required by subdivision (b) to hold a regular meeting and fails to hold the regular meeting for a period of 60 days after the date designated therefor or, if no date has been designated, for a period of 15 months after the formation of the corporation or after its last regular meeting, or if the corporation fails to hold a written ballot for a period of 60 days after the date designated

therefor, then the superior court of the proper county may summarily order the meeting to be held or the ballot to be conducted upon the application of a member or the Attorney General, after notice to the corporation giving it an opportunity to be heard.

(d) The votes represented, either in person (or, if proxies are allowed, by proxy), at a meeting called or by written ballot ordered pursuant to subdivision (c) and entitled to be cast on the business to be transacted shall constitute a quorum, notwithstanding any provision of the articles or bylaws or in this part to the contrary. The court may issue such orders as may be appropriate including, within limitation, orders designating the time and place of the meeting, the record date for determination of members entitled to vote, and the form of notice of the meeting.

(e) Special meetings of members for any lawful purpose may be called by the board, the chairman of the board, the president, or such other persons, if any, as are specified in the bylaws. In addition, special meetings of members for any lawful purpose may be called by 5 percent or more of the members.

(f) A meeting of the members may be conducted, in whole or in part, by electronic transmission by and to the corporation or by electronic video screen communication (1) if the corporation implements reasonable measures to provide members in person (or, if proxies are allowed, by proxy) a reasonable opportunity to participate in the meeting and to vote on matters submitted to the members, including an opportunity to read or hear the proceedings of the meeting substantially concurrently with those proceedings, and (2) if any member votes or takes other action at the meeting by means of electronic transmission to the corporation or electronic video screen communication, a record of that vote or action is maintained by the corporation. Any request by a corporation to a member pursuant to clause (b) of Section 20 for consent to conduct a meeting of members by electronic transmission by and to the corporation, shall include a notice that absent consent of the member pursuant to clause (b) of Section 20, the meeting shall be held at a physical location in accordance with subdivision (a).

§7511. Notice of Meeting

(a) Whenever members are required or permitted to take any action at a meeting, a written notice of the meeting shall be given not less than 10 nor more than 90 days before the date of the meeting to each member who, on the record date for notice of the meeting, is

entitled to vote thereat; provided, however, that if notice is given by mail, and the notice is not mailed by first-class, registered, or certified mail, that notice shall be given not less than 20 days before the meeting. Subject to subdivision (f), and subdivision (b) of Section 7512, the notice shall state the place, date and time of the meeting, the means of electronic transmission by and to the corporation (Sections 20 and 21) or electronic video screen communication, if any, by which members may participate in that meeting, and (1) in the case of a special meeting, the general nature of the business to be transacted, and no other business may be transacted, or (2) in the case of the regular meeting, those matters which the board, at the time the notice is given, intends to present for action by the members, but, except as provided in subdivision (b) of Section 7512, any proper matter may be presented at the meeting for the action. The notice of any meeting at which directors are to be elected shall include the names of all those who are nominees at the time the notice is given to members.

(b) Notice of a members' meeting or any report shall be given personally, by electronic transmission by a corporation, or by mail or other means of written communication, addressed to a member at the address of the member appearing on the books of the corporation or given by the member to the corporation for purpose of notice; or if no such address appears or is given, at the place where the principal office of the corporation is located or by publication at least once in a newspaper of general circulation in the county in which the principal office is located. An affidavit of giving of any notice or report in accordance with the provisions of this part, executed by the secretary, assistant secretary or any transfer agent, shall be prima facie evidence of the giving of the notice or report.

If any notice or report addressed to the member at the address of the member appearing on the books of the corporation is returned to the corporation by the United States Postal Service marked to indicate that the United States Postal Service is unable to deliver the notice or report to the member at the address, all future notices or reports shall be deemed to have been duly given without further mailing if the same shall be available for the member upon written demand of the member at the principal office of the corporation for a period of one year from the date of the giving of the notice or report to all other members.

Notice given by electronic transmission by the corporation under this subdivision shall be valid only if it complies with Section 20. Notwithstanding the foregoing, notice shall not be given by electronic

transmission by the corporation under this subdivision after either of the following:

(1) The corporation is unable to deliver two consecutive notices to the member by that means.

(2) The inability to so deliver the notices to the member becomes known to the secretary, any assistant secretary, the transfer agent, or other person responsible for the giving of the notice.

(c) Upon request in writing to the corporation addressed to the attention of the chairman of the board, president, vice president, or secretary by any person (other than the board) entitled to call a special meeting of members, the officer forthwith shall cause notice to be given to the members entitled to vote that a meeting will be held at a time fixed by the board not less than 35 nor more than 90 days after the receipt of the request. If the notice is not given within 20 days after receipt of the request, the persons entitled to call the meeting may give the notice or the superior court of the proper county shall summarily order the giving of the notice, after notice to the corporation giving it an opportunity to be heard. The court may issue such orders as may be appropriate, including, without limitation, orders designating the time and place of the meeting, the record date for determination of members entitled to vote, and the form of notice.

(d) When a members' meeting is adjourned to another time or place, unless the bylaws otherwise require and except as provided in this subdivision, notice need not be given of the adjourned meeting if the time and place thereof (or the means of electronic transmission by and to the corporation or electronic video screen communication, if any, by which members may participate) are announced at the meeting at which the adjournment is taken. No meeting may be adjourned for more than 45 days. At the adjourned meeting the corporation may transact any business which might have been transacted at the original meeting. If after the adjournment a new record date is fixed for notice or voting, a notice of the adjourned meeting shall be given to each member who, on the record date for notice of the meeting, is entitled to vote at the meeting.

(e) The transactions of any meeting of members however called and noticed, and wherever held, are as valid as though had at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if, either before or after the meeting, each of the persons entitled to vote, not present in person (or, if proxies are allowed, by proxy),

provides a waiver of notice or consent to the holding of the meeting or an approval of the minutes thereof in writing. All such waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting. Attendance of a person at a meeting shall constitute a waiver of notice of and presence at the meeting, except when the person objects, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened and except that attendance at a meeting is not a waiver of any right to object to the consideration of matters required by this part to be included in the notice but not so included, if the objection is expressly made at the meeting. Neither the business to be transacted at nor the purpose of any regular or special meeting of members need be specified in any written waiver of notice, consent to the holding of the meeting or approval of the minutes thereof, unless otherwise provided in the articles or bylaws, except as provided in subdivision (f).

(f) Any approval of the members required under Section 7222, 7224, 7233, 7812, 8610, or 8719, other than unanimous approval by those entitled to vote, shall be valid only if the general nature of the proposal so approved was stated in the notice of meeting or in any written waiver of notice.

(g) A court may find that notice not given in conformity with this section is still valid, if it was given in a fair and reasonable manner.

§7512. Quorum

(a) One-third of the voting power, represented in person or by proxy, shall constitute a quorum at a meeting of members, but, subject to subdivisions (b) and (c), a bylaw may set a different quorum. Any bylaw amendment to increase the quorum may be adopted only by approval of the members (Section 5034). If a quorum is present, the affirmative vote of the majority of the voting power represented at the meeting, entitled to vote, and voting on any matter shall be the act of the members unless the vote of a greater number or voting by classes is required by this part or the articles or bylaws.

(b) Where a bylaw authorizes a corporation to conduct a meeting with a quorum of less than one-third of the voting power, then the only matters that may be voted upon at any regular meeting actually attended, in person or by proxy, by less than one-third of the voting power are matters notice of the general nature of which was given, pursuant to the first sentence of subdivision (a) of Section 7511.

(c) Subject to subdivision (b), the members present at a duly called or held meeting at which a quorum is present may continue to transact business until adjournment notwithstanding the withdrawal of enough members to leave less than a quorum, if any action taken (other than adjournment) is approved by at least a majority of the members required to constitute a quorum or, if required by this division, or by the articles or the bylaws, the vote of the greater number or voting by classes.

(d) In the absence of a quorum, any meeting of members may be adjourned from time to time by the vote of a majority of the votes represented either in person or by proxy, but no other business may be transacted, except as provided in subdivision (c).

§7513. Acts without Meeting; Written Ballot; Number of Ballots and Approvals; Solicitation; Revocation of Ballots; Election of Directors

(a) Subject to subdivision (e), and unless prohibited in the articles or bylaws, any action which may be taken at any regular or special meeting of members may be taken without a meeting if the corporation distributes a written ballot to every member entitled to vote on the matter. Unless otherwise provided by the articles or bylaws and if approved by the board of directors, that ballot and any related material may be sent by electronic transmission by the corporation (Section 20) and responses may be returned to the corporation by electronic transmission to the corporation (Section 21). That ballot shall set forth the proposed action, provide an opportunity to specify approval or disapproval of any proposal, and provide a reasonable time within which to return the ballot to the corporation.

(b) Approval by written ballot pursuant to this section shall be valid only when the number of votes cast by ballot within the time period specified equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot.

(c) Ballots shall be solicited in a manner consistent with the requirements of subdivision (b) of Section 7511 and Section 7514. All such solicitations shall indicate the number of responses needed to meet the quorum requirement and, with respect to ballots other than for the election of directors, shall state the percentage of

approvals necessary to pass the measure submitted. The solicitation must specify the time by which the ballot must be received in order to be counted.

(d) Unless otherwise provided in the articles or bylaws, a written ballot may not be revoked.

(e) Directors may be elected by written ballot under this section, where authorized by the articles or bylaws, except that election by written ballot may not be authorized where the directors are elected by cumulative voting pursuant to Section 7615.

(f) When directors are to be elected by written ballot and the articles or bylaws prescribe a nomination procedure, the procedure may provide for a date for the close of nominations prior to the printing and distributing of the written ballots.

§7514. Form of Proxy or Written Ballot

(a) Any form of proxy or written ballot distributed to 10 or more members of a corporation with 100 or more members shall afford an opportunity on the proxy or form of written ballot to specify a choice between approval and disapproval of each matter or group of related matters intended, at the time the written ballot or proxy is distributed, to be acted upon at the meeting for which the proxy is solicited or by such written ballot, and shall provide, subject to reasonable specified conditions, that where the person solicited specifies a choice with respect to any such matter the vote shall be cast in accordance therewith.

(b) In any election of directors, any form of proxy or written ballot in which the directors to be voted upon are named therein as candidates and which is marked by a member "withhold" or otherwise marked in a manner indicating that the authority to vote for the election of directors is withheld shall not be voted either for or against the election of a director.

(c) Failure to comply with this section shall not invalidate any corporate action taken, but may be the basis for challenging any proxy at a meeting or written ballot and the superior court may compel compliance therewith at the suit of any member.

§7517. Ballots, Proxies; Good Faith Acceptance or Rejection

(a) If the name signed on a ballot, consent, waiver, or proxy appointment corresponds to the name of a member, the corporation if acting in good faith is entitled to accept the ballot, consent, waiver or proxy appointment and give it effect as the act of the member.

(b) If the name signed on a ballot, consent, waiver, or proxy appointment does not correspond to the record name of a member, the corporation if acting in good faith is nevertheless entitled to accept the ballot, consent, waiver, or proxy appointment and give it effect as the act of the member if any of the following occur:

(1) The member is an entity and the name signed purports to be that of an officer or agent of the entity.

(2) The name signed purports to be that of an attorney-in-fact of the member and if the corporation requests, evidence acceptable to the corporation of the signatory's authority to sign for the member has been presented with respect to the ballot, consent, waiver, or proxy appointment.

(3) Two or more persons hold the membership as cotenants or fiduciaries and the name signed purports to be the name of at least one of the coholders and the person signing appears to be acting on behalf of all the coholders.

(4) The name signed purports to be that of an administrator, executor, guardian, or conservator representing the member and, if the corporation requests, evidence of fiduciary status acceptable to the corporation has been presented with respect to the ballot, consent, waiver, or proxy appointment.

(5) The name signed purports to be that of a receiver or trustee in bankruptcy of the member, and, if the corporation requests, evidence of this status acceptable to the corporation has been presented with respect to the ballot, consent, waiver, or proxy appointment.

(c) The corporation is entitled to reject a ballot, consent, waiver, or proxy appointment if the secretary or other officer or agent authorized to tabulate votes, acting in good faith, has a reasonable basis for doubt concerning the validity of the signature or the signatory's authority to sign for the member.

(d) The corporation and any officer or agent thereof who accepts or rejects a ballot, consent, waiver, or proxy appointment in good faith and in accordance with the standards of this section shall not be liable in damages to the member for the consequences of the acceptance or rejection.

(e) Corporate action based on the acceptance or rejection of a ballot, consent, waiver, or proxy appointment under this section is valid unless a court of competent jurisdiction determines otherwise.

§7611. Record Date; Right to Vote; Notice; Adjournment

(a) The bylaws may provide or, in the absence of such provision, the board may fix, in advance, a date as the record date for the purpose of determining the members entitled to notice of any meeting of members. Such record date shall not be more than 90 nor less than 10 days before the date of the meeting. If no record date is fixed, members at the close of business on the business day preceding the day on which notice is given or, if notice is waived, at the close of business on the business day preceding the day on which the meeting is held are entitled to notice of a meeting of members. A determination of members entitled to notice of a meeting of members shall apply to any adjournment of the meeting unless the board fixes a new record date for the adjourned meeting.

(b) The bylaws may provide or, in the absence of such provision, the board may fix, in advance, a date as the record date for the purpose of determining the members entitled to vote at a meeting of members. Such record date shall not be more than 60 days before the date of the meeting. Such record date shall also apply in the case of an adjournment of the meeting unless the board fixes a new record date for the adjourned meeting. If no record date is fixed, members on the day of the meeting who are otherwise eligible to vote are entitled to vote at the meeting of members or, in the case of an adjourned meeting, members on the day of the adjourned meeting who are otherwise eligible to vote are entitled to vote at the adjourned meeting of members.

(c) The bylaws may provide or, in the absence of such provision, the board may fix, in advance, a date as the record date for the purpose of determining the members entitled to cast written ballots (Section 7513). Such record date shall not be more than 60 days before the day on which the first written ballot is mailed or solicited. If no record date is fixed, members on the day the first written ballot is mailed or solicited who are otherwise eligible to vote are entitled to cast written ballots.

(d) The bylaws may provide or, in the absence of such provision, the board may fix, in advance, a date as the record date for the purpose of determining the members entitled to exercise any rights in respect of any other lawful action. Such record date shall not be more than 60 days prior to such other action. If no record date is fixed, members at the close of business on the day on which the board adopts the resolution relating thereto, or the 60th day prior to the date of

such other action, whichever is later, are entitled to exercise such rights.

§7612. Membership in Names of Two or More Persons

If a membership stands of record in the names of two or more persons, whether fiduciaries, members of a partnership, joint tenants, tenants in common, husband and wife as community property, tenants by the entirety, persons entitled to vote under a voting agreement or otherwise, or if two or more persons (including proxyholders) have the same fiduciary relationship respecting the same membership, unless the secretary of the corporation is given written notice to the contrary and is furnished with a copy of the instrument or order appointing them or creating the relationship wherein it is so provided, their acts with respect to voting shall have the following effect:

- (a) If only one votes, such act binds all; or
- (b) If more than one vote, the act of the majority so voting binds all.

§7613. Proxies

(a) Any member may authorize another person or persons to act by proxy with respect to such membership except that this right may be limited or withdrawn by the articles or bylaws, subject to subdivision (f). Any proxy purported to be executed in accordance with the provisions of this part shall be presumptively valid.

(b) No proxy shall be valid after the expiration of 11 months from the date thereof unless otherwise provided in the proxy, except that the maximum term of any proxy shall be three years from the date of execution. Every proxy continues in full force and effect until revoked by the person executing it prior to the vote pursuant thereto, except as otherwise provided in this section. Such revocation may be effected by a writing delivered to the corporation stating that the proxy is revoked or by a subsequent proxy executed by the person executing the prior proxy and presented to the meeting, or as to any meeting by attendance at such meeting and voting in person by the person executing the proxy. The dates contained on the forms of proxy presumptively determine the order of execution, regardless of the postmark dates on the envelopes in which they are mailed.

(c) A proxy is not revoked by the death or incapacity of the maker or the termination of a

membership as a result thereof unless, before the vote is counted, written notice of such death or incapacity is received by the corporation.

(d) Unless otherwise provided in the articles or bylaws, the proxy of a member which states that it is irrevocable is irrevocable for the period specified therein (notwithstanding subdivisions (b) and (c)) when it is held by any of the following or a nominee of any of the following:

- (1) A person who has purchased or who has agreed to purchase the membership;
- (2) A creditor or creditors of the corporation or the member who extended or continued credit to the corporation or the member in consideration of the proxy if the proxy states that it was given in consideration of such extension or continuation of credit and the name of the person extending or continuing the credit; or
- (3) A person who has contracted to perform services as an employee of the corporation, if the proxy is required by the contract of employment and if the proxy states that it was given in consideration of such contract of employment, the name of the employee and the period of employment contracted for.

Notwithstanding the period of irrevocability specified, the proxy becomes revocable when the agreement to purchase is terminated; the debt of the corporation or the member is paid; or the period of employment provided for in the contract of employment has terminated. In addition to the foregoing paragraphs (1) through (3), a proxy of a member may be made irrevocable (notwithstanding subdivision (c)) if it is given to secure the performance of a duty or to protect a title, either legal or equitable, until the happening of events which, by its terms, discharge the obligations secured by it.

(e) A proxy may be revoked, notwithstanding a provision making it irrevocable, by a transferee of a membership without knowledge of the existence of the provision unless the existence of the proxy and its irrevocability appears on the certificate representing the membership.

(f) Subdivision (a) notwithstanding:

(1) No amendment of the articles or bylaws repealing, restricting, creating or expanding proxy rights may be adopted without approval by the members (Section 5034); and

(2) No amendment of the articles or bylaws restricting or limiting the use of proxies may affect the validity of a previously issued irrevocable proxy during the term of its irrevocability, so long as it complied with applicable provisions, if any, of the articles or bylaws at the time of its issuance, and is otherwise valid under this section.

(g) Anything to the contrary notwithstanding, any revocable proxy covering matters requiring a vote of the members pursuant to Section 7222; Section 7224; Section 7233; paragraph (1) of subdivision (f) of this section; Section 7812; paragraph (2) of subdivision (a) of Section 7911; Section 8012; subdivision (a) of Section 8015; Section 8610; or subdivision (a) of Section 8719 is not valid as to such matters unless it sets forth the general nature of the matter to be voted on.

§7614. Inspectors of Election

(a) In advance of any meeting of members, the board may appoint inspectors of election to act at the meeting and any adjournment thereof. If inspectors of election are not so appointed, or if any persons so appointed fail to appear or refuse to act, the chairman of any meeting of members may, and on the request of any member or a member's proxy shall, appoint inspectors of election (or persons to replace those who so fail or refuse) at the meeting. The number of inspectors shall be either one or three. If appointed at a meeting on the request of one or more members or proxies, the majority of members represented in person or by proxy shall determine whether one or three inspectors are to be appointed. In the case of any action by written ballot (Section 7513), the board may similarly appoint inspectors of election to act with powers and duties as set forth in this section.

(b) The inspectors of election shall determine the number of memberships outstanding and the voting power of each, the number represented at the meeting, the existence of a quorum, and the authenticity, validity and effect of proxies, receive votes, ballots or consents, hear and determine all challenges and questions in any way arising in connection with the right to vote, count and tabulate all votes or consents, determine when the polls shall close, determine the result and do such acts as may be proper to conduct the election or vote with fairness to all members.

(c) The inspectors of election shall perform their duties impartially, in good faith, to the best of their ability and as expeditiously as is practical. If there are three inspectors of election, the decision, act or certificate of a majority is effective in all respects as the

decision, act or certificate of all. Any report or certificate made by the inspectors of election is prima facie evidence of the facts stated therein.

§7615. Cumulative Voting

(a) If the articles or bylaws authorize cumulative voting, but not otherwise, every member entitled to vote at any election of directors may cumulate the member's votes and give one candidate a number of votes equal to the number of directors to be elected multiplied by the number of votes to which the member is entitled, or distribute the member's votes on the same principle among as many candidates as the member thinks fit. An article or bylaw provision authorizing cumulative voting may be repealed or amended only by approval of the members (Section 5034), except that the governing article or bylaw provision may require the vote of a greater proportion of the members, or of the members of any class, for its repeal.

(b) No member shall be entitled to cumulate votes for a candidate or candidates unless the candidate's name or candidates' names have been placed in nomination prior to the voting and the member has given notice at the meeting prior to the voting of the member's intention to cumulate votes. If any one member has given this notice, all members may cumulate their votes for candidates in nomination.

(c) In any election of directors by cumulative voting, the candidates receiving the highest number of votes are elected, subject to any lawful provision specifying election by classes.

(d) In any election of directors not governed by subdivision (c), unless otherwise provided in the articles or bylaws, the candidates receiving the highest number of votes are elected.

(e) Elections for directors need not be by ballot unless a member demands election by ballot at the meeting and before the voting begins or unless the bylaws so require.

ANNUAL CORPORATE STATEMENT

§8210. Statement of Names and Addresses of Officers and of Agent for Service of Process

(a) Every corporation shall, within 90 days after the filing of its original articles and biennially thereafter during the applicable filing period in each

year, file, on a form prescribed by the Secretary of State, a statement containing: (1) the names and complete business or residence addresses of its chief executive officer, secretary and chief financial officer; and (2) the street address of its principal office in this state, if any.

(b) The statement required by subdivision (a) shall also designate, as the agent of the corporation for the purpose of service of process, a natural person residing in this state or any domestic or foreign or foreign business corporation which has complied with Section 1505 and whose capacity to act as such agent has not terminated. If a natural person is designated, the statement shall set forth the person's complete business or residence address. If a corporate agent is designated, no address for it shall be set forth.

(c) For the purposes of this section, the applicable filing period for a corporation shall be the calendar month during which its original articles were filed and the immediately preceding five calendar months. The Secretary of State shall mail a form for compliance with this section to each corporation approximately three months prior to the close of the applicable filing period. The form shall state the due date thereof and shall be mailed to the last address of the corporation according to the records of the Secretary of State. Neither the failure of the Secretary of State to mail the form nor the failure of the corporation to receive it is an excuse for failure to comply with this section.

(d) Whenever any of the information required by subdivision (a) is changed, the corporation may file a current statement containing all the information required by subdivisions (a) and (b). In order to change its agent for service of process or the address of the agent, the corporation must file a current statement containing all the information required by subdivisions (a) and (b). Whenever any statement is filed pursuant to this section, it supersedes any previously filed statement and the statement in the articles as to the agent for service of process and the address of the agent.

(e) The Secretary of State may destroy or otherwise dispose of any statement filed pursuant to this section after it has been superseded by the filing of a new statement.

(f) This section shall not be construed to place any person dealing with the corporation on notice of, or under any duty to inquire about, the existence or content of a statement filed pursuant to this section.

RECORDS AND MEMBERSHIP LISTS

§8311. Inspections; Persons Authorized; Copies

Any inspection under this chapter may be made in person or by agent or attorney and the right of inspection includes the right to copy and make extracts.

§8320. Books and Records

(a) Each corporation shall keep:

(1) Adequate and correct books and records of account;

(2) Minutes of the proceedings of its members, board and committees of the board; and

(3) A record of its members giving their names and addresses and the class of membership held by each.

(b) Those minutes and other books and records shall be kept either in written form or in any other form capable of being converted into clearly legible tangible form or in any combination of the foregoing. When minutes and other books and records are kept in a form capable of being converted into clearly legible paper form, the clearly legible paper form into which those minutes and other books and records are converted shall be admissible in evidence, and accepted for all other purposes, to the same extent as an original paper record of the same information would have been, provided that the paper form accurately portrays the record.

§8321. Annual Report

(a) A corporation shall notify each member yearly of the member's right to receive a financial report pursuant to this subdivision. Except as provided in subdivision (c), upon written request of a member the board shall promptly cause the most recent annual report to be sent to the requesting member. An annual report shall be prepared not later than 120 days after the close of the corporation's fiscal year. Unless otherwise provided by the articles or bylaws and if approved by the board of directors, that report and any accompanying material may be sent by electronic transmission by the corporation (Section 20). That report shall contain in appropriate detail the following:

(1) A balance sheet as of the end of such fiscal year and an income statement and statement of changes in financial position for such fiscal year.

(2) A statement of the place where the names and addresses of the current members are located.

(3) Any information required by Section 8322.

(b) The report required by subdivision (a) shall be accompanied by any report thereon of independent accountants, or, if there is no such report, the certificate of an authorized officer of the corporation that such statements were prepared without audit from the books and records of the corporation.

(c) Subdivision (a) does not apply to any corporation which receives less than ten thousand dollars (\$10,000) in gross revenues or receipts during the fiscal year.

§8325. Results of Membership Vote

For a period of 60 days following the conclusion of an annual, regular, or special meeting of members, a corporation shall, upon written request from a member, forthwith inform the member of the result of any particular vote of members taken at the meeting, including the number of memberships voting for, the number of memberships voting against, and the number of memberships abstaining or withheld from voting. If the matter voted on was the election of directors, the corporation shall report the number of memberships, or votes if voted cumulatively, cast for each nominee for director. If more than one class or series of memberships voted, the report shall state the appropriate numbers by class and series of memberships.

§8330. Demand; Persons Authorized; Reason; Alternative Proposal

(a) Subject to Sections 8331 and 8332, and unless the corporation provides a reasonable alternative pursuant to subdivision (c), a member may do either or both of the following as permitted by subdivision (b):

(1) Inspect and copy the record of all the members' names, addresses and voting rights, at reasonable times, upon five business days' prior written demand upon the corporation which demand shall state the purpose for which the inspection rights are requested; or

(2) Obtain from the secretary of the corporation, upon written demand and tender of a reasonable charge, a list of the names, addresses and voting rights of those members entitled to vote for the election of directors, as of the most recent record date for which it has been compiled or as of a date specified by the

member subsequent to the date of demand. The demand shall state the purpose for which the list is requested. The membership list shall be made available on or before the later of ten business days after the demand is received or after the date specified therein as the date as of which the list is to be compiled.

(b) The rights set forth in subdivision (a) may be exercised by:

(1) Any member, for a purpose reasonably related to such person's interest as a member. Where the corporation reasonably believes that the information will be used for another purpose, or where it provides a reasonable alternative pursuant to subdivision (c), it may deny the member access to the list. In any subsequent action brought by the member under Section 8336, the court shall enforce the rights set forth in subdivision (a) unless the corporation proves that the member will allow use of the information for purposes unrelated to the person's interest as a member or that the alternative method offered reasonably achieves the proper purpose set forth in the demand.

(2) The authorized number of members for a purpose reasonably related to the members' interest as members.

(c) The corporation may, within ten business days after receiving a demand under subdivision (a), deliver to the person or persons making the demand a written offer of an alternative method of achieving the purpose identified in said demand without providing access to or a copy of the membership list. An alternative method which reasonably and in a timely manner accomplishes the proper purpose set forth in a demand made under subdivision (a) shall be deemed a reasonable alternative, unless within a reasonable time after acceptance of the offer the corporation fails to do those things which it offered to do. Any rejection of the offer shall be in writing and shall indicate the reasons the alternative proposed by the corporation does not meet the proper purpose of the demand made pursuant to subdivision (a).

§8333. Accounting Books; Minutes; Demand; Purpose

The accounting books and records and minutes of proceedings of the members and the board and committees of the board shall be open to inspection upon the written demand on the corporation of any member at any reasonable time, for a purpose

In addition, a court in its discretion may award exemplary damages for a fraudulent or malicious violation of subdivision (a).

(c) Nothing in this article shall be construed to limit the right of a corporation to obtain injunctive relief necessary to restrain misuse of a membership list or any part thereof.

(d) In any action or proceeding under this section, a court may award the corporation reasonable costs and expenses, including reasonable attorneys' fees, in connection with such action or proceeding.

§12956.1. Discriminatory Covenants in Deeds or Declarations; Disclosure

(a) As used in this section, "association," "governing documents," and "declaration" have the same meanings as set forth in Section 1351 of the Civil Code.

(b) (1) A county recorder, title insurance company, escrow company, real estate broker, real estate agent, or association that provides a declaration, governing document, or deed to any person shall place a cover page or stamp on the first page of the previously recorded document or documents stating, in at least 14-point boldface type, the following:

"If this document contains any restriction based on race, color, religion, sex, *sexual orientation*, familial status, marital status, disability, national origin, *source of income as defined in subdivision (p) of Section 12955*, or ancestry, that restriction violates state and

federal fair housing laws and is void, and may be removed pursuant to Section 12956.2 of the Government Code. Lawful restrictions under state and federal law on the age of occupants in senior housing or housing for older persons shall not be construed as restrictions based on familial status."

(2) The requirements set forth in paragraph (1) shall not apply to documents being submitted for recordation to a county recorder.

(c) Any person who records a document for the express purpose of adding a racially restrictive covenant is guilty of a misdemeanor. The county recorder shall not incur any liability for recording the document. Notwithstanding any other provision of law, a prosecution for a violation of this subdivision shall commence within three years after the discovery of the recording of the document.

§12956.2. Method for Removing Discriminatory Provisions; Exclusion of Common Interest Developments Subject to Civil Code Section 1352.5

(a) *A person who holds an ownership interest of record in property that he or she believes is the subject of an unlawfully restrictive covenant in violation of subdivision (l) of Section 12955 may record a document titled Restrictive Covenant Modification. The county recorder may choose to waive the fee prescribed for recording and indexing instruments pursuant to Section 27361 in the case of the modification document provided for in this section. The modification document shall include a complete copy of the original document containing the unlawfully restrictive language with the unlawfully restrictive language stricken.*

(b) *Before recording the modification document, the county recorder shall submit the modification document and the original document to the county counsel who shall determine whether the original document contains an unlawful restriction based on race, color, religion, sex, sexual orientation, familial status, marital status, disability, national origin, source of income as defined in subdivision (p) of Section 12955, or ancestry. The county counsel shall return the documents and inform the county recorder of its determination. The county recorder shall refuse to record the modification document if the county counsel finds that the original document does not contain an unlawful restriction as specified in this paragraph.*

(c) *The modification document shall be indexed in the same manner as the original document being modified. It shall contain a recording reference to the original document in the form of a book and page or instrument number, and date of the recording.*

(d) *Subject to covenants, conditions, and restrictions that were recorded after the recording of the original document that contains the unlawfully restrictive language and subject to covenants, conditions, and restrictions that will be recorded after the Restrictive Covenant Modification, the restrictions in the Restrictive Covenant Modification, once recorded, are the only restrictions having effect on the property. The effective date of the terms and conditions of the modification document shall be the same as the effective date of the original document.*

(e) *The county recorder shall make available to the public Restrictive Covenant Modification forms.*

(f) *If the holder of an ownership interest of record in property causes to be recorded a modified document pursuant to this section that contains modifications not authorized by this section, the county recorder shall not incur liability for recording the document. The liability that may result from the unauthorized recordation is the sole responsibility of the holder of the ownership interest of record who caused the modified recordation.*

(g) *This section does not apply to persons holding an ownership interest in property that is part of a common interest development as defined in subdivision (c) of Section 1351 of the Civil Code if the board of directors of that common interest development is subject to the requirements of subdivision (b) of Section 1352.5 of the Civil Code.*

VII. SELECTED VEHICLE CODE PROVISIONS AFFECTING COMMON INTEREST DEVELOPMENTS

TOWING OF VEHICLES

§22658. Removal from Private Property

(a) Except as provided in Section 22658.2, the owner or person in lawful possession of any private property, within one hour of notifying, by telephone or, if impractical, by the most expeditious means available, the local traffic law enforcement agency may cause the removal of a vehicle parked on the property to the nearest public garage under any of the following circumstances:

(1) There is displayed, in plain view at all entrances to the property, a sign not less than 17 by 22 inches in size, with lettering not less than one inch in height, prohibiting public parking and indicating that vehicles will be removed at the owner's expense, and containing the telephone number of the local traffic law enforcement agency. The sign may also indicate that a citation may also be issued for the violation.

(2) The vehicle has been issued a notice of parking violation, and 96 hours have elapsed since the issuance of that notice.

(3) The vehicle is on private property and lacks an engine, transmission, wheels, tires, doors, windshield, or any other major part or equipment necessary to operate safely on the highways, the owner or person in

lawful possession of the private property has notified the local traffic law enforcement agency, and 24 hours have elapsed since that notification.

(4) The lot or parcel upon which the vehicle is parked is improved with a single-family dwelling.

(b) The person causing removal of the vehicle, if the person knows or is able to ascertain from the registration records of the Department of Motor Vehicles the name and address of the registered and legal owner of the vehicle, shall immediately give, or cause to be given, notice in writing to the registered and legal owner of the fact of the removal, the grounds for the removal, and indicate the place to which the vehicle has been removed. If the vehicle is stored in a public garage, a copy of the notice shall be given to the proprietor of the garage. The notice provided for in this section shall include the amount of mileage on the vehicle at the time of removal. If the person does not know and is not able to ascertain the name of the owner or for any other reason is unable to give the notice to the owner as provided in this section, the person causing removal of the vehicle shall comply with the requirements of subdivision (c) of Section 22853 relating to notice in the same manner as applicable to an officer removing a vehicle from private property.

(c) This section does not limit or affect any right or remedy which the owner or person in lawful

possession of private property may have by virtue of other provisions of law authorizing the removal of a vehicle parked upon private property.

(d) The owner of a vehicle removed from private property pursuant to subdivision (a) may recover for any damage to the vehicle resulting from any intentional or negligent act of any person causing the removal of, or removing, the vehicle.

(e) Any owner or person in lawful possession of any private property, or an "association" pursuant to Section 22658.2, causing the removal of a vehicle parked on that property is liable for double the storage or towing charges whenever there has been a failure to comply with paragraph (1), (2), or (3) of subdivision (a) or to state the grounds for the removal of the vehicle if requested by the legal or registered owner of the vehicle as required by subdivision (f).

(f) Any owner or person in lawful possession of any private property, or an "association" pursuant to Section 22658.2, causing the removal of a vehicle parked on that property shall state the grounds for the removal of the vehicle if requested by the legal or registered owner of that vehicle. Any towing company that removes a vehicle from private property with the authorization of the property owner or the property owner's agent shall not be held responsible in any situation relating to the validity of the removal. Any towing company that removes the vehicle under this section shall be responsible for (1) any damage to the vehicle in the transit and subsequent storage of the vehicle and (2) the removal of a vehicle other than the vehicle specified by the owner or other person in lawful possession of the private property.

(g) Possession of any vehicle under this section shall be deemed to arise when a vehicle is removed from private property and is in transit.

(h) A towing company may impose a charge of not more than one-half of the regular towing charge for the towing of a vehicle at the request of the owner of private property or that owner's agent pursuant to this section if the owner of the vehicle or the owner's agent returns to the vehicle before it is removed from the private property. The regular towing charge may only be imposed after the vehicle has been removed from the property and is in transit.

(i) (1) A charge for towing or storage, or both, of a vehicle under this section is excessive if the charge is greater than that which would have been charged for towing or storage, or both, made at the request of a law enforcement agency under an agreement between the

law enforcement agency and a towing company in the city or county in which is located the private property from which the vehicle was, or was attempted to be, removed.

(2) If a vehicle is released within 24 hours from the time the vehicle is brought into the storage facility, regardless of the calendar date, the storage charge shall be for only one day. Not more than one day's storage charge may be required for any vehicle released the same day that it is stored.

(3) If a request to release a vehicle is made and the appropriate fees are tendered and documentation establishing that the person requesting release is entitled to possession of the vehicle, or is the owner's insurance representative, is presented within the initial 24 hours of storage, and the storage facility fails to comply with the request to release the vehicle or is not open for business during normal business hours, then only one day's storage charge may be required to be paid until after the first business day. A business day is any day in which the lienholder is open for business to the public for at least eight hours. If a request is made more than 24 hours after the vehicle is placed in storage, charges may be imposed on a full calendar day basis for each day, or part thereof, that the vehicle is in storage.

(j) Any person who charges a vehicle owner a towing, service, or storage charge at an excessive rate, as described in subdivision (i), is liable to the vehicle owner for four times the amount charged.

(k) Persons operating or in charge of any storage facility where vehicles are stored pursuant to this section shall accept a valid bank credit card or cash for payment of towing and storage by a registered owner or the owner's agent claiming the vehicle. A person operating or in charge of any storage facility who refuses to accept a valid bank credit card is liable to the registered owner of the vehicle for four times the amount of the towing and storage charges, but not to exceed five hundred dollars (\$500). In addition, persons operating or in charge of the storage facility shall have sufficient moneys on the premises of the primary storage facility during normal business hours to accommodate, and make change in, a reasonable monetary transaction.

Credit charges for towing and storage services shall comply with Section 1748.1 of the Civil Code. Law enforcement agencies may include the costs of providing for payment by credit when making

agreements with towing companies as described in subdivision (i).

(l) (1) A towing company shall not remove or commence the removal of a vehicle from private property without first obtaining written authorization from the property owner or lessee, or an employee or agent thereof, who shall be present at the time of removal. General authorization to remove or commence removal of a vehicle at the towing company's discretion shall not be delegated to a towing company or its affiliates except in the case of a vehicle unlawfully parked within 15 feet of a fire hydrant or in a fire lane, or in a manner which interferes with any entrance to, or exit from, the private property.

(2) If a towing company removes a vehicle without written authorization and that vehicle is unlawfully parked within 15 feet of a fire hydrant or in a fire lane, or in a manner which interferes with any entrance to, or exit from, the private property, the towing company shall take, prior to the removal of that vehicle, a photograph of the vehicle which clearly indicates that parking violation. The towing company shall keep one copy of the photograph taken pursuant to this paragraph, and shall present that photograph to the owner or an agent of the owner, when that person claims the vehicle.

(3) Any towing company, or any affiliate of a towing company, which removes, or commences removal of, a vehicle from private property without first obtaining written authorization from the property owner or lessee, or an employee or agent thereof, who is present at the time of removal or commencement of removal, except as permitted by paragraph (1), is liable to the owner of the vehicle for four times the amount of the towing and storage charges, in addition to any applicable criminal penalty, for a violation of paragraph (1).

(m) (1) It is the intent of the Legislature in the adoption of subdivision (k) to assist vehicle owners or their agents by, among other things, allowing payment by credit cards for towing and storage services, thereby expediting the recovery of towed vehicles and concurrently promoting the safety and welfare of the public.

(2) It is the intent of the Legislature in the adoption of subdivision (l) to further the safety of the general public by ensuring that a private property owner or lessee has provided his or her authorization for the removal of a vehicle from his or her property, thereby promoting the safety of those persons involved

in ordering the removal of the vehicle as well as those persons removing, towing, and storing the vehicle.

§22658.2. Removal of Vehicle From Common Interest Development

(a) Except as provided in subdivision (b), an "association", as defined in subdivision (a) of Section 1351 of the Civil Code, of a common interest development, as defined in subdivision (c) of Section 1351 of the Civil Code, may cause the removal of a vehicle parked on that property to the nearest public garage if all of the following requirements are satisfied:

(1) A sign not less than 17 by 22 inches in size with lettering not less than one inch in height appears at each entrance to the common interest development and contains both of the following:

(A) A statement that public parking is prohibited and all vehicles not authorized to park on the common interest development will be removed at the owner's expense.

(B) The telephone number of the local traffic law enforcement agency.

The sign may also indicate that a citation may be issued for the violation.

(2) If the identify of the registered owner of the vehicle is known or readily ascertainable, the president of the association or his or her designee shall, within a reasonable time, notify the owner of the removal by first-class mail. If the identity of the owner of the vehicle is not known or ascertainable, the president of the association or his or her designee shall comply with subdivision (c) of Section 22853.

(3) The president of the association or his or her designee, gives or causes to be given, notice of the removal to the local traffic law enforcement agency immediately after the vehicle has been removed. The notice shall include a description of the vehicle, the license plate number, and the address from where the vehicle was removed.

(b) The association may cause the removal without notice of any vehicle parked in a marked fire lane, within 15 feet of a fire hydrant, in a parking space designated for disabled persons without proper authority, or in a manner which interferes with any entrance to, or exit from, the common interest development or any separate interest contained therein.

(c) Notwithstanding Section 1708 of the Civil Code, the association is not liable for any damages incurred by the vehicle owner because of the removal of a vehicle in compliance with this section or for any damage to the vehicle caused by the removal. However, the owner of a vehicle removed pursuant to this section may recover for any damage to the vehicle which results from any intentional or negligent act of the association or any person causing the removal of, or removing, the vehicle.

(d) Notwithstanding any other provision of law, subdivisions (f) to (k), inclusive, of Section 22658 apply to the removal of vehicles pursuant to this section.

The report shall be made on a form furnished by that department and shall include a complete description of the vehicle, the date, time, and place from which the vehicle was removed, the amount of mileage on the vehicle at the time of removal, the

grounds for removal, and the name of the garage or place where the vehicle is stored.
